*Immerse yourself in the stories of Ulverton, as heard on BBC Radio 4 Book at Bedtime 'Sometimes you forget that it is a novel, and believe for a moment that you are really hearing the voice of the dead' Hilary Mantel At the heart of this novel lies the fictional village of Ulverton. It is the fixed point in a book that spans three hundred years. Different voices tell the story of Ulverton: one of Cromwell's soldiers staggers home to find his wife remarried and promptly disappears, an eighteenth century farmer carries on an affair with a maid under his wife's nose, a mother writes letters to her imprisoned son, a 1980s real estate company discover a soldier's skeleton, dated to the time of Cromwell... Told through diaries, sermons, letters, drunken pub conversations and film scripts, this is a masterful novel that reconstructs the unrecorded history of England. WITH AN INTRODUCTION FROM ROBERT MACFARLANE*

*"Whereas, We, the citizens of San Francisco ... do most heartily approve of the project about to be inaugurated for the establishment of A Free Library in this City, and do pledge to the same our hearty and united support." With these words, an idea was born in San Francisco, an idea that eventually - well over a century later - achieved its apotheosis in the building of the New Main Public Library. This state-of-the-art cultural institution now stands as a tribute to all those who had the vision to conceive the idea and the energy to nourish this - through eras of triumph and tragedy. With masterful insight, Peter Booth Wiley narrates the fascinating story of this idea, tracing the concept of the library back to the origins of writing and human history itself, through the ages of antiquity to the first American libraries and beyond ... to San Francisco. Embroidered into the thread of the main narrative are 25 specially commissioned essays from the Bay Area's leading literary figures, accompanied by original artwork by noted local illustrators.*

Rob Gonsalves—master of magical realism—presents another mesmerizing picture book in his Imagine a... series, that will “stimulate wonder and imagination” (Booklist, starred review). Imagine a world where the sky becomes the Earth; where a waterfall freefalls to become dancing women; where you can cut mountains out of curtains, and ships sail into the sky. This amazing world is what Rob Gonsalves has created. His vision inspires and astounds—and he wants to share that vision with you. With stunning illustrations that stretch the limits of the imagination, this fourth installment in the Imagine a... series explores a world that is boundless and beautiful, inviting you to imagine a world of possibilities—to imagine this world.

THE NEW YORK TIMES BESTSELLER NUMA crew leaders Kurt Austin and Joe Zavala must beat the clock to stop the world's most dazzling new technological advance from becoming mankind's last in this action-packed thriller from the #1 New York Times–bestselling grand master of adventure. When the most advanced aircraft ever designed vanishes over the South Pacific, Kurt Austin and Joe Zavala are drawn into a deadly contest to locate the fallen machine. Russia and China covet the radical technology, but the United States worries about a darker problem. They know what others don't—that the X-37 is carrying a dangerous secret, a payload of exotic matter, extracted from the upper reaches of the atmosphere and stored at a temperature near absolute zero. As long as it remains frozen, the cargo is inert, but if it thaws, it will unleash a catastrophe of nearly unthinkable proportions. From the Galapagos Islands to the jungles of South America to an icy mountain lake many believe to be the birthplace of the Inca, the entire NUMA team will risk everything in an effort to avert disaster...but they may be caught in a race that no one can win.

New York Times best seller Ever since Gabrielle Stanley Blair became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families. The decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-room guide to keeping things sane, organized, creative, and stylish. It's about getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of projects; and much, much more.

On its appearance in 1952 the Times Literary Supplement called Hemlock and After 'a novel of remarkable power and literary skill which deserves to be judged by the highest standards. The novel is concerned with the hypocrisies of middle-class society. The protagonist, Bernard Sands, is a novelist and an intellectual who tries to found a centre for young writers. How he is homosexual and in the post-war Britain of the time his liberal ideas cause much anxiety to those in charge. Surrounded by false friends and scheming enemies Sands has to come to a decision, forced to decide where his loyalties lie. A compassionately written novel Hemlock and After explores the conflict of duty and love in one man's life and the consequences of our choices. As homosexuality was still an offence Hemlock and After is a brilliantly handled novel from a writer who was described by John Betjeman as 'mercilessly accurate and never dull.'

Dink and his friends use their detective skills to locate a giant emerald missing from a statue delivered to Uncle Warren's museum in New York City.

"JoJo Siwa and her trusty sidekick, a teacup Yorkie named BowBow, are used to being center stage. So when her neighborhood throws a block party, it's a no-brainer: before hitting the bouncy castle, JoJo and the Siwanatorz will perform on stage for everyone they know! It'll be the best show yet! But as unexpected challenges pop up--the neighborhood bullies slice the microphones stop working, and her best friend gets cold feet--JoJo shows the Siwanatorz what stars are really made of: kindness, courage, and a whole lot of fun"--

Women feel enormous pressure to be perfect. To have the perfect body, to be a perfect woman, to have the perfect career, and to have the perfect attitude. All the time. Under all that pressure and all those expectations are women carrying burdens they were never meant to carry and suppressing the dreams they were always meant to live. In *You're Already Amazing*, popular blogger and cofounder of (in)courage helps women understand and embrace the fact that they don't need to do more, be more, and have more--because they're already amazing just the way God created them to be. As a licensed counselor and certified life coach, Holley knows what readers need to hear. Like a heart-to-heart talk over coffee, reading this joy-filled book encourages women to forget the lies and expectations the world feeds them, instead believing that God made them for a purpose and that he loves them right now, at this moment, and always. Holley takes readers on a journey of the heart to discover their strengths and embrace all God created them to be.

The bestselling author of *Dream Team* tells the interconnected stories of the NBA champion Golden State Warriors and the early-1970s Los Angeles Lakers, two extraordinary teams playing in extraordinary times and linked by one extraordinary man: Jerry West. With an update on Jerry West's new gig *In Golden Days*, acclaimed sports journalist Jack McCallum uses two teams--today's Golden State Warriors and the L.A. Lakers of the early 1970s--to trace the dynamic history of the National Basketball Association, which for much of the last half-century has marched memorably through the state of California. Tying together the two strands of McCallum's story is Hall of Famer Jerry West, the ferociously competitive Laker guard who later became one of the key architects of the Warriors. With "the Logo" as his guide, McCallum takes us deep into the locker rooms and front offices of these two era-defining teams, leveraging the access and authority he has amassed over his forty-year career to create a picture of the cultural juggernaut that the NBA has become. Featuring up-close-and-personal portraits of some of the biggest names in basketball history, from Wilt Chamberlain to Steve Kerr to the transcendent duo of Stephen Curry and Kevin Durant, as well as an update on the Warriors' continuing run of dominance and West's first season with the L.A. Clippers, *Golden Days* is a history, not just of a changing sport, but a changing America. Featuring vintage photos and contemporary shots of NBA greats including Stephen Curry, Kevin Durant, Wilt Chamberlain, Jerry West, Elgin Baylor, Pat Riley, and more. "Full of juicy anecdotes and wagging fun . . . McCallum holds legitimate claim for being the greatest NBA writer of all time."--*The Wall Street Journal* "Only one writer I know could pull all this together: two iconic champions, two roundball revolutions, and the deadeye legend whose silhouette binds them both. If basketball writing had a logo, it would be the image of Jack McCallum."--Lee Jenkins, senior writer, *Sports Illustrated* "I had the pleasure of playing with, coaching with, and coaching for Jerry West, one of the great influences in the history of the NBA. *Golden Days* gets at the essence of the man as a player and an executive, while also exploring today's game through the Golden State Warriors."--Pat Riley, president, Miami Heat "An original, fascinating, and breezy read."--Zach Lowe, senior writer, ESPN

Embracing Who You Are, Becoming All God Created You to Be

"Covering 825,000 acres in the Coastal Plain and Brush Country of South Texas, King Ranch, established in 1853, looms large in Texas and American history. Since its founding by the energetic and visionary Richard King, it has indelibly captured for generations the essence of the American West. As Tom Lea asserted in his epic 1953 history, the spirit of the place "is alive in the land itself, in the far quietness of growing grass and grazing herds." In *King Ranch: A Legacy in Art*, editors Bob Kinnan, William E. Reaves, and Linda J. Reaves have assembled a team of collaborators to present a beautiful, informative account of the ranch and its place in the artistic heritage of the region. Pairing original paintings by artist Noe Perez with insightful essays

from curators Bruce Shackelford and Ron Tyler, this book celebrates the many ways 'King Ranch culture' has enriched appreciation for the decorative, practical, and fine arts in Texas and the greater American West. Opening with a foreword by Jamey Clement, current chair of the board for King Ranch, Inc., and continuing with a brief introduction to the ranch's history by Bob Kinnan, King Ranch: A Legacy in Art will heighten appreciation of the natural beauty and artistic influence of this legendary place. BOB KINNAN previously managed the Santa Gertrudis Heritage Society and King Ranch Archives and has been King Ranch Historian since 2016. WILLIAM E. REAVES is the author of Texas Art and a Wildcatter's Dream, coauthor for Of Texas Rivers and Texas Art, and coeditor of Sense of Home: The Art of Richard Stout. LINDA J. REAVES is coeditor of Sense of Home: The Art of Richard Stout and coauthor of A Book Maker's Art: The Bond of Arts and Letters at Texas A&M University Press"--

Matt Groening, The toastmaster of trick-or-treat, whips up a witches' brouhaha of crazed clown cars, possessed cereal boxes, haunted hospitals, afterlife-binding cocktail napkin I.O.U.s, ring-driven fellowships, neighborly vampires, and costumed comic book guys. Add a revenge-filled bottle of Amontillado, and a ripplingly good yarn from merry and bloody olde England, and you have a pleasingly putrid and asphyxiatingly amusing tome of tonsil-tickling terror and Halloween howl-arity with The Simpsons.

Presents a tale of a precarious friendship between an illegal Nigerian refugee and a recent widow from suburban London, a story told from the alternating and disparate perspectives of both women.

The seemingly blind love of a wife for her husband as he conquers Wall Street, and her extraordinary, perhaps foolish, loyalty during his precipitous fall, is expertly explored in this "ripped-from-the-headlines story about love, ambition, and forgiveness" (PopSugar)—perfect for fans of the TV show Billions. Phoebe recognizes fire in Jake Pierce's belly from the moment they meet as teenagers. After they marry and he creates a financial dynasty, she trusts him without hesitation—unaware his hunger for success hides a dark talent for deception. But when Phoebe learns her husband's triumph and vast reach rests on an elaborate Ponzi scheme, her world unravels. While Jake is trapped in the web of his deceit, Phoebe is caught facing an unbearable choice. Her children refuse to see her if she remains at their father's side, but abandoning him feels cruel and impossible. From penthouse to prison, with tragic consequences rippling well beyond Wall Street, Randy Susan Meyers's latest novel exposes a woman struggling to survive and then redefine her life as her world crumbles. "An engrossing emotional journey" (Kirkus Reviews) and USA TODAY bestselling author Diane Chamberlain raves, "With all the suspense of a thriller, The Widow of Wall Street quickly pulled me into the story and didn't let me go until the last page."

*Imagine ... growing up in an unfinished geodesic dome home with no heat or running water, wearing the same clothes to school every day, and eating breakfast cereal with warm goat milk. In this whimsical, poetic, and gripping autobiographical account, Jennifer Asbenson describes her abusive, dysfunctional, and chaotic upbringing, her abduction and escape from a serial killer, her years in and out of mental hospitals, her decision to heal herself, and ultimately, her path to wholeness. Jennifer tells how, from her youngest years, she learned to retreat into her imagination to develop the ability to survive. The Girl in the Treehouse is a profoundly compelling story, told with humor, honesty, and without self-pity, of Jennifer's emergence from mental illness and despair to happiness, through the power of forgiveness and self-love.*

*Wonderbook has become the definitive guide to writing science fiction and fantasy by offering an accessible, example-rich approach that emphasizes the importance of playfulness as well as pragmatism. It also exploits the visual nature of genre culture and employs bold, full-color drawings, maps, renderings, and visualizations to stimulate creative thinking. On top of all that, the book features sidebars and essays from some of the biggest names working in the field today, including George R. R. Martin, Lev Grossman, Neil Gaiman, Michael Moorcock, and Karen Joy Fowler. For the fifth anniversary of the original publication, Jeff VanderMeer has added an additional 50 pages of diagrams, illustrations, and writing exercises creating the ultimate volume of inspiring advice that is also a stunning and inspiring object.*

*A humorous collection of dozens of photos of funny and adorable cats as they play with, roll in, and chow down their favorite snack of choice -- catnip. Cats love catnip. Whether it's eating it, playing with it, or rolling around in it, catnip turns our domestic feline friends into hilarious balls of activity. Carefree and unconstrained, they are free to be silly, exceptionally playful, and downright gnarly. Professional pet photographer and self-confessed crazy cat man Andrew Martilla (the photographer behind Shop Cats of New York) captures a range of the cats' silly and expressive personalities as they react to their catnip trip. Delightful, elegant Fluffy transforms into a hell-bent renegade. Shy, reserved Mittens becomes a free-loving acrobat. In the blink of an eye, a cat's expression transforms from bored to inquisitive to playful to curious to bizarre . . . to utterly unhinged. A fun and delightful look at our furry companions, this gift book is perfect for every cat lover.*

*The Fall of a Great American City is the story of what is happening today in New York City and in many other cities across America. It is about how the crisis of affluence is now driving out everything we love most about cities: small shops, decent restaurants, public space, street life, affordable apartments, responsive government, beauty, idiosyncrasy, each other. This is the story of how we came to lose so much—how the places we love most were turned over to land bankers, billionaires, the worst people in the world, and criminal landlords—and how we can - and must - begin to take them back. Co-published with Harper's Magazine, where an earlier version of this essay was originally published in 2018. As New York City approaches the third decade of the twenty-first century, it is in imminent danger of becoming something it has never been before: unremarkable. By unremarkable I don't just mean periodic, slump-in-the-art-world, all-the-bands-suck, cinema-is-dead boring. I mean flatlining. No longer a significant cultural entity but a blank white screen of mere existence. I mean The-World's-Largest-Gated-Community-with-a-few-cupcake-shops. For the first-time in our history, creative-youngpeople- will-no-longer want-to-come-here boring. Even, New-York-is-over boring. Or worse, New York is like everywhere else. Unremarkable. This is not some new phenomenon, but a cancer that's been metastasizing on the city for decades now. Even worse, it's not something that anyone wants, except the landlords, and not even all of them. What's happening to New York now—what's already happened to most of Manhattan, its core, and what is happening in every American city of means, Boston, Washington, San Francisco, Seattle, you name it—is something that almost nobody wants, but everybody gets. As such, the current urban crisis exemplifies our wider crisis: an America where we believe that we no longer have any ability to control the systems we live under.*

*The Nutshell Studies of Unexplained Death offers readers an extraordinary glimpse into the mind of a master criminal investigator. Frances Glessner Lee, a wealthy grandmother, founded the Department of Legal Medicine at Harvard in 1936 and was later appointed captain in the New Hampshire police. In the 1940s and 1950s she built dollhouse crime scenes based on real cases in order to train detectives to assess visual evidence. Still used in forensic training today, the eighteen Nutshell dioramas, on a scale of 1:12, display an astounding level of detail: pencils write, window shades move, whistles blow, and clues to the crimes are revealed to those who study the scenes carefully. Corinne May Botz's lush color photographs lure viewers into every crevice of Frances Lee's models and breathe life into these deadly miniatures, which present the dark side of domestic life, unveiling tales of prostitution, alcoholism, and adultery. The accompanying line drawings, specially prepared for this volume, highlight the noteworthy forensic evidence in each case. Botz's introductory essay, which draws on archival research and interviews with Lee's family and police colleagues, presents a captivating portrait of Lee.*

**NEW YORK TIMES BESTSELLER** • The incredible untold story of World War II's greatest secret fighting force, as told by the modern master of wartime intrigue—coming soon as a limited series on Epix! “Reads like a mashup of *The Dirty Dozen* and *The Great Escape*, with a sprinkling of *Ocean's 11* thrown in for good measure.”—Michiko Kakutani, *The New York Times* **ONE OF NPR'S BEST BOOKS OF THE YEAR** • “Rogue Heroes is a ripping good read.”—*Washington Post* (10 Best Books of the Year) *Britain's Special Air Service*—or **SAS**—was the brainchild of David Stirling, a young aristocrat whose aimlessness belied a remarkable strategic mind. Where most of his colleagues looked at a World War II battlefield

map and saw a protracted struggle, Stirling saw an opportunity: given a small number of elite men, he could parachute behind Nazi lines and sabotage their airplanes and supplies. Defying his superiors' conventional wisdom, Stirling assembled a revolutionary fighting force that would upend not just the balance of the war, but the nature of combat itself. Bringing his keen eye for detail to a riveting wartime narrative, Ben Macintyre uses his unprecedented access to the SAS archives to shine a light on a legendary unit long shrouded in secrecy.

Stegner's Pulitzer Prize-winning novel of personal, historical, and geographic discovery *Confined to a wheelchair*, retired historian Lyman Ward sets out to write his grandparents' remarkable story, chronicling their days spent carving civilization into the surface of America's western frontier. But his research reveals even more about his own life than he's willing to admit. What emerges is an enthralling portrait of four generations in the life of an American family. "Cause for celebration . . . A superb novel with an amplitude of scale and richness of detail altogether uncommon in contemporary fiction." —*The Atlantic Monthly* "Brilliant . . . Two stories, past and present, merge to produce what important fiction must: a sense of the enchantment of life." —*Los Angeles Times* This Penguin Classics edition features an introduction by Jackson J.
