The word "loss" contains only four letters, but its size belies the amount of fear it produces at even its mere mention. Even more terrifying and enormous is the reality of loss--specifically, the loss of a spouse. For the loved one left behind, the loss of a spouse or partner is frightening, and the ensuing grief can be all-consuming. Regardless of the circumstances, spousal loss devastates on numerous levels and in countless ways. Whether the loss is brand new or decades old, it nonetheless leaves indelible wounds.

Worst of all, widowhood has the capacity to keep those affected from moving forward into a new and fulfilling life. The need for relatable and actionable direction and advice remains a very real need for the widowed community. In *Loss is a Four-Letter Word*, award-winning author Carole Brody Fleet, who herself experienced the numbing pain and grief as a young widow and mother, shows readers a way out, a way to move forward--not "get over"--their most profound loss in positive ways. Fleet combines no-nonsense, directed advice with specific, boot camp style "assignments" that are framed with compassion and humor. Appropriate for both the newly bereaved as well as those who may have been grieving for years, *Loss is a Four-Letter Word* is also ideal for those who wish to best support the bereaved through a most challenging life-journey.

New York Times best-selling author offers a one-of-a-kind program to help readers finally become happy, thin, and free! Sustainable weight loss expert Susan Peirce Thompson builds on the success of her Bright Line Eating Boot Camps and best-selling book with: The Official Bright Line Eating Cookbook! The Official Bright Line Eating Cookbook is designed to help readers transition to this transformative way of life as smoothly and solidly as possible. The first book gave explicit instructions as to what the guidelines for each meal are, but no specific suggestions as to what to actually cook. This book provides recipes, as well as tons of tips, tricks, and tools culled directly from the Bright Line Eating community, the "Bright Lifers" themselves! Because Bright Line Eating is unlike any food program out there, this cookbook will be unlike any seen before. It's broken down by warm bowls, cold bowls, and plates. There will be a large section on salad dressings--because Bright Lifers live and die by their dressing! Note: there will not be any "cheat" foods, because those foods keep addiction alive in the brain, slow weight loss, and leave you vulnerable to old habits. Special features: • 75+ delicious recipes • Guidance for getting started and staying the course • Tips and tricks for getting the most from the plan • Jaw-dropping before-and-after stories and photos from successful Bright Lifers • and more! This will be an invaluable companion to the first book, and, for some, an entry into Bright Line Eating and an entirely new way of eating.

- A behind-the-scenes look at the world champion Belgian cycling team Deceuninck - Quick Step (the Wolfpack) during the year 2021 - Top photographer Wout Beel followed this dream team for the entire year - Intimate, gripping, glorious, a rollercoaster of emotions in words and images The year 2021 was another amazing year for the Wolfpack, the dream cycling team of Patrick Lefevere. Davide Ballerini won the Omloop, Kasper Asgreen took the E3 and the Tour of Flanders, and Sam Bennett, Mark Cavendish, Remco Evenepoel and Julian Alaphilippe all gathered victories, while Michael Morkov took Olympic Gold on the track. In this book you'll follow the cyclists through the lens of Wout Beel: in an intimate family circle during their few free moments, in total ecstasy after a victory, in decompression on the team bus. See them fall, get up and win again. A group portrait that will stay with you forever.
