

## Fallen Crest Public Chapter 2

I crawled into Ryan Jensen's bed that first night by accident. I barely knew him. I thought it was his sister's bed-her room. It took seconds to realize my error, and I should've left... I didn't. I didn't jump out. I didn't get embarrassed. I relaxed. And that night, in that moment, it was the only thing I craved. I asked to stay. He let me, and I slept. The truth? I never wanted to leave his bed. If I could've stayed forever, I would have. He became my sanctuary. Because-four hours earlier-my twin sister killed herself.

A novella crossover between Tijan's FALLEN CREST and CREW series.

I asked for his criteria for bed buddies-that's the PG version. He swore at me and said he didn't do groupies. And just like that, our friendship was off to a great start. Reese Forster was the starting point guard for the Seattle Thunder. Gorgeous. Cocky. Loved by the nation. He's also attending preseason basketball training camp where I used to work. Correction: where I work again, because I was fired from my last job. And dumped. And I might have a tiny bit of baggage, but that's normal. Right? Reese and I shouldn't have become friends. We shouldn't have become roommates. And we really shouldn't have started sleeping together ... (Except we did.) I'm adorably psychotic. He's in the NBA. ?This is not a disaster waiting to happen, at all.

These were written for a promo tour I did for Fallen Crest Home's book release. I added a few extra surprises in here as well, but not all of them were posted, so I wanted to make them available for everyone. This is done as a thank you to the readers.

**Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.**

**Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.**

**A coming-of-age classic about two Jewish boys growing up in Brooklyn in the 1940s, this “profound and**

**universal” (The Wall Street Journal) story of faith, family, tradition, and assimilation remains deeply pertinent today. “Works of this caliber should be occasion for singing in the streets and shouting from the rooftops.” —Chicago Tribune It’s the spring of 1944 and fifteen-year-olds Reuven Malter and Danny Saunders have lived five blocks apart all their lives. But they’ve never met, not until the day an accident at a softball game sparks an unlikely friendship. Soon these two boys—one expected to become a Hasidic rebbe, the other at ease with secular America—are drawn into one another’s worlds despite a father’s strong opposition. Set against the backdrop of World War II and the creation of the state of Israel, The Chosen is a poignant novel about transformation and tradition, growing up and growing wise, and finding yourself—even if it might mean disappointing those you love.**

**Fans of BEAUTIFUL DISASTER will love this story about how the ramifications of parents have lasting effects on a son.**

The author of *Race for Profit* carries out “[a] searching examination of the social, political and economic dimensions of the present racial order” (Michelle Alexander, author of *The New Jim Crow*). In this winner of the Lannan Cultural Freedom Prize for an Essential Notable Book, Keeanga-Yamahtta Taylor “not only exposes the canard of color-blindness but reveals how structural racism and oppression are joined at the hip” (Robin D. G. Kelley, author of *Freedom Dreams*). The eruption of mass protests in the wake of the murders of Michael Brown in Ferguson, Missouri, and Eric Garner in New York City have challenged the impunity with which the law carry out violence against black people and punctured the illusion of a post-racial America. The Black Lives Matter movement awakened a new generation of activists. In this stirring and insightful analysis, activist and scholar Keeanga-Yamahtta Taylor surveys historical and contemporary ravages of racism and the persistence of structural inequality, such as mass incarceration and black unemployment. In this context, she argues that this new struggle against police violence holds the potential to reignite a broad black liberation. “This brilliant book is the best analysis we have of the #BlackLivesMatter moment of the long struggle for freedom in America. Keeanga-Yamahtta Taylor has emerged as the most sophisticated and courageous radical intellectual of her generation.” —Cornel West, author of *Race Matters* “A must read for everyone who is serious about the ongoing praxis of freedom.” —Barbara Smith, author of *Ella Baker and the Black Freedom Movement* “[A] penetrating, vital analysis of race and class at this critical moment in America’s racial history.” —Gary Younge, author of *The Speech: The Story Behind Dr. Martin Luther King Jr.’s Dream*

An instant #1 New York Times Bestseller and a USA Today and Indie Bestseller! The Stormlight Archive saga continues in Rhythm of War, the eagerly awaited sequel to Brandon Sanderson's #1 New York Times bestselling Oathbringer, from an epic fantasy writer at the height of his game. After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent years fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravans looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the world, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideal and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed comes to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more Odium is Fused awoken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin Kholin must lead the coalition's envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause or face the evil god Odium, or personally face the storm of failure. The main part of Polybius's history covers the years 264-146 BCE. It describes the rise of Rome to the destruction of Carthage and the domination of Greece by Rome.--From publisher description.

Hailed as one of the greatest novels of all time and a classic of world literature, War and Peace is a tale of strivers in a world of conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he discovers the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and soldiers and Napoleon himself. In War and Peace (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, and fate.

How To Win Friends And Influence People  
Book Three of the Stormlight Archive

Rakugo, a popular form of comic storytelling, has played a major role in Japanese culture and society. Developed during the Edo (1600-1868) and Meiji (1868-1912) periods, it is still popular today, with many contemporary Japanese comedians having originally trained as rakugo artists. Rakugo is divided into two distinct strands, the Tokyo tradition and the Osaka tradition, with the latter having previously been largely overlooked. This pioneering study of the Kamigata (Osaka) rakugo tradition presents the first complete English translation of five classic rakugo stories, and offers a history of comic storytelling in Kamigata (modern Kansai, Kinki) from the seventeenth century to the present day. Considering the art in terms of gender, literature, performance, and society, this volume grounds Kamigata rakugo in its distinct cultural context and sheds light on the 'other' rakugo for students and scholars of Japanese culture and history.

He walked into school on his first day and owned it. I guess that's what happens when you're a prick, rich, and you're best friends with the ruling school's king. Also didn't hurt he's drop dead gorgeous. That's all fine. I mean, I have nothing to do with them. I'm a loner, invisible, and that's how I wanted it to be. I was even proud of it, until I wasn't. Until I saw a girl kneel before him. Until I couldn't look away. Until he caught me watching. His name is Blaise Devroe. My name is Aspen Monson. He only knew how to get, command, and demand attention. I knew how to do everything but that. And this is our story.

Mason and Logan Kade are two brothers who did their own thing. They were rich and expected to attend Samantha's school, Fallen Crest Academy. They chose public school and now she has to live with them. The problem is that she doesn't care at all: about them, about her friends, about her cheating boyfriend, or even about her parent's divorce. But maybe that's a good thing. Maybe change is a good thing. The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization. Risk-Taking in International Politics

Fallen Crest Forever

A Kade Christmas

Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures.

This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover.

Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great

American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Sam's first day at Fallen Crest Public doesn't go well. Some girls want to be her. Some girls want to destroy her. And some just don't like her. All in all, despite being protected by Mason and Logan, it's still only the strong survive. Sam will not only have to survive, she needs to learn how to conquer too, but there's another battle growing. Things are about to come to a disastrous end between the towns, Roussou and Fallen Crest. Sam's other main dilemma? Keeping Mason and Logan from getting arrested or hospitalized.

The Dark Side of the All-American Meal

A Fallen Crest Novella

The Insiders

The Insiders is the first in a brand new, page-turning romance trilogy from New York Times bestseller, Tijan! Bailey is as normal as could be, with a genius IQ and a photographic memory. But still, normal for her. Then, things happen—a guy breaks into her house in the middle of the night to take her hostage. She finds out her father is actually billionaire tech genius Peter Francis, the same guy she's idolized all her life. She learns all this when she meets dark, mysterious, and electrifying Kashton Colello. He's an associate of her father's, and he gives Bailey two choices—go with him and meet her father or survive on her own because those kidnappers are going to try again. It's a no-brainer. After this, three things become clear for Bailey: 1. She's living at her father's sprawling estate, complete with bodyguards and the best

security that money can buy. 2. She's no longer an only child. She has three siblings and has no idea what to do with them and vice versa. 3. She is being guarded by Kash himself. Personally guarded. And there is a lot of guarding going on there and some of it is going to drive her crazy. A complete outsider in a world of wealth and decadence, Bailey has to find her way within a family that has more secrets than she could have imagined. One of these secrets could be deadly... Originally published as part of the USA Today bestselling anthology Eye Candy, Fallen Crest Nightmare brings readers the characters—and the scares—in this companion novella to Tijan's New York Times bestselling world! This novella also includes a never before published bonus scene from this Halloween tale. The characters of the popular Fallen Crest series are back together for a night of mischief! Sam, Mason, and the rest of the gang enter a Halloween-themed weekend with pumpkin carving, a girls' night out, and a terrifying haunted house, but the weekend takes a turn into something far more sinister....

Fans of Erin Watt's PAPER PRINCESS will love this story about a girl who moves into her mother's boyfriend's house only to be taken in by his two sons in the first book of an epic series.

This book was originally written to be the sequel to Fallen Crest High. It was scrapped and not used. Fallen Crest Family was written instead as the number two book in the Fallen Crest Series. However; this version was posted on the author's page for free reading as a thank you to her readers. After reading what she posted, enough fans requested this story to be published so here it is. This book is not meant to be promoted or a part of the Fallen Crest Series. It has been published at the readers' requests and it is for them to enjoy. With all this said, please enjoy. The original chapters are still posted for free reading.

Fallen Crest Public

From #BlackLivesMatter to Black Liberation

A paranormal romance between a shifter and a fatel (people with supernatural powers) against the background of a power struggle Ashley joins the Guardian Angels pack with her sister Sam as she wanted, but everyone is well aware that her integration will not be without difficulties. Sam's past is more present than ever and danger lurks within the pack. Will the young fatel be able to live peacefully among the shifters to the point where she is willing to bond with one of them, or will Nate have to give up his soul mate for the sake of everyone else?

This is a very very short novella consisting of one scene that has three parts, and an additional bonus scene. This was written to be a SMALL gift to any Fallen Crest readers! And with that said, Happy Holidays from Tijan.
