Yesterday, Today, and Forever is not a theology of the Letter to the Hebrews, nor is it simply another commentary on the text. Nevertheless, if you take time to work through this book, you will gain a rich, holistic understanding of Hebrews' theology, and you will be able to come back to this volume again and again as a resource for personal growth, teaching, and preaching. The author's desire of the author's desire to share the fruit of more than thirty-five years of study and meditation on this often neglected but rich New Testament book, to help readers see its vision and to gain a holistic grasp of the way the author of Hebrews has arranged the material of this book to encourage us in a life of faithfulness—a message of importance for the world today. The book of Hebrews has been divided into seven weeks of daily readings (forty-nine days), so you will have time for Hebrews to permeate your heart and mind. If you patiently follow through, you will be rewarded with an understanding of Hebrews unavailable to those who want a quick fix.

The last thing he needs is the yummy, sophisticated, blond-haired distraction sitting at table thirty-four.

Mason Kade is the dream. He is the promise. He's offering what so many would fantasize about, and it's not that I don't want it/him/us. It's the opposite. Falling Into You (Bachelors & Bridesmaids #5)

In this convicting work directed to increase a healthy fear of the Living God to Christians, Mead works from Hebrews 10:31, "It is a fearful thing to fall into the hands of the Living God." Mead teaches in what sense God is the living God, and what it means to "fall into the hands" of this God who lives. Every sinner (redeemed, or remaining in unbelief) will ultimately stand in judgment before the Living God, and will have to deal with God both necessarily and everlastingly. Necessarily, as God requires an account of their life, and everlastingly, where the final state of the sinner will be determined. Mead demonstrates that having such a healthy fear of falling into God's hands is evidenced from that terror which sinners themselves many times feel under the sense of

God's wrath in this world. Men must be saved by Christ to escape the dreadful judgment that accompanies unbelief when they fall into the hands of the Living God. This union with Christ, God's only Redeemer, is such a union as that by it, a man's state is fundamentally changed, so that he is no longer a child of wrath. It is a union fixed in the blessed state of justification, and the forgiveness of sins. By virtue of this union, he has a right to all the blessings of the covenant. This is what gives Christians great boldness in the day of judgment to stand before the Living God in whom hands they are judged. This is not a scan or facsimile, has been updated in modern English for easy reading and has an active table of contents for electronic versions. Taking refuge in fairy tales after the loss of his mother, twelve-year-old David finds himself violently propelled into an imaginary land in which the boundaries of fantasy and reality are disturbingly melded. Finding myself over thirty and divorced, living in the same small town where I grew up, was not exactly the fast track to personal success. So I took action. I landed a job with a bigger practice in a big city where I'd find more opportunities at work, and hopefully in my social life. I was ready to move on. But when Cormac Whitewood and his adorable daughters came into my life, suddenly my big plans didn't seem so shiny and exciting. Suddenly, I was finding myself drawn to the lonely widower, wishing for more time with him. The thing is, Cormac made it clear he wasn't over his late wife—and I'd never force my way into someone else's family. Besides, I'd already made my plans. So why do they feel so wrong? Book Five: *Falling Into Forever* I had it all. Killer job, to-die-for apartment overlooking the Hudson, and the successful, doting boyfriend. Well, he was successful, at least. I went home to the smallest small town there is—a place so backward my family was still engaging in a hundreds-of-years-old feud with the Tuckers. Maybe it had evolved from the days of shooting one another to slightly more benign things, like filling family stores with crickets and moving a two-ton moose around town. But still. This was not NYC. It was meant to be a stop-over. But when a little old lady died suddenly and left her dilapidated haunted house to me, things got complicated. Because she didn't just leave the house to me. She left it to me and Michael Tucker jointly. Because who doesn't want to live in a haunted house with their sworn enemy? Only I'm not sure Michael Tucker is my enemy. In fact, he's turning out to be kind of... hot. In a strong single dad kind of way. And I'm not sure how much I really want to get back to New York City, anyway. Bonus Story: *Straddling the Lines* Sometimes the only way to find love is to break all the rules... Wade Blanchard and his brother Wylie run the Half Cat Distillery and Straddlers Bar, which sit on the county line in two Maryland counties. Since each county has different liquor laws, this causes a fair bit of confusion, but Wade (who runs the bar), takes it all in stride. He takes most things in stride, actually. Like the sheriff who hounds him constantly, thanks to an ages-old family grudge, and a woman who actually crashes her car into the side of his bar. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

Two girls embark on a summer of montage-worthy dates (with a few strings attached) in this hilarious and heartfelt lesbian rom-com that's perfect for fans of Becky Albertalli and Jenny Han. Seventeen-year-old cynic Saoirse Clarke isn't looking for a relationship. But when she meets mischievous Ruby, that rule goes right out the window. Sort of. Because Ruby has a loophole in mind: a summer of all the best cliché movie montage dates, with a definite ending come fall—no broken hearts, no messy breakup. It would be the perfect plan, if they weren't forgetting one thing about the Falling in Love Montage: when it's over, the characters have fallen in love...for real. Ciara Smyth's debut is a delightful, multilayered YA rom-com that will make you laugh, cry, and absolutely fall in love.

Fallen Crest Forever
Forever . . .

Michael Dante played the title role in Winterhawk (1975), a Western about a legendary Blackfoot Chief's character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their railroad directly through his territory, taking the Blackfoot land without provocation. Winterhawk and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television's Golden Era, such as Death Valley Days, The Big Valley, Daniel Boone, Custer, The Texan, Bonanza, Maverick, and Cheyenne.

Especially not for Katherine and Michael, who can't get enough of each other. Their relationship is unique: sincere, intense, and fun all at the same time. Although they haven't been together all that long, they know it's serious. A whole world opens up as young passion and sexuality bloom. But it's senior year of high school, and there are big changes ahead. Michael and Katherine are destined for another big "first": a decision. Is this the love of a lifetime, or the very beginning of a lifetime of love? She won't compromise that dream, even for a man as annoyingly appealing as Tyler. In a simpler world, Tyler would already have gotten Serafine out of his system. For him, women equal fun. Not this kind of bone-deep, disconcerting desire. Life gets even more complicated when he becomes the guardian of his much younger sister. Suddenly, he's way out of his depth. Serafine's the only person who can connect with Kylie. He can't jeopardize that for a fling. But maybe...just maybe...he's finally ready to risk everything on forever.
