Round 2

Strategy Guide

"Also covers all 24 Halo 3 multiplayer maps"--Cover.

War never changes. The Fallout franchise certainly has, however. In 2008 Bethesda revived Interplay's famous "Post Nuclear Role Playing Game", moving from third person to first person, and from the west coast to the east coast. You are the Lone Wanderer, an outcast from Vault 101 who sacrifices a relatively easy life in order to brave the terrors of the post-apocalyptic Wasteland and find your Dad, whose mysterious departure from Vault 101 sets a chain of events in motion that will change the Capital Wasteland forever... This guide is intended to be the ultimate completionist's guide to Fallout 3. ¶The guide offers the following: - Every area in the game covered extensively including all side quests and main quests. - All the Bobbleheads, skill books and schematic locations. - A full trophy/achievement guide. - An in-depth information about character creation is also provided so you can create whatever Vault Dweller suits you best. - Good, evil and neutral alternatives to quests will be presented where applicable. Become the Last, Best Hope of Humanity... or add to the continuing sum of human misery in your selfish quest for survival. Sneak past foes, talk your way out of confrontations, shoot everything in the head, or create a character who can do it all. The Wasteland is a big, dangerous place, and this guide will help you experience as much as possible.

Game Strengths Nintendo and Shigeru Miyamoto have done it again! Mario Sunshine is a winning successor to Super Mario 64, the game many consider to be the best console title released on the N64 and the defining game for the 3D platform genre. Although gameplay in Mario Sunshine is similar to that of Super Mario 64, gamers can expect new moves, new enemies, and sprawling urban/suburban environments that are a departure from the fanciful areas of Mushroom Kingdom. Set in a coastal town, Mario must use his water cannon backpack to spray water on paint blotches that fall from the sky to preserve the beauty of his town. Mario himself is more detailed than ever, boasting a newly improved high-polygon count and detailed texturing. He also features an extensive facial animation system that displays various emotions including happy, confused, and even exhausted. Description/Sales Handle Mario is back for more adventure and excitement in Mario Sunshine, his exciting debut on Nintendo's GameCUBE. You'll be sure to run, smash, triple-jump, and slide your way to success with the help of Mario Sunshine: Prima'S Official Strategy Guide. We'll provide you with a complete walkthrough for every vast 3D level, including enemy stats and info, locations of all Sunshine Coins and other cool items, and tips for using Mario's all-new water cannon backpack to keep this beautiful world clean. With the help of Prima's Official Strategy Guide, you can't lose! Super Mario 64 Game Secrets: Unauthorized has sold more than 123,000 copies Competition Versus Books.

The year is 2281 - two hundred years after the old world was eradicated by nuclear fire - and now the New California Republic has become powerful along the western coast of what used to be the United State of America. They've expanded east into Nevada, but across the Colorado river to the east a united army of tribals - Caesar's Legion - have been organized under the guise of ancient Rome. War never changes, and impending conflict looms between the two sides, the prize being the Hoover Dam and control over the Mojave. Stuck in the middle are the residents of Nevada and the jewel in the desert; the city of New Vegas. But the mysterious overlord of New Vegas has his own plans for the future of the Mojave... You are Courier six, an employee of the Mojave Express who has been entrusted with delivering a mysterious Platinum Chip. The delivery goes horribly awry, however, and after you are robbed and nearly killed for the package you were carrying, you must set out in pursuit of your attackers. Along the way you'll have to navigate the political struggles between factions both large and small, making friends and enemies between the various groups as your actions in the Mojave influence your reputation. Ultimately, a new overlord of the Mojave will be crowned... but will you place that crown upon the brow of Caesar, the New California Republic, the mysterious ruler of New Vegas... or yourself? This guide offers the following: - Character creation strategies including a run-down of SPECIAL attributes, Skills and Perks. - An ideal chronological order of events walkthrough that will take you through the entire Mojave. - Complete walkthrough of all the main quests and side quests, including faction quests and endings. - A power-gamey New Vegas Medical Center run, for those gamers who want to get off to a great start. - Information about factions and reputation. - The locations of stat-boosting Skill Books, unique weapons and armor and collectible Snowglobes. - A Trophy Guide including detailed information (when necessary) about how to obtain all the game's trophies. - Old World Blues DLC.

With this guide, gamers can augment their game play. Complete walkthroughs and all the maps help players navigate the game. Character descriptions, and complete lists of items, monsters and magic are included.
