

## **Fashion Flair For Portrait And Wedding Photography**

***Utilising the high-impact techniques usually reserved for fashion photography, this book brings high-end professional treatment to regular portrait clients and photographers. Brystan, a professional photographer and former Elite model and makeup artist with extensive experience on all sides of fashion photography, here provides techniques that will help readers create portraits that look like they were pulled from the pages of a magazine, learning to tailor images to suit a client's look. Don't miss this unique book. Includes 60 full-colour photos.***

***A treasure trove of extraordinary images celebrating the elegance and flair of style icon C.Z. Guest—a true tastemaker known for her classic, understated American look who continues to influence fashion today. Celebrated for her beauty and personal style, C.Z. Guest transcended eras to become an enduring figure of good taste, appearing on the cover of Time magazine in 1962. A grande dame of high society, she lived the good life and was photographed by such legends as Irving Penn, Cecil Beaton, John Rawlings, and Slim Aarons. Despite her patrician upbringing, C.Z. was surprisingly modern, exerting influence over America's cultural landscape for fifty years, whether attending her close friend Truman Capote's Black and White Ball, dancing at Studio 54, or partying at Andy Warhol's Factory. Exploring her continuing influence in the spheres of society, fashion, and interiors, C.Z. Guest is full of stunning images, from her days as a young bride, photographed by Henri Cartier-Bresson, to her family life on her Long Island estate, Templeton, to her accomplishments as a gardener and her impeccable gardens, to her prominence in society, keeping company with everyone from Diego Rivera, Cecil Beaton, and Diana Vreeland to the Duke and Duchess of Windsor. With insightful contributions by today's top tastemakers, this is the first book on C.Z. Guest and a must for devotees of fashion and style.***

***Tall, skinny, short, round, squat, awkward, slouched, tanned, bashful, and sometimes unknowingly beautiful, the adolescents in Rineke Dijkstra's "Beach Portraits" stand alone, the ocean rolling behind them. Clad in little more than bathing suits, these young people are striking to behold. Remarkably clear and formally classical, each subject is frontally posed and shot straight on; the resulting photographs participate in a cold, quasi-scientific categorization reminiscent of the work of August Sander and Thomas Ruff. Yet Dijkstra's pictures are not just that--there is also something of the eccentric in them, something that comes closer to Diane Arbus's images. Seen together, the complete series of 20 "Beach***

***Portraits" creates a kind of collective portrait of the existential insecurity and awkward beauty of youth. Cecil Beaton was a fashion, portrait, and war photographer, a diarist, painter, interior designer and an Academy Award-winning stage and costume designer. He is one of the most celebrated portrait photographers of the twentieth century and is renowned for his images of elegance, glamour and style. Cecil Beaton combines Beaton's photographic and pen portraits. Ordered chronologically, these portraits offer insight, beauty, witty observations, and a fascinating glimpse into his world. Featured portraits include: Fred Astaire, Mick Jagger, Marlon Brando, Coco Chanel, Audrey Hepburn, Salvador Dali, Pablo Picasso, Andy Warhol, Marilyn Monroe, Queen Elizabeth, Winston Churchill, and many others Cecil Beaton's life spanned many worlds and these are captured here through his fabulous photographs and incisive pen portraits.***

Sometimes photographers have to shoot in less than ideal lighting situations. Maybe the wedding is mid-day in the middle of a field, or perhaps the event is in a florescent-lit room. These scenarios can be particularly intimidating for beginning photographers who don't know how to handle the many undesirable lighting situations they may encounter. In *Shooting in Sh\*tty Light*, professional photographers Lindsay Adler and Erik Valind cover the top ten worst lighting situations and provide a variety of solutions for each. They explain which solutions are most practical and why one option might be preferable over another, examining such problems as extremely low lighting when no flash is allowed, strong backlight, and the light on an overcast day. Unlike other books that focus on natural light or lighting in general, this book addresses a very real need of beginning photographers, answering the question, "What do I do when the lighting is terrible?" Lindsay and Erik candidly show you the tools at your disposal, demonstrating the techniques essential to getting the job done with minimal fuss. Shows how to deal with ten of the worst lighting situations, such as harsh midday light, extremely low light,

## Access Free Fashion Flair For Portrait And Wedding Photography

and mixed light. Offers real-life examples and practical solutions for handling poor light, such as identifying natural reflectors, bouncing light off a wall, or utilizing flash gels. Features a fun, conversational style to help you conquer the fear of poor lighting and approach any lighting situation with confidence!

New Art album "Silver Magic" consisting of 220 pages of information and more than 100 Art nude, portrait and fashion photos by world known photographer Igor Vasiliadis. Foreword in English, German, French and Russian. There are eBook versions of the book for iPhone, iPad, Sony reader and Kindle published in respective on-line stores. The photo images are made using 19th century authentic wet plate collodion technology with 8x10" camera on blackened silver plates. Pure sculptural beauty of women frozen with long exposures arise to antic esthetics. Born in Greece and raised in Russia, photographer Igor Vasiliadis began his photo journey at the age of 6 in B/W film. With over 100 magazine covers and hundreds of fashion stories under his belt and clients such as Flair (Italy), Spoon (USA), L'Officiel, VOGUE, Marie Clair, Gala, Shape, Hello!, L'Optimum, Playboy Int, Cosmopolitan, Cosmo Shopping, Men's Health, Maxim, FHM, LVMH and numerous other world famous fashion and Beauty brands. Numerous exhibitions in Paris, Vienna, Amsterdam, London and New York and Moscow among other places have presented different aspects of his art to the world. Igor Vasiliadis has been classified in Russia as the Top photographers by "Career" magazine. Vasiliadis' Russian exposure to Moscow, which is a gateway to fashion and top models worldwide has helped support his artistic ability to photograph some beautiful and unique subjects. Igor Vasiliadis evokes a provocative style, but still maintains an artistic quality to the images. You can really feel the vibrations of the moment through his images. In Vasiliadis' own words, "I love old techniques and equipment with long, up to one minute exposures, because

it gives time to the soul of my models to come out from deep inside. All vibrations of the body, all temporary emotions and insignificant thoughts reflections are averaged and disappear...All the magic of the real beauty stays and reinforces. Dark tonality, artifacts of drying emulsion and all the mystics brought by silver and cyanides create the world of mystery, covered from our eyes in temporary and momentary world."The world that Vasiliadis has captured in his photographs are a true example of art...one that has been shared and communicated so deeply with the audience. Truly magical pieces and one-of-a-kind. Vasiliadis shoots directly on blackened silver 8x10 plates activated with cadmium solts contained in emulsion - a procedure that is similar to wet plates used in the mid-nineteenth century, and modified with a technique that is truly his own. Then, they are scanned for large format prints or contact prints on albumen paper. This process gives us the signature look of Igor Vasiliadis' pieces.Vasiliadis shares his thoughts on the images, "Sometimes you see real angel wings in the final image, sometimes you are shivering from seeing succubus... Poisonous vapors of substances used in the process of developing and emulsion ether, change your consciousness to the stage when you see things in a different way. The Future and the past are visible and are parts of the Same."

Brooklyn style is eclectic, creative, and distinct from neighborhood to neighborhood. It's not about chasing labels. It is stylish on its own terms, and it's about dressing for real life. Brooklyn Street Style: The No-Rules Guide to Fashion explores what has made the borough a global fashion mecca and presents style advice from a host of Brooklyn tastemakers. This diverse crew of notable women in the design, fashion, food, and entertainment worlds includes style expert Mary Alice Stephenson, Girls costume designer Jenn Rogien, Urban Bush Babes blogger Cipriana Quann, Sleigh Bells's singer/beauty-industry activist Alexis Krauss, and award-winning actor/playwright Eisa Davis. Chapters distill what's happening in the borough today—from the maker movement to eco-conscious fashion—with more than 175 striking street-style photographs. Full of suggestions for both visitors and locals alike, the book's Brooklyn Guide offers a curated listing of the essential shops, markets, restaurants, and bars.

Each illustration will make you feel like a fashion designer, coloring the pages is also an effective and fun-filled way to relax and reduce stress.

Chinatown Pretty features beautiful portraits and heartwarming stories of trend-setting seniors across six Chinatowns. Andria Lo and Valerie Luu have been interviewing and photographing Chinatown's most fashionable elders on their blog and Instagram, Chinatown Pretty, since 2014. Chinatown Pretty is a signature style worn by pòh pohs (grandmas) and gùng gungs (grandpas) everywhere—but it's also a life philosophy, mixing resourcefulness, creativity, and a knack for finding joy even in difficult circumstances. • Photos span Chinatowns in San Francisco, Oakland, Los Angeles, Chicago, New York City, and Vancouver. • The style is a mix of modern and vintage, high and low, handmade and store bought clothing. • This is a celebration of Chinese American culture, active old-age, and creative style. Chinatown Pretty shares nuggets of philosophical wisdom and personal stories about immigration and Chinese-American culture. This book is great for anyone looking for advice on how to live to a ripe old age with grace and good humor—and, of course, on how to stay stylish. • This book will resonate with photography buffs, fashionistas, and Asian Americans of all ages. • Chinatown Pretty has been featured by

Vogue.com, San Francisco Chronicle, Design Sponge, Rookie, Refinery29, and others. • With a textured cover and glossy bellyband, this beautiful volume makes a deluxe gift. • Add it to the shelf with books like Humans of New York by Brandon Stanton, Advanced Style by Ari Seth Cohen, and Fruits by Shoichi Aoki.

The Clothing of Books

Shooting in Sh\*tty Light

Gorgeously repackaged, this reissue of the classic book presents the iconic photographer's expert and witty reminiscences of the personalities who inspired fashion's golden eras, and left an indelible mark on his own sense of taste and style. "The camera will never be invented that could capture or encompass all that he actually sees," Truman Capote once said of Cecil Beaton. Though known for his portraits, Beaton was as incisive a writer as he was a photographer. First published in 1954, *The Glass of Fashion* is a classic—an invaluable primer on the history and highlights of fashion from a man who was a chronicler of taste, and an intimate compendium of the people who inspired his legendary eye. Across eighteen chapters, complemented by more than 150 of his own line drawings, Beaton writes with great wit about the influence of luminaries such as Chanel, Balenciaga, and Dior, as well as relatively unknown muses like his Aunt Jessie, who gave him his first glimpse of "the grown-up world of fashion." Out of print for decades but recognized and sought after as a touchstone text, *The Glass of Fashion* will be irresistible to a new generation of fashion enthusiasts and a seminal book in any Beaton library. It is both a treasury and a treasure.

A brief introduction to the basic principles of creating a flattering pose accompanies chapters devoted to 12 acclaimed photographers who present and discuss their favorite, most successful, and most challenging photos. Widely regarded for their flattering, inventive, and cutting-edge posing techniques, these professionals cover why the pose was selected, how it complemented the subject and the scene, and how it works to make the subject look his or her best. The special challenge of group portraits is also covered by many of the contributors. Additional topics of discussion include personalized tips for learning the art of posing, common problems they see in portraits and their solutions, and suggestions and ideas for researching poses.

Glenda K. Harrison, freelance style contributor and creator of the blog, So What to Twenty, has long been enthusiastic about the subject of style. Spending her days inspiring women to identify and embrace their unique gifts, and fashion prowess, she noticed the meaning of style is often cast into a one dimensional story - usually referring to fashion, and relegated into what someone is wearing, when in fact, style is much more complex than sartorial pursuits, and extends beyond what the eye can see. After spending many years deciphering people who embody the characteristics of style, with clarity, Harrison takes us on a journey that cleverly unravels the intangible traits, as well as their wardrobe mastery, and then beautifully weaves together the person who encompasses this multi-faceted word. With the illustrations of Allison Taylor, True Style: A Look Beyond the Surface brings this subject to life, and puts substance and artistry into the true meaning of style.

Have you ever dreamed of having your own red carpet moment? Or wondered how to emulate the effortlessly chic style of the most photographed trendsetters? Or wished you could master the art of all things glamorous? In Style A to Z, Hollywood's hottest celebrity stylist, Rachel Zoe, shares her insider tips in this essential guide to the art of a fashionable, behind-the velvet-rope lifestyle. With an eye toward living the luxe life, even if it's on a dime, Zoe zeroes in on the must-have accessories and wardrobe staples for all occasions, when to splurge and save on handbags and heels, how to decorate, entertain, and travel in style. From award shows to advertising campaigns, Zoe is the go-to force among A-list actresses, fashion houses, beauty firms, and magazine editors. Now she offers full access to the style secrets that skyrocketed her famous clients to the top of best-dressed lists worldwide. With the help of some of fashion's biggest names-including Michael Kors, Donatella Versace, and Diane von Furstenberg-Zoe shares her invaluable insights on: Mastering red carpet moments in your own life Developing a style for work or play that's unstudied and glamorous Personalizing your own modern look by referencing your favorite style icons and vintage clothes The importance of the "wow" piece-and how to choose one right for you Throwing a chic dinner party and creating a luxuriously cozy living space Packing and traveling like a jet-setter Enjoying every day, living it up in style.

***This 1920's Fashion coloring book is great for all ages. Whether you like coloring inside the***

*lines or outside the lines... If you purchased the Happy Birthday 1920's Fashion Coloring Book then you will find the same 1920's fashion pages in this book as well. By popular demand, many people wanted a 1920's fashion coloring book that was not for a birthday. This is for you, my wonderful fans!! You will find 1920's fashion designs that were popular just after WWI. The US entered a prosperous era as a result of its role in the war. Social customs and morals were relaxed in the optimism brought on by the end of the war and the booming of the stock market. Women had just been given the vote and record numbers of women were working outside the home. Some of these fashionable women were called "Flappers"! This book is the perfect gift for a young lady, friend, spouse or family member who has everything or who will enjoy color designing each page to their own imagination. All the black and white images features some of the most popular fashions during the 1920's era for you to color design. There are 27 illustrations, both simple and complex, for you to creatively color away, while allowing yourself to relax and regroup. Each illustration is a single-sided page on 8 1/2" x 11" paper. I hope you enjoy these beautiful, intricate images. Please email me, I would love to hear from you and see your beautiful colored pages. Enjoy! America*

*Refinery29's Best Books of 2017 People Magazine May Pick Recommended Reading from the New York Post Every weekday morning, as the sun rose above Sixth Avenue, a peerless crop of women-frames poised, behavior polished, networks connected, and bodies generally buffed to a high sheen-were herded by the cattle prod of their own ambition to one particular building. They're smart, stylish, and sophisticated, even the one found dead in her office. When stylish Hillary Whitney dies alone in a locked, windowless conference room at the offices of RAGE Fashion Book, her death is initially ruled an unfortunate side effect of the unrelenting pressure to be thin. But Hillary's best friend and fellow RAGE editor Catherine Ono knows her friend's dieting wasn't a capital P problem. If beauty could kill, it'd take more than that. When two months later, a cryptic note in Hillary's handwriting ends up in the office of the NYPD and the case is reopened, Det. Mark Hutton is led straight into the glamorous world of RAGE and into the life of hot-headed and fiercely fabulous Cat, who insists on joining the investigation. Surrounded by a supporting cast of party girls, Type A narcissists and half-dead socialites, Cat and her colleague Bess Bonner are determined to solve the case and achieve sartorial perfection. But their amateur detective work has disastrous results, and the two ingénues are caught in a web of drugs, sex, lies and moisturizer that changes their lives forever. Viciously funny, this*

*Details the development of Michelle Obama's fashion sense; compares it to other recent first ladies' looks; and depicts her outfits on different occasions and her use of such signature styles and items as sleeveless tops, cardigans, and pearl necklaces.*

*The first-ever, comprehensive and authorized showcase of legendary fashion designer Bob Mackie's fabulous life and work, featuring hundreds of photos and dozens of never-before-seen sketches from his personal collection. Cher, Carol Burnett, Bette Midler, P!nk, Tina Turner, Elton John, Liza Minnelli, Angela Lansbury, Diana Ross, Beyoncé, RuPaul, and Madonna...what do they all have in common? All have been dressed by Bob Mackie. For nearly six decades, the iconic and incomparable Bob Mackie has been designing stunning, unforgettable clothing. His unique, glamorous—sometimes hilarious—creations have appeared on Broadway stages, TV screens, runways, and red carpets worldwide. For his pioneering genius and continual reinvention, he is a Tony Award and nine-time Emmy Award winner, a three-time Oscar nominee, and recipient of the Geoffrey Beene Lifetime Achievement Award from the Council of Fashion Designers of America. For the first time, he has granted full access to his archives and personal memories to the authors of this lavish celebration of his achievements. The Art of Bob Mackie is the first-ever comprehensive and fully authorized book showcasing Mackie's work, from his early days as a sketch artist for the legendary Edith Head at Paramount to his current, cutting-edge costumes for pop stars and line of accessible, wearable clothing for QVC. In addition to hundreds of glorious photos and dozens of dishy recollections from Mackie and his many muses, this gorgeous volume features never-before-seen sketches from throughout his prolific career, from Marilyn Monroe's iconic "Happy Birthday, Mr. President" gown to Carol Burnett's "Went with the Wind" curtain-rod dress, to Cher's show-stopping 1986 Oscar look. As other designers have burst onto the scene and faded out of fashion, Mackie has soared from success to success, always remaining relevant because he has always been spectacularly fashion-forward. With a foreword by Carol Burnett and an afterword by Cher, The Art of Bob Mackie is a stunning must-have for lovers of sequins, beads, and feathers; Broadway shows and classic television; pop music and pop culture; and fashion with incomparable flair.*

From the creator of the popular blog Advanced Style, photographer Ari Seth Cohen's Advanced Love collects affectionate portraits of subjects who prove that love is bound by neither the constraints of age or time. The book includes 40 profiles of inspiring couples from around the world, and more than 200 photos. The profiles explore themes of love and companionship through firsthand insight from the subjects; they share their stories of falling in love, what they have learned after decades of partnership, and valuable relationship advice. Advanced Love is a touching look at the often-ignored partnerships of the senior set. Filled with couples who have built their lives together, it's an indispensable trove of wisdom on love and the lessons they have learned along the way.

Fashion Flair for Portrait and Wedding Photography Course Technology

Primarily known for his colorful and vivacious portrayals of women, Rene Gruau revolutionized the concept of masculinity in fashion imagery and advertising from the 1950s to the '80s, depicting the modern casual, confident man with humor and sex appeal--including images of partial male nudity that were considered shocking at the time.

A powerful portfolio involves so much more than just a strong grasp of the technical aspects of photography--it's a complex mix of style, techniques, and intriguing ideas. Many photographers struggle to achieve a high-impact portfolio, feeling that they lack the creative spark to invigorate them and move their work forward. Creative 52 is that spark--and your guide to a new and more creative portfolio in just one year! A remedy for that "average" portfolio, this collection of innovative projects will help portrait, wedding, and fashion photographers build a portfolio that draws the attention of editors and clients--leaving the competition behind. While other how-to books often use bland imagery simply to prove a technical point, and many fine art books are filled with beautiful imagery but contain minimal (if any) educational insights to help working photographers, this book blends both: inspiration and knowledge that you can use to create images that attract potential clients. Divided into three parts--concept, technique, and post-processing--author Lindsay Adler's 52 challenges each contain a description of the project, potential inspiration and suggestions of other artists to check out, and her own unique solution to the challenge--all to push you beyond your comfort zone to explore new ideas and approaches to your work. Includes a year's worth of weekly projects that motivate you to experiment with new concepts, techniques, and software tools like Adobe Photoshop to achieve more eye-catching images Offers the cure for "expected" imagery, showing how to produce memorable photographs that are distinct from the competition, enabling you to reach new clients Empowers you with the encouragement and expertise necessary to create spectacular images

*A tween guide to personal fashion and flair reveals how true style is about expressing oneself in order to feel self-assured and confident in any situation. Includes information about various fashion personality types while sharing insider advice on how to track trends, shop on a budget and dress according to body type. Simultaneous.*

*Two estranged sisters find that forgiveness never goes out of style when they inherit their mother's vintage jackets, purses... and pearls of wisdom Estranged half-sisters Gabrielle Winslow and Lulu Quattro have only two things in common: mounds of debt and coils of unresolved enmity toward Bette Bradford, their controlling and imperious recently deceased mother. Gabrielle, the firstborn, was raised in relative luxury on Manhattan's rarefied Upper East Side. Now, at fifty-five, her life as a Broadway costume designer married to a heralded Broadway producer has exploded in divorce. Lulu, who spent half her childhood under the tutelage of her working-class Brooklyn grandparents, is a grieving widow at forty-eight. With her two sons grown, her life feels reduced to her work at the Ditmas Park bakery owned by her late husband's family. The two sisters arrive for the reading of their mother's will, expecting to divide a sizable inheritance, pay off their debts, and then again turn their backs on each other. But to their shock, what they have been left is their mother's secret walk-in closet jammed with high-end current and vintage designer clothes and accessories— most from Chanel. Contemplating the scale of their mother's self-indulgence, the sisters can't help but wonder if Lauren Weisberger had it wrong: because it seems, in fact, that the devil wore Chanel. But as they being to explore their mother's collection, meet and fall in love with her group of warm, wonderful friends, and magically find inspiring messages tucked away in her treasures — it seems as though their mother is advising Lulu and Gabrielle from the beyond — helping them rediscover themselves and restore their relationship with each other.*

*From yearbook advertisements, postcard mailings, and promotions to website development and digital graduation announcements, every corner of the teen and senior portrait market is covered in this book of advice. Featuring the artistry of top senior portrait experts, this book showcases the blending of posing techniques with creative compositional and design methods in order to capture each subject's full personality. *The No-Rules Guide to Fashion*

When photographing people, you can have a great composition, perfect light, and the right camera settings, but if your subject doesn't look right—if the pose is off—the shot will not be a keeper. Posing is truly a crucial skill that photographers need to have in order to create great photographs. If you're looking to improve your ability to pose your subjects—whether they're men, women, couples, or groups—best-selling author and photographer Lindsay Adler's *The Photographer's Guide to Posing: Techniques to Flatter Everyone* is the perfect resource for you. In the first half of *The Photographer's Guide to Posing*, Lindsay discusses how the camera sees, and thus how camera angle, lens choice, and perspective all affect the appearance of your subject. Lindsay then covers things that ruin a pose—such as placement of the hands, and your subject's expression and posture. Next, Lindsay dives into “posing essentials,” outlining her approach to start with a “base pose,” then build on that to create endless posing opportunities. She also discusses posing the face—with specific sections dedicated to the chin, jaw, eyes, and forehead—as well as posing hands. In the second half of the book, Lindsay dedicates entire chapters to posing specific subject matter: women, men, couples, curvy women, families and small groups, and large groups. In each chapter, Lindsay addresses that subject matter's specific challenges, provides “go-to poses” you can always use, and covers how to train the eye to determine the best pose for your subject(s). Lindsay also teaches you how to analyze a pose so that you can create endless posing opportunities and continuously improve your work.

**FASHION FLAIR FOR PORTRAIT AND WEDDING PHOTOGRAPHY** shows photographers how to apply the concepts of fashion photography, including preparation, styling, props, lighting, posing, and post-processing, to their portrait and wedding photography. This practical guide demonstrates how using fashion photography concepts and ideas in your work helps you stand out against your competition, grow your business, and make your work more lucrative. You'll learn how to prepare for a shoot, including choosing the location, wardrobe, hair, makeup styling, and poses, as well as considering the lighting and equipment. You'll also find in-camera techniques, fashion lighting essentials, Photoshop techniques, and a variety of other tricks to achieve the fashion flair aesthetic. Finally, you'll discover business and marketing tips, including useful social networking sites, products, and services to help you maximize the fashion flair approach and make it work for you. By offering portrait and wedding clients something unique, they'll seek you out for striking and powerful imagery that

really stands out and offers an experience they won't forget.

From the founding of the Ottoman dynasty by Osman Gazi to Suleyman the Magnificent's legendary territorial conquests, the legacy of the 36 Ottoman sultans has undeniably left its mark throughout the course of history. Featuring exquisite portraits and lavishly decorated caftans, this large-format volume beautifully presents imagery that speaks to the magnificence of the Ottoman Empire and its powerful sultans. By Nurhan atasoy - 13 x 16.5 in - 33 x 42 cm - 128 pages - 74 illustrations

The unrivaled portfolio of one of the 20th century's great fashion photographers is examined in this survey featuring dazzling original prints from Parkinson's own archive From his first outdoor fashion shoot in 1935, Norman Parkinson's "moving pictures taken with a still camera" brought glamour and inventiveness to fashion photography. He set the New Look against the New York skyline, Quant dresses in swinging London, and Calvin Klein and Krizia in exotic locations from Tahiti to Tobago. "If a girl looks like a model, she is not for my lens," said Parks. He wanted energy and individuality, and found it in women like Wenda, the willowy actress he married in 1947, Celia Hammond, Jerry Hall, Iman, and Appollonia van Ravenstein. Parkinson's long association with Vogue and his numerous assignments for Harper's Bazaar, Queen, and other international magazines brought him fame and recognition?in return he gave the fashion world ineffable style and unforgettable images.

Fashion Flair for Portrait and Wedding Photography

Style A to Zoe

*A gorgeous publication that reveals the historical importance of first ladies through portraiture. Each first lady has brought her own priorities and flair to the position that has never been officially defined. They have served as hostesses, trendsetters, activists, and political players. First Ladies of the United States features 84 portraits of the nation's first ladies, as varied in style and representation as the individual women they depict. From watercolors and oil paintings to engravings and photographs, this book celebrates the legacy of first ladies throughout history. First ladies are some of the most scrutinized public figures in the country, praised or criticized on everything from their fashion to their level of political involvement. There's no better way to explore their visibility and lasting impact than with First Ladies of the United States, which places remarkable portraits alongside an insightful essay and lively entries that illuminate the history of the women who have shaped the White House.*

*For years, editorial and commercial photographer Zack Arias has been a respected and trusted voice in the photography industry. Known for his photography, his teaching, and his ability to connect with photographers, Zack has long had an "open door" approach to discussing his career—the ups and the downs—and in so doing has provided a straightforward and candid look inside the industry. By consistently showing great work and offering helpful advice, he has built a large, loyal readership that looks to him*

*for guidance in navigating the currents of a difficult and dynamic industry. Now, Zack finds yet another way to cut through the noise and offer truly valuable information to those struggling to make their way through the twists and turns of an ever-changing landscape. In Photography Q&A, Zack answers over 100 questions that he fielded directly from the public. These are questions that range across all aspects of the photo industry: gear, marketing, street photography, vision, pricing, branding, light, models, work/life balance, technical advice, and much more. From how to “put yourself out there” and start to get jobs, to how to get paid for those jobs when the client is slow to cut the check—and everything in between— Photography Q&A answers many of the pressing questions that photographers are asking, but until now have not been addressed. The book also includes intermittent “Visual Intermission” sections—where Zack discusses individual images that were milestones in his development as a photographer—as well as worksheets on topics such as pricing and costs that help photographers to “know their numbers.” With all this material, and with insightful, honest answers that come straight from Zack’s experience as a photographer who has seen it all (or at least a lot of it), Photography Q&A is an essential resource for any photographer looking for the real answers to the real questions in the industry today.*

*Get inspired to craft your world with these stylish and imaginative duct tape creations. Celebrity crafter Marisa Pawelko shows how to cut, rip, layer and fold colorful duct tape to concoct fantastic fashions, school supplies and room decor. With step-by-step instructions and how-to pictures, Marisa reveals the 9 skills every taster needs to know, along with 24 of her best DIY duct tape projects.*
