**WINNER OF THE RSL ONDAATJE PRIZE 2019 AN ECONOMIST BOOK OF THE YEAR A CBC BOOK OF THE YEAR** *The extraordinary story of an indomitable 95-year-old woman - and of the most extraordinary century in Ethiopia's history. A new Wild Swans*

**Completely updated for Django 4.0 & Django REST Framework 3.13!** *Django for APIs is a project-based guide to building modern web APIs with Django & Django REST Framework. It is suitable for beginners who have never built an API before as well as professional programmers looking for a fast-paced introduction to Django fundamentals and best practices. Over the course of 200+ pages you'll learn how to set up a new project properly, how web APIs work under the hood, and advanced testing and deployment techniques. Three separate projects are built from scratch with progressively more advanced features including a Library API, Todo API, and Blog API. User authentication, permissions, documentation, viewsets, and routers are all covered thoroughly. Django for APIs is a best-practices guide to building powerful Python-based web APIs with a minimal*

***legendary story master Robert McKee -- STORYNOMICS translates the lessons of storytelling in business into economic and leadership success. Robert McKee's popular writing workshops have earned him an international reputation. The list of alumni with Academy Awards and Emmy Awards runs off the page. The cornerstone of his program is his singular book, Story, which has defined how we talk about the art of story creation. Now in STORYNOMICS, McKee partners with digital marketing expert and Skyword CEO Tom Gerace to map a path for brands seeking to navigate the rapid decline of interrupt advertising. After successfully guiding organizations as diverse as Samsung, Marriott International, Philips, Microsoft, Nike, IBM, and Siemens to transform their marketing from an ad-centric to story-centric approach, McKee and Gerace now bring this knowledge to business leaders and entrepreneurs alike. Drawing from dozens of story-driven strategies and case studies taken from leading B2B and B2C brands, STORYNOMICS demonstrates how original storytelling delivers results that surpass traditional advertising. How will brands and their customers connect in the future? STORYNOMICS provides the answer.***

***Sound coming from outside the field of vision, from somewhere beyond, holds a privileged place in the Western imagination. When separated from their source, sounds seem to manifest transcendent realms, divine powers, or supernatural forces. According to legend, the philosopher Pythagoras lectured to his disciples from behind a veil, and two thousand years later, in the age of absolute music, listeners were similarly fascinated with disembodied sounds, employing various techniques to isolate sounds from their sources. With recording and radio came spatial and temporal separation of sounds from sources, and new ways of composing music. Sound Unseen: Acousmatic Sound in Theory and Practice explores the phenomenon of acousmatic sound. An unusual and neglected word, "acousmatic" was first introduced into modern parlance in the mid-1960s by avant garde composer of musique concrète Pierre Schaeffer to describe the experience of hearing a sound without seeing its cause. Working through, and often against, Schaeffer's ideas, Brian Kane presents a powerful argument for the central yet overlooked role of acousmatic sound in music aesthetics, sound studies, literature, philosophy and the history of the senses. Kane investigates acousmatic sound from a number of methodological***

***perspectives -- historical, cultural, philosophical and musical -- and provides a framework that makes sense of the many surprising and paradoxical ways that unseen sound has been understood. Finely detailed and thoroughly researched, Sound Unseen pursues unseen sounds through a stunning array of cases -- from Bayreuth to Kafka's "Burrow," Apollinaire to Zizek, music and metaphysics to architecture and automata, and from Pythagoras to the present-to offer the definitive account of acousmatic sound in theory and practice. The first major study in English of Pierre Schaeffer's theory of "acousmatics," Sound Unseen is an essential text for scholars of philosophy of music, electronic music, sound studies, and the history of the senses.***

*This title looks at the story of African literature and its dissemination in the latter half of the 20th century.*

*An account and analysis of the systematic murder of women and girls in the Mexican border town of Ciudad Juárez. In Ciudad Juarez, a territorial power normalized barbarism. This anomalous ecology mutated into a femicide machine: an apparatus that didn't just create the conditions for the murders of dozens of women and little girls, but developed the institutions that guarantee impunity for those crimes and even legalize them. A lawless city sponsored by a State in crisis. The facts speak for themselves.*

*—from The Femicide Machine Best known to American readers for his cameo appearances as The Journalist in Roberto Bolano's 2666 and as a literary detective in Javier Marías's novel Dark Back of Time, Sergio González Rodríguez is one of Mexico's most important contemporary writers. He is the author of Bones in the Desert,*

*the most definitive work on the murders of women and girls in Juárez, Mexico, as well as The Headless Man, a sharp meditation on the recurrent uses of symbolic violence; Infectious, a novel; and Original Evil, a long essay. The Femicide Machine is the first book by González Rodríguez to appear in English translation. Written especially for Semiotext(e) Intervention series, The Femicide Machine synthesizes González Rodríguez's documentation of the Juárez crimes, his analysis of the unique urban conditions in which they take place, and a discussion of the terror techniques of narco-warfare that have spread to both sides of the border. The result is a gripping polemic. The Femicide Machine probes the anarchic confluence of global capital with corrupt national politics and displaced, transient labor, and introduces the work of one of Mexico's most eminent writers to American readers.*

*When the sister who delighted their parents by her faithful embrace of Mexican culture dies in a tragic accident, Julia, who longs to go to college and move into a home of her own, discovers from mutual friends that her sister may not have been as perfect as believed.*

**In a novel-in-verse that brims with grief and love, National Book Award-winning and New York Times bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance—and Papi's secrets—the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like they've lost everything of their father, they learn of each other. Great for summer reading or anytime!**

**Clap When You Land is a Today show pick for "25 children's books your kids and teens won't be able to put down this summer!" Plus don't miss Elizabeth Acevedo's The Poet X and With the Fire on High!**

**Demon activity is unmasked in this classic new book by Dag Heward-Mills. Using the testimony of the mad man of Gadara, he shows the way to victory over demons and evil spirits. Contains the articles by Ellen G. White which appeared in the book A Solemn Appeal Relative to the Solitary Vice and Abuses and Excesses of the Marriage Relation, published in 1870 by the Steam Press of Battle Creek. Articles include Appeal to Mothers, The Marriage Relation, Obedience to the Law of God, Female Modesty, and Sentimentalism. About the Author Ellen Gould (Harmon) White, co-founder of the Seventh-day Adventist Church, writer, lecturer, and counselor, and one upon whom Seventh-day Adventists believe the gift of prophecy was bestowed, was born in Gorham, Maine, November 26, 1827, one of eight children of Robert and Eunice Harmon. During her seventy years of active service to the**

**church, she found time to write voluminously. She is credited with having written 100,000 manuscript pages. This remarkable legacy to the church could alone have occupied Ellen White's entire life, had she dedicated her time to little else but writing. However, her service for the church embraces much more than writing. Her diaries tell of her public work, her travels, her personal labor, hostessing, contacts with neighbors, as well as of her being a mother and housewife. God blessed her abundantly in these activities. Her ambitions and concerns, her satisfactions and joys, her sorrows--her whole life--were for the advancement of the cause she loved. Ellen G White is reputed to be the most translated woman author and the most translated author in American history. After a full life dedicated to the service of God and others, she died on July 16, 1915, confidently trusting in Him whom she believed.**

Internationally renowned, award-winning theoretical physicist, New York Times bestselling author of *A Universe from Nothing*, and passionate advocate for reason, Lawrence Krauss tells the dramatic story of the discovery of the

hidden world of reality—a grand poetic vision of nature—and how we find our place within it. In the beginning there was light. But more than this, there was gravity. After that, all hell broke loose... In *A Universe from Nothing*, Krauss revealed how our entire universe could arise from nothing. Now, he reveals what that something—reality—is. And, reality is not what we think or sense—it's weird, wild, and counterintuitive; it's hidden beneath everyday experience; and its inner workings seem even stranger than the idea that something can come from nothing. In a landmark, unprecedented work of scientific history, Krauss leads us to the furthest reaches of space and time, to scales so small they are invisible to microscopes, to the birth and rebirth of light, and into the natural forces that govern our existence. His unique blend of rigorous research and engaging storytelling invites us into the lives and minds of the remarkable, creative scientists who have helped to unravel the unexpected fabric of reality—with reason rather than superstition and dogma. Krauss has himself been an

active participant in this effort, and he knows many of them well. The Greatest Story challenges us to re-envision ourselves and our place within the universe, as it appears that "God" does play dice with the universe. In the incisive style of his scintillating essays for The New Yorker, Krauss celebrates the greatest intellectual adventure ever undertaken—to understand why we are here in a universe where fact is stranger than fiction.

"I am most grateful for two things: that I was born in North Korea, and that I escaped from North Korea." - Yeonmi Park

"One of the most harrowing stories I have ever heard - and one of the most inspiring." - The Bookseller "Park's remarkable and inspiring story shines a light on a country whose inhabitants live in misery beyond comprehension.

Park's important memoir showcases the strength of the human spirit and one young woman's incredible determination to never be hungry again." -Publishers Weekly In In Order to Live, Yeonmi Park shines a light not just into the darkest corners of life in North Korea, describing the deprivation

and deception she endured and which millions of North Korean people continue to endure to this day, but also onto her own most painful and difficult memories. She tells with bravery and dignity for the first time the story of how she and her mother were betrayed and sold into sexual slavery in China and forced to suffer terrible psychological and physical hardship before they finally made their way to Seoul, South Korea—and to freedom. Park confronts her past with a startling resilience. In spite of everything, she has never stopped being proud of where she is from, and never stopped striving for a better life. Indeed, today she is a human rights activist working determinedly to bring attention to the oppression taking place in her home country. Park's testimony is heartbreaking and unimaginable, but never without hope. This is the human spirit at its most indomitable.

Ethiopia is one of the world's oldest countries; its Rift Valley may be the location where the ancestors of humankind originated more than four million years ago. With a

population of 67 million people today, it is the third most populous country on the African continent after Nigeria and Egypt. It is the source of 86 percent of the water reaching the Aswan Dam in Egypt, most of it carried by the amazing Blue Nile. Ethiopia offers major historical sites such as the pre-Christian palace at Yeha, the stele and tombs of the old Kingdom of Axum, and the rock-carved churches of Lalibela. For anyone interested in Ethiopia, this historical dictionary, through its individual and carefully cross-referenced entries, captures the importance and intrigue of this truly significant African nation. Historical Dictionary of Ethiopia appeals to all levels of readers, providing entries for each of Ethiopia's 85 ethnic groups and covering a broad range of cultural, political, and economic topics. Readers interested in the cultural aspects or who are planning to visit Ethiopia will find a wealth of entries on art, literature, handicrafts, music, dance, bird life, geography, and historic tourist sites. Practitioners in government and non-governmental organizations will find

entries on pressing economic, social, and political issues such as HIV/AIDS, female circumcision, debt, human rights, and the environment. The important historical role of missionaries and the combination of conflict and cooperation between Christians and Muslims in the region are also issues reviewed. And, finally, many of the entries highlight relations between Ethiopia and her neighbors—Eritrea, Somalia, Somaliland, Djibouti, Kenya, and Sudan. In the bibliography, considerable emphasis has been placed on including both new and old materials covering all facets of Ethiopia, organized for easy identification by areas of major interest.

On the occasion of her acceptance of the National Book Foundation Medal for Distinguished Contribution to American Letters on the sixth of November, 1996, Nobel laureate Toni Morrison speaks with brevity and passion to the pleasures, the difficulties, the necessities, of the reading/writing life in our time. "She was our conscience. Our seer. Our truth-teller." —Oprah Winfrey

Haddis Alemayehu's "Fikir Eske Mekabir"

I Am Not Your Perfect Mexican Daughter

***Over the past decade, Ethiopian films have come to dominate the screening schedules of the many cinemas in Ethiopia's capital city of Addis Ababa, as well as other urban centers. Despite undergoing an unprecedented surge in production and popularity in Ethiopia and in the diaspora, this phenomenon has been broadly overlooked by African film and media scholars and Ethiopianists alike. This collection of essays and interviews on cinema in Ethiopia represents the first work of its kind and establishes a broad foundation for furthering research on this topic. Taking an interdisciplinary approach to the topic and bringing together contributions from both Ethiopian and international scholars, the collection offers new and alternative narratives for the development of screen***

***media in Africa. The book's relevance reaches far beyond its specific locale of Ethiopia as contributions focus on a broad range of topics—such as commercial and genre films, diaspora filmmaking, and the role of women in the film industry—while simultaneously discussing multiple forms of screen media, from satellite TV to “video films.” Bringing both historical and contemporary moments of cinema in Ethiopia into the critical frame offers alternative considerations for the already radically changing critical paradigm surrounding the understandings of African cinema.***

***This is a fascinating portrait of Ethiopian writers of fiction of the 20th century and an in-depth analysis of the history of the development of Amharic literature and those who have shaped it. The range of writers covered varies from the aristocrats, educators and pioneers to the latest revolutionary writers. A vivid picture of the personal development and progress of these writers is given, as well as the impact these writers have had on Ethiopian society at large in changing old ideas, contributing towards the modernization of the country and***

***revolutionizing the educational, social and political systems. All in all, this volume presents the portraits and sketches of thirty-two Ethiopian writers, including such notable literary giants as Hiruy Welde-Sillase, Girmacchew Tekle-Hawariyat, Kebede Mikael, Haddis Alemayehu, Abbe Gubennya, Mammo Widdneh, Tsegaye Gebre-Medhin, Mengistu Lemma, Dannyachew Werqu, Birhanu Zerihun, and last but not least Be'alu Girma.***

***Paul Keating is widely credited as the chief architect of the most significant period of political and economic reform in Australia's history. Twenty years on, there is still no story from the horse's mouth of how it all came about. No autobiography. No memoir. Yet he is the supreme story-teller of politics. This book of revelations fills the gap. Kerry O'Brien, the consummate interviewer who knew all the players and lived the history, has spent many long hours with Keating, teasing out the stories, testing the memories and the assertions. What emerges is a treasure trove of anecdotes, insights, reflections and occasional admissions from one of the most loved and***

***hated political leaders we have known-a man who either led or was the driving force through thirteen years of Labor government that changed the face of Australia. This is a man who as prime minister personally negotiated the sale of a quarter of the government-owned Qantas in his own office for \$665 million, then delighted in watching the buyer's hand shake so much that champagne spilt down his shirtsleeve. He tells of his grave moment of doubt after making one of the riskiest calls of his political life, and how he used an acupuncturist and a television interviewer to seize the day. There are many stories of this kind. The revealing inside stories and even glimpses of insecurities that go with the wielding of power, from a man who had no fear collecting his share of enemies and ended up with more than enough, but whose parliamentary performances from 25 years ago are watched avidly on YouTube today by a generation that was either not yet born or in knee pants when he was at his peak. We'll never get an autobiography or a memoir from Keating. This is as good as it gets-funny, sweeping, angry, imaginative,***

***mischievous, with arrogance, a glimmer of humility and more than a touch of creative madness. Keating unplugged. For use in schools and libraries only. International Journal of Ethiopian Studies (IJES) is an interdisciplinary, refereed journal dedicated to scholarly research relevant to or informed by the Ethiopian experience. IJES publishes two issues a year of original work in English and Amharic to readers around the world. Established in 2002, the IJES is dedicated to the research and study of Ethiopia and the Horn of Africa. The journal contains original articles, reviews, and features filled with relevant, in-depth information on important issues. It serves as a venue for the sharing and cross fertilization of research by scholars.

working on issues that matter to the region and promotes important voices internationally. PUBLISHER & EDITORIAL DIRECTOR Elias Wondimu, Loyola Marymount University SENIOR EDITORS Alemayehu Gebremariam, California State University, San Bernardi Maimire Mennasemay, Dawson College Theodore Vestal, Oklahoma State University BOOK REVIEW EDITOR Fikru Gebrekidan, St. Thomas University

Many young people and their families sacrifice a lot for the sake of pursuing a good education. Some leave their loved ones and dear friends behind to cross boundaries and even oceans, besides footing the bill for college education. But what if, in spite of apparent academic success, and with it improved career prospects, you still wonder where your life is headed? What if your new reality doesn't match your expectations and instead of mere homesickness, you succumb to loneliness, instead of fulfilling your dreams, you flounder for want of direction and wholeness? ERMIAS is a story about a young African student who comes to Europe in pursuit of a good education, but the way struggles to determine what differentiates his primary desire from all other desires, including the desire to fall in love with a married woman.

This anthology, which is the first of its kind ever on Ethiopian literature, aspires to provide insights into a body of literature which had been marginalized more than other post-colonial literatures. The articles collected here trace and analyze the develop-

of Ethiopian languages and literatures from Ge'ez to the first Amharic novel, T'ob  
In an attempt to create balance, effort has also been made to incorporate repre  
critical works from almost all modern literary forms. This collection intends to p  
readers with a general insight and an increased awareness of the richness of Et  
literature. The volume brings together a number of scholars and practitioners of  
world whose interest in the subject matter is rivaled only by an equally compelli  
interest in reading and situating Ethiopian literature in the wider context of wor  
literature. In this sense, other scholars and interested readers will have at their  
the means/tools to engage in inter- and intra-literary studies. Since this volume  
pre-cursorial contour, and since it is the first, it is hoped that it will engender  
discussion and pique the interest of the reading public.

Ethiopian Amharic Phrasebook 2nd Edition

You Are Not Alone

**This magisterial history of African literature is an essential resource for specialists and students.**

**Hot Ice, Cold Blood is a sequel to A Letter for Hoot. This is a page turning thriller, tinged with a bit of romance.**

**This is the first complete English translation of Bealu Girma's classic. Originally published in 1983 in Ethiopia, the novel served as a critical account of the Red Star Campaign, the Communist Derg government's attempt at a final comprehensive victory over the secessionist rebellion in Eritrea. A passionate and turbulent story of love and war, Oromay mocked high-level members of Ethiopia's communist regime and criticized the Derg's actions in Eritrea. The criticism contained in this incisive political allegory put Bealu in considerable danger owing to the repressive environment in which it was published. The novel was almost immediately banned after publication. Government officials attempted to confiscate all available copies but bootleg versions continued to circulate. In the aftermath, Bealu was fired from his job in Ethiopia's Ministry of Information and a few months later disappeared. It is generally believed that he was abducted and killed on the orders of government officials in retaliation for Oromay. Bealu's life had a dramatic arc of its own. Born in rural Ethiopia to an Ethiopian mother and Indian father, he was a graduate of Addis Ababa University and later studied**

**journalism in the United States. In addition to serving as editor of several of Ethiopia's most respected magazines and newspapers (including Addis Zemen and The Ethiopian Herald) he also worked as a civil servant in Ethiopia's Ministry of Information. This position allowed him access to government officials during both the Imperial and Communist governments. Prior to Oromay, he wrote five other popular and critically-acclaimed Amharic-language novels: Beyond the Horizon, The Bell of Conscience, The Call of the Red Star, Haddis, and The Author. His integrity as a journalist, courageous criticism of repressive regimes, and martyrdom to the cause of literary freedom make him a significant figure in modern Ethiopian history and Amharic literature.**
