The Assessment CD/CD-ROM provides a complete assessment program, including oral and written quizzes, as well as mid-term and final tests in printable PDF and Microsoft Word formats.

This is a book on seismology dealing with advanced aspects of wave propagation in complex media. It can also be viewed as a book on mathematical modelling, wherein the accuracy of describing seismic phenomena exemplifies the modelling itself. The book gives an insight into the power of abstractness by applying the same mathematical methods and strategies to solve a variety of different physical problems. This book covers a broad range of topics in an advanced yet accessible manner. Each chapter is accompanied by a number of solved exercises, which render the book convenient for a lecturer and facilitate its use for an independent study. The details of mathematical methods are discussed in the appendices, which form a substantial portion of the book.

Passages, Second Edition, is a thoroughly revised edition of Passages, the successful two-level, multi-skills course that takes adult and young-adult learners of English from the high-intermediate to advanced level. The Interchange Third Edition/Passages Second Edition Placement and Evaluation Package contains three versions of a placement test designed to help teachers determine the level of Interchange Third Edition or Passages Second Edition best suited to their students. The Package also contains two versions of midterm and final tests for each level of Interchange and Passages, which assess students' mastery of materials introduced in both series. The package is composed of a photocopiable testing book and two Audio CDs and includes all answer keys and scripts, as well as complete guidelines on how to administer the tests.

Interchange Student's Book 2 with Audio CD

Interchange Third Edition is a fully revised edition of New Interchange, the world's most successful series for adult and young adult learners of North American English. The course has been thoroughly revised to reflect the most recent approaches to language teaching and learning. It remains the innovative series teachers and students have grown to love, while incorporating suggestions from teachers and students all over the world. This edition offers updated content in every unit, additional grammar practice, and more opportunities to develop speaking and listening skills. Interchange Third Edition features contemporary topics and a strong focus on both accuracy and fluency. Its successful multi-skills syllabus integrates themes, grammar, functions, vocabulary, and pronunciation. The underlying philosophy of the course remains that language is best learned when it is used for meaningful communication. Written in American English, Interchange Third Edition reflects the fact that English is the major language of international communication and is not limited to any one country, region or culture.
