**Weygandt helps corporate managers see the relevance of accounting in their everyday lives. Challenging accounting concepts are introduced with examples that are familiar to them, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, corporate managers will learn the concepts and understand how to effectively apply them.**

**To be a successful manager, you need to understand how foundational managerial accounting concepts apply to the business world. Managerial Accounting, 7th edition helps students make direct connections between the classroom and the boardroom by presenting robust cases and managers' comments on real company issues.
