\* And much, much more...
Grab this book right now while the FREE investment strategies report is still available as your bonus!

The inside story of the laptop that exposed the President's dirtiest secret. When a drug-addled Hunter Biden abandoned his waterlogged computer at a Mac repair shop in Delaware in the spring of 2019, just six days before his father announced his candidacy for the United States presidency, it became the ticking time bomb in the shadows of Joe Biden's campaign. The dirty secrets contained in Hunter's laptop almost derailed his father's presidential campaign and ignited one of the greatest media coverups in American history. This is the unvarnished story of what's really inside the laptop and what China knows about the Bidens, by the New York Post journalist who brought it into the open. It exposes the coordinated censorship operation by Big Tech, the media establishment, and former intelligence operatives to stifle the New York Post's coverage, in a chilling exercise of raw political power three weeks before the 2020 election. A treasure trove of corporate documents, emails, text messages, photographs, and voice recordings, spanning a decade, the laptop provided the first evidence that President Joe Biden was involved in his son's ventures in China, Ukraine, and beyond, despite his repeated denials. This intimate insight into Hunter's dissolute lifestyle shows he was incapable of holding down a job, let alone being paid tens of millions of dollars in high-powered international business deals by foreign interests, unless he had something else of value to sell—which of course he did. He was the son of the vice president who would go on to become the leader of the free world.

Fourteen-year-old Kevin is a hard worker, so when his income is cut off he begins a series of businesses, from poker games to selling snacks, earning money to take a girl to a dance, but his partners soon tire of his methods.

Going from Flat Broke to Great Wealth with Creative Financing

**Kevin doesn't mean to make trouble when he lies. He's just really good at it, and it makes life so much easier. But as his lies pile up, he finds himself in big-and funny-trouble with his friends, family, and teachers. He's got to find a way to end his lying streak--forever.**

**This text explores the impact of recent welfare reform on motherhood, marriage, and work in women's lives. It also focuses on what welfare reform reveals about work and family life, and its impact on us all.**

**"The New York Times bestselling business journalist Christopher Leonard infiltrates one of America's most mysterious institutions—the Federal Reserve—to show how its policies over the past ten years have accelerated income inequality and put our country's economic stability at risk."**

**The story of Doyle Brunson, an American treasure and the greatest poker player of all time, is one for the ages. Its a story of guts and glory, of good luck and bad, of triumph and unspeakable tragedy, of courage and grace. He has survived whippings, gun fights, stabbings, mobsters (the real-life ones portrayed in the movie Casino), murderers, and a death sentence when, riddled with incurable cancer, he was given months to live by doctors who told him his hand was played out.A master of the bluff, his most outrageous bluff came after being pistol-whipped and told hes going to die with a gunman pointing a pistol at his forehead. Again, he lived. Brunson has seen it all: from the athletic dreams and a leg shattered by a freak injury which waylaid his path to the NBA (he was drafted by the Lakers), to the devastating death of his first-born daughter, to outrageous exploits like trying to discover Noah Ark and raise the Titanic. Doyle's rollercoaster of a life defines the saying: Truth is stranger than fiction.Twice a winner of the prestigious World Series of Poker in Las Vegas, he's won millions and lost millions sometimes in seconds but decidedly more of the former than the latter. Brunson can still be found playing in the highest stakes poker games in the world, often with as much as one million dollars in front of him. To every one of the 250 million people worldwide who play poker each year, Doyle Brunson, is the legendary Babe Ruth of Poker the greatest gambler and poker player who has ever lived.**

A down-to-earth cookbook that proves you don't need a lot of money to create nutritious, beautiful meals at home. In this winsome cookbook, blogger Emily Wight offers fantastic recipes, ideas, and advice on how to prepare imaginative, nutritious, and delectable meals without breaking the bank. Perfect for students, families, and anyone on a budget. Well-Fed, Flat Broke proves that while you may occasionally be flat broke, you can always be well fed. This collection of 120 recipes ranges from the simple (perfect scrambled eggs, rice and lentils) to the sublime (Orecchiette with White Beans and Sausage, Mustard-fried Chicken). Chapters are organized by ingredient so that you can easily build a meal from what you have on hand. Well Fed, Flat Broke has flavours to please every palate including Thai, Dutch, Indonesian, and Latin American-inspired recipes such as Kimchi Pancakes, Salvadoran Roast Chicken, and Pantry Kedgeree, reflecting a diverse array of affordable ingredients and products in grocery stores, markets, and delis. Emily is a working mother and wife who lives with a picky toddler in one of Canada's most expensive cities. She offers readers real-talk about food, strategic shopping tips, sound advice for picky eaters, and suggestions on how to build a well-stocked, yet inexpensive pantry. Cooking every night can be challenging for busy families who are short on time and lean in budget; Emily includes plenty of one-pot dishes to keep everyone healthy, full, and happy. With friendly charm and practical advice, Well Fed, Flat Broke will have you eating like a millionaire without having to spend like one. Emily Wight is a writer and home cook who's been blogging about food for the past six years.

If you liked Sold on a Monday and Beautiful Exiles, you'll love this novel about strong-willed trailblazing photographer, Dorothea Lange, whose fame grew during World War II and the Great Depression. "Hooper excels at humanizing giants...seamlessly weaving together the time, places and people in Lange's life...For photo buffs and others familiar with her vast body of work, reading the book will be like discovering the secret backstory of someone they thought they knew."—The Washington Post In 1918, a fearless twenty-two-year old arrives in bohemian San Francisco from the Northeast, determined to make her own as an independent woman. Renaming herself Dorothea Lange she is soon the celebrated owner of the city's most prestigious and stylish portrait studio and wife of the talented but volatile painter, Maynard Dixon. By the early 1930s, as America's economy collapses, her marriage founders and Dorothea must find ways to support her two young sons single-handedly. Determined to expose the horrific conditions of the nation's poor, she takes to the road with her camera, creating images that inspire, reform, and define the era. And when the United States enters World War II, Dorothea chooses to confront an another injustice—the incarceration of thousands of innocent Japanese Americans. At a time when women were supposed to keep the home fires burning, Dorothea Lange, creator of the most iconic photographs of the 20th century, dares to be different. But her choices came at a steep price...

Almost everyone would agree that there's some point where enough jewelry is enough. Well, what is that point? In this book, Doug Batchelor challenges you to find out for yourself what God's Word says on this fascinating subject.

A powerful, accessible, and eye-opening analysis of the global economy. Growing up in an African American working-class family in the Midwest, Jon Jeter watched the jobs undergoing a community disappear. As a journalist for the Washington Post (twice a Pulitzer Prize finalist), he reported on the freemarket reforms of the IMF and the World Bank, which in a single generation created a transnational underclass.Led by the United States, nations around the world stopped making things and starting buying them, imbibing a risky cocktail of deindustrialization, privatization, and anti-inflationary monetary policy. Jeter gives the consequences of abstract economic policies a human face, and shows how our chickens are coming home to roost in the form of the subprime mortgage scandal, the food crisis, and the fraying of traditional social bonds (marriage). From Rio de Janeiro to Soweto to Chicago's South Side and Washington, DC, Jeter shows us how the economic prescriptions of “the Washington Consensus” have only deepened poverty—while countries like Chile and Venezuela have flouted the conventional wisdom and prospered.

A Broke and Beautiful Novel

How to Get Rich on Other People's Money

*Chock-full of fascinating photographs and colorful directives, GIRL DIRECTOR is an instruction manual, history lesson, scrapbook, and celebration of women and film rolled into one. Director and cinephile Andrea Richards all but hands the reader a camera as she raucously paves the way for young women to make their own films. Sharing tales of the coolest femme filmmakers from history and recounting advice from the best women directors now in the business, Richards explains step by step how anyone can make a film using a standard video camera. Covering such topics as screenwriting, storyboards, set design, editing, distribution, Claymation, music videos, film festivals, and the digital revolution, GIRL DIRECTOR is a must-have handbook for the aspiring auteur of any age.A guide to do-it-yourself filmmaking from a female perspective, featuring accessible expert advice and a hip history of women in film.A must-have reference (and an excellent gift) for tweens, teens, adults, or anyone interested in making movies.Includes specifics on the who, what, where, and how of making low-budget videos and films.*

*Wall Street Journal bestselling author Tracy Brogan is back with a sweet, hilarious series about family, forgiveness, and what it means to go back home. Emily Callaghan never expected to spend another summer on Wenniway Island. Yet here she is, back in her quaint northern Michigan hometown of Trillum Bay, divorced, flat broke, and dragging along her precocious twelve-year-old. It's a simple arrangement: Emily, a house flipper, will renovate one of her grandmother's rental properties in exchange for a much-needed loan. Once a wild child, the reformed Emily also hopes to remodel her reputation and show her family she's all grown up. But coming home is never simple. Emily's dad is more distant than ever. Her younger sister is dating a much older man, and Emily's worried it's a mistake. The cottage remodel grows increasingly daunting. And then there's handsome cut-of-lover Ryan Taggart... Ryan has his own family drama. A smart, ambitious land developer, he's come to Wenniway to rescue his father from the grips of a new girlfriend and protect their family business. But he's quickly distracted by gorgeous, witty Emily Callaghan. There's no denying the attraction between Emily and Ryan. But will their conflicting interests destroy any chance at love? Or will Emily finally get the chance to rebuild her life—and repair her heart?*

*When Honey Perinbo traded in her cowboy boots for stilettos and left her small Kentucky town to attend Columbia University, she never expected to find a dirt-cheap apartment or two new best friends. No stranger to hard work, Honey is completely focused on her medical degree ... until she sees newly minted professor Ben Dawson, and her concentration is hijacked. Honey is fascinated by her gorgeous young English professor and vows to find a crack in his tweed-wearing, glasses-clad exterior. At an off-campus party, an accident lands Ben in a dark, locked closet with a sexy-sounding Southern belle ... and their chemistry is explosive. But when he discovers that the girl in his arms is the beautiful student he can't stop thinking about, he is stunned. Student-teacher relationships are strictly forbidden ... yet no matter how hard he tries, Ben can't stay away from Honey. And when his attempt to fight their attraction nearly ruins the best thing that ever happened to him, Ben will do anything to prove how much he needs her.*

*Perry McCarthy decided at the age of 18 that he wanted to reach the top in the world's most expensive sport. With no racing experience, no cash, and little going for him except a passion for speed, the exuberant Cockney shouldn't have stood a chance. He never gave up, however, and his relentless search for backing and recognition led the man The Times dubbed 'the world's unluckiest racing driver' to heroic, often hilarious and sometimes heartbreaking efforts to make it into Formula 1. This is his autobiography.*

A comprehensive guide to talking about money in every aspect of your life, including at work, with friends and family, and in relationships, from the author of the Broke Millennial series. Let's face it--talking about money is always awkward. In this user-friendly and approachable guide, finance writer Erin Lowry helps take the stress out of these tricky conversations. With scripts, tips, and troubleshooting advice, she takes you through every possible money talk scenario, including:
• how to tell your friends you can't afford the same lifestyle they can
• how to ask your parents if they can afford retirement and if they'll need your support as they age
• how to talk to your coworkers about your salary and negotiate with your boss
• how to broach the subject of a prenup with all of the financial knowledge you'll need in order to get the most out of each interaction, whether that's with your friends, your spouse, your employer, or your mom. It's time to demystify our money and take those tough topics with the important people in our lives, and this helpful book will make it all much easier.

Setter gives specific examples of how people can change their mindsets to getthe workout results they desire.

This new edition of Friedman's landmark book explains the flattening of the world better than ever--and takes a new measure of the effects of this change on each of us.

When life gets your goat, bring in the herd Jennifer McGaha never expected to own a goat named Merle. Or to be setting Merle up on dates and naming his doeling Merlene. She didn't expect to be buying organic yogurt for her chickens. She never thought she would be pulling camouflage carpet off her ceiling or rescuing opossums from her barn and calling it "date night." Most importantly, Jennifer never thought she would only have \$4.57 in her bank account. When Jennifer discovered that she and her husband owed back taxes--a lot of back taxes--her world changed. Now desperate to save money, they foreclosed on their beloved suburban home and moved their family to a one-hundred-year-old cabin in a North Carolina holler. Soon enough, Jennifer's life began to more closely resemble her Appalachian ancestors than her upper-middle-class upbringing. But what started as a last-ditch effort to settle debts became a journey that revealed both the joys and challenges of living close to the land. Told with bold wit, unflinching honesty, and a firm foot in the traditions of Appalachia, Flat Broke with Two Goats blends humor and wisdom of homesteading with the journey of two people rediscovering the true meaning of home.

Discover 1,000 thrifty tips for living a joyful life without spending a fortune! When your expenses go up but your income doesn't, just surviving can feel like a struggle—let alone paying down debt or putting aside savings. Is it possible to make ends meet while also building a better life? Whether you need to get your finances under control or off your mortgage, putting kids through school, or retiring, you need the right mindset and some smart strategies. The Ultimate Guide to Frugal Living gives you hundreds of fresh ideas that will get you in the habit of using creativity instead of cash to solve problems. Learn how to: Redefine necessities Set financial goals Make delicious food quickly Teach your kids to handle money Save money with a smartphone And so much more! Even when times aren't tight, this book can change the way you look at money, and show you how frugality can bring you less stress—and a more fulfilling life.

Are you going through a tough time financially? One place you may have to cut back is your food budget. The Flat Broke Cookbook is about shopping for food with limited funds and still feeding your family tasty and nutritious meals. It assumes you have a bit of money to spend, but not a lot. At the same time, you might be living off the scraps. These recipes are not for folks counting grams of carbohydrates or for people who will eat nothing but organic food straight from the farmer's market. (Although, you can opt for organic versions of all the food mentioned if you're not in a bind financially.) Tough times call for tough measures. These recipes are simple, filling scratch recipes. There are also instructions for the scratch cooking of some foods you may not regularly use. Don't worry if you don't usually cook from scratch - this book will walk you through everything, step-by-step and you won't be asked to make a Julia-Child-style-souffle that you caramelize with a blowtorch. You won't need any fancy equipment, simple, inexpensive, and tasty recipes.The recipes are extremely flexible, so there aren't a lot of details about servings or prep time. You can make them completely from scratch or you can use convenience items you have on hand. Included are tips for stretching your recipes to feed the number of people you have around the table.Frugal fit Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

In Pure, Linda Kay Klein uses a potent combination of journalism, cultural commentary, and memoir to take us "inside religious purity culture as only one who grew up in it can" (Gloria Steinem) and reveals the devastating effects evangelical Christianity's views on female sexuality has had on a generation of young women. In the 1990s, a "purity culture" emerged, an evangelical Christian culture. Purity rings, purity pledges, and purity balls came with a dangerous message: girls are potential sexual "stumbling blocks" for boys and men, and any expression of a girl's sexuality could reflect the corruption of her character. This message traumatized many girls—resulting in anxiety, fear, and experiences that were traumatic. Traumatic Stress Disorder—and trapped them in a cycle of shame. This is the sex education Linda Kay Klein grew up with. Fearing being marked a Jezebel, Klein broke up with her high school boyfriend because she thought God told her to and took pregnancy tests despite being a virgin, terrified that any sexual activity would be punished with a public confession. She was a young woman who was raised in a church that was part of the youth pastor of her church was convinced of sexual enticement of a twelve-year-old girl, Klein began to question purity-based sexual ethics. She contacted young women she knew, asking if they were coping with the same shame-induced issues she was. These intimate conversations developed into a twelve-year quest that took her around the world, visiting churches and religious communities—a journey that facilitated her own healing and led her to churches that are seeking a new way to reconcile sexuality and spirituality. Pure is "a revelation... Part memoir and part journalism, Pure is a horrendous, granular, relentless, emotionally true account" (The Cut) of society's larger subjugation of women and the role of religion in maintaining it. Offering a prevailing message of resounding hope and encouragement, "Pure emboldens us to escape toxic misogyny and experience a fresh breath of freedom" (Glennon Doyle, #1 New York Times bestselling author of Love Warrior and founder of Together Rising).

How the Federal Reserve Broke the American Economy

A Beginner's Guide to Leveling Up Your Money

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one-give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it "Terrific!"; and Michael Pollan, who cited it as a "cool kickstarter." In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Perry McCarthy decided at the age of 18 that he wanted to reach the top in the world's most expensive sport. This is his autobiography. Foreword by Damon Hill. "Perry McCarthy does for Formula One what Bill Bryson did for travel writing. But beneath the black humor and wisecracks - funny enough to make you laugh out loud in public - lies an inspiring and at times poignant tale of the rarest kind of racer: one who never gave up and, was, literally, the fastest man on earth." —The New York Times

One year out of high school, Antonio Freeman finds himself flat broke, without a job and no plans on furthering his education. In one afternoon everything changed and he went from being flat broke to running his own mini cartel known as GMB (Get Money Boyz). Antonio Freeman aka Free takes to the street with only one thing on his mind, and that is to get money at all costs. He sets out on a bloody mission fueled by greed and the mean streets of Fort Worth. In part one of this Benny D. Sherman trilogy, Free is in for a rude awakening as many alliances have been formed and just as many has been broken....

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Winner of the Anisfield-Wolf Book Award for Fiction Winner of the Gotham Book Prize One of Barack Obama's "Favorite Books of the Year" Oprah's Book Club Pick Named one of the Top Ten Books of the Year by the New York Times, Entertainment Weekly and TIME Magazine A Washington Post Notable Novel From the author of the National Book Award-winning The Good Lord Bird and the bestselling modern classic The Color of Water, comes one of the most celebrated novels of the year. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the Cause Houses housing project in south Brooklyn, pulls a .38 from his pocket, and, in front of everybody, shoots the project's drug dealer at point-blank range. The reasons for this desperate burst of violence and the consequences that spring com it lie at the heart of Deacon King Kong, James McBride's funny, moving novel and his first since his National Book Award-winning The Good Lord Bird. In Deacon King Kong, McBride brings to vivid life the people affected by the shooting: the deacon, the African-American and Latino residents who witnessed it, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself. As the story develops, it becomes clear that the lives of the characters—caught in the tumultuous swirl of 1960s New York—overlap in unexpected ways. When the truth does emerge, McBride shows us that not all secrets are meant to be hidden, that the best way to grow is to face change without fear, and that the seeds of love lie in hope and compassion. Bringing to these pages both his masterly storytelling skills and his abiding faith in humanity, James McBride has written a novel every bit as involving as The Good Lord Bird and as emotionally honest as The Color of Water. Told with insight and wit, Deacon King Kong demonstrates that love and faith live in all of us.

Instead of being rescued from a plane crash, as in the author's book "Hatchet," this story portrays what would have happened to Brian had he been forced to survive a winter in the wilderness with only his survival pack and hatchet.

A guide to investing basics by the author of Broke Millennial, for anyone who feels like they aren't ready (or rich enough) to get into the market Millennials want to learn how to start investing. The problem is that most have no idea where to begin. There's a significant lack of information out there catering to the concerns of new millennial investors, such as:
• Should I invest while paying down student loans?
• How do I invest in a socially responsible way?
• What about robo-advisors and apps--are any of them any good?
• Where can I look online for investment advice?
In this second book in the Broke Millennial series, Erin Lowry answers those questions and delivers all of the investment basics in one easy-to-digest package. Tackling topics ranging from common terminology to how to handle your anxiety to retirement savings and even how to actually buy and sell a stock, this hands-on guide will help any investment newbie become a confident player in the market on their way to building wealth.

Presents recipes ranging in difficulty with the science and technology-minded cook in mind, providing the science behind cooking, the physiology of taste, and the techniques of molecular gastronomy.

A Brief History of the Twenty-first Century

Stop Scraping By and Get Your Financial Life Together

WASHINGTON POST "COLOR OF MONEY" BOOK CLUB PICK Stop Living Paycheck and Get Your Financial Life Together (#GYFLT)! If you 're a cash-strapped 20- or 30-something, it 's easy to get freaked out by finances. But you 're not doomed to spend your life drowning in debt or mystified by finances. It 's time to stop scraping by and take control of your money and your life with this savvy and smart guide. Broke Millennial shows step-by-step how to go from flat-broke to financial badass. Unlike most personal finance books out there, it doesn 't just cover boring stuff like credit card debt, investing, and dealing with the dreaded " B " word (budgeting). Financial expert Erin Lowry goes beyond the basics to tackle tricky money matters and situations most of us face #IRL, including:
- Understanding your relationship with moolah: do you treat it like a Tinder date or marriage material?
- Managing student loans without having a full-on panic attack
- What to do when you 're out with your crew and can 't afford to split the bill evenly
- How to get " financially naked " with your partner and find out his or her " number " (debt number, of course) . . . and much more. Packed with refreshingly simple advice and hilarious true stories, Broke Millennial is the essential roadmap every financially clueless millennial needs to become a money master. So what are you waiting for? Let 's #GYFLT!

Many successful online marketers started out flat broke. Really, they literally did not have a lot of money to build a business when they began. But, that didn't stop them from building their dream. So, if you're broke and want to start your own business, don't let your lack of money stop you.Many online success stories are built from zero. Not having money was a good thing for them because it got them creative. With very little resources to go by, they looked for free ways to grow the business. The good thing is, the internet is the most inexpensive business in the world. Most online tools are free to use. You can build a website using free tutorials. There are free products that give marketing training at no cost. And yes, there are free ways to get traffic to your website without spending money on advertising. You can get unlimited free website traffic if you can figure out the online techniques to get you found and then to put them all together so you get a steady flow of visitors to your site day in and day out. This book will teach you powerful strategies to get unlimited traffic to your site at no cost. They will take time and much effort, but for powerful and proven techniques that don't require free money upfront, you're getting a pretty good deal.

Afraid to actually ask Tina Zabinski for a date, eighth-grader Kevin spends most of his time theorizing about love and romance as well as observing and analyzing male/female interactions.

his month, my name is Mary. Every month, Joe tells me a different story, and every month, I listen. He doesn 't know that I imagine myself the star of his every one-night stand, and how could I tell him? I 'm a married woman, after all. All Joe and I will ever have is imagination. All we will ever be is fiction. I know this is wrong. I know I should stop before it goes too far. What I have learned from love is that you can 't always fix what is broken, but sometimes, you can survive it. I 'm just not sure I can possibly survive knowing Joe.
