Darkness has fallen over a small town in Massachusetts. Sixty-four-year-old John Weaver must reveal a secret he has kept for the past ten years--that the old stories about the mansion up on the hill are true.

The title of *Horse Latitudes*, Paul Muldoon's tenth collection of poetry, refers to those areas thirty degrees north and south of the equator where sailing ships tend to be becalmed, where stasis (if not stagnation) is the order of the day. From Bosworth Field to Beijing, the

Boyer to Bull Run, from a series of text messages to the nineteenth-century Irish poet Tom Moore to an elegy for Warren Zevon, and from post-Agreement Ireland to George W. Bush's America, this book presents us with fields of battle and fields of debate, in which we often seem to have come to a standstill, but in which language that has been debased may yet be restruck and made current to our predicament. *Horse Latitudes* is a triumphant new collection by one of the most esteemed poets of our time.

A sleep deprivation bet careens out of control when a group of friends get together over spring break. One seasoned reporter, caught by chance in this maelstrom, attempts making sense of the carnage, though entirely out of his realm. While beginning as a lighthearted lark, what he encounters eventually finds him ruminating on our current worldwide climate, and its parallels to this insane odyssey.

based one every day. The research is clear that a plant-based diet is the healthiest diet on Earth. But what many people don't realize is that nothing else we do comes close to the environmental impact of what we eat. Now Suzy Amis Cameron explains how we can boost energy, feel better, live healthier, and heal the Earth, starting with just one meal a day. Developed at MUSE School, the school she founded with her sister Rebecca Amis, Suzy's program makes it possible for anyone and everyone to reverse climate change while they embrace a healthier lifestyle. This one simple step will begin to

More than 800 years after its invention in medieval France, the sestina survives and thrives in English. A fixed 39-line poetic form with of six stanzas of six lines each, followed by a three- line stanza known as an envoi, tornada, or tercet, the sestina is the one form of poetry that poets from all camps agree can exist in a free verse world. Formalists and avant-gardes love sestinas for their ornate, maddeningly complicated rules of word repetition.
