This book, Page of Roses, is the third book in a trilogy. Let Freedom Ring and The Last Grain Through the Hourglass are the first two. These books are a remarkable bit of American literature. The Robert Frost poem, The Road Not Taken, has inspired me to write Hour Glass. Finally, the Statue of Liberty is a symbol of the poem Let Freedom Ring. The last three lines of the Frost poem goes Two roads diverged in a wood, and I took the one less traveled by, and that has made all the difference. I got the idea for Page of Roses from Hemingway, that if you are lucky enough to have lived in Paris as a young man, it stays with you for rest of your life, for Paris is a movable feast.

Art, Passion, and the Rebirth of Paris, 1940-50

Embrace Your Natural Beauty with Timeless Secrets and Recipes from the French

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

An incandescent group portrait of the midcentury artists and thinkers whose lives, loves, collaborations, and passions were forged against the wartime destruction and postwar rebirth of Paris In this fascinating tour of a celebrated city during one of its most trying, significant, and ultimately triumphant eras, Agnes Poirier unspools the stories of the poets, writers, painters, and philosophers whose lives collided to extraordinary effect between 1940 and 1950. She gives us the human drama behind some of the most celebrated works of the 20th century, from Richard Wright's Native Son, Simone de Beauvoir's The Second Sex, and James Baldwin's Giovanni's Room to Samuel Beckett's Waiting for Godot and Saul Bellow's Augie March, along with the origin stories of now legendary movements, from Existentialism to the Theatre of the Absurd, New Journalism, bebop, and French feminism. We follow Arthur Koestler and Norman Mailer as young men, peek inside Picasso's studio, and trail the twists of Camus's Sartre's, and Beauvoir's epic love stories. We witness the births and deaths of newspapers and literary journals and peer through keyholes to see the first kisses and last nights of many ill-advised bedfellows. At every turn, Poirier deftly hones in on the most compelling and colorful history, without undermining the crucial significance of the era. She brings to life the flawed, visionary Parisians who fell in love and out of it, who infuriated and inspired one another, all while reconfiguring the world's political, intellectual, and creative landscapes. With its balance of clear-eyed historical narrative and irresistible anecdotal charm, Left Bank transports readers to a Paris teeming with passion, drama, and life.

THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLING DEBUT PSYCHOLOGICAL THRILLER YOU CAN'T MISS! The perfect marriage? Or the perfect lie? "A hair-raising debut, both unsettling and addictive...A chilling thriller that will keep you reading long into the night." —Mary Kubica, New York Times and USA Today bestselling author of The Good Girl "This is one readers won't be able to put down." —Booklist (starred review) "A can't-put-down psychological thriller." —Library Journal (starred review) "This debut is guaranteed to haunt you...Warning: brace yourself." —Bustle (10 New Thrillers to Read This Summer) "The sense of believably and terror that engulfs Behind Closed Doors doesn't waver." —The Associated Press, picked up by The Washington Post "This was one of the best and most terrifying psychological thrillers I have ever read." —San Francisco Book Review Everyone knows a couple like Jack and Grace. He has looks and wealth; she has charm and elegance. He's a dedicated attorney who has never lost a case; she is a flawless homemaker, a masterful gardener and cook, and dotes on her disabled younger sister. Though they are still newlyweds, they seem to have it all. You might not want to like them, but you do. You're hopelessly charmed by the ease and comfort of their home, by the graciousness of the dinner parties they throw. You'd like to get to know Grace better. But it's difficult, because you realize Jack and Grace are inseparable. Some might call this true love. Others might wonder why Grace never answers the phone. Or why she can never meet for coffee, even though she doesn't work. How she can cook such elaborate meals but remain so slim. Or why she never seems to take anything with her when she leaves the house, not even a pen. Or why there are such high-security metal shutters on all the downstairs windows. Some might wonder what's really going on once the dinner party is over, and the front door has closed. From bestselling author B. A. Paris comes the gripping thriller and international phenomenon Behind Closed Doors.

Great Paintings is a sumptuous, visual guided tour of 66 of the world's greatest paintings. Ranging from works by Zhang Zeduan, a 12th-century Chinese master, to modern masterpieces by Rothko and Anselm Kiefer, the paintings are arranged chronologically, providing an excellent visual introduction to the history of art. The book starts with how to "read" a painting. Annotated paintings show how to identify the key elements of a picture. The major part of the book is a magnificent visual gallery of iconic paintings. The story behind each painting is fully explained, unlocking the often hidden meanings of symbols and details. Each painting is then analyzed visually, using pull-out details and overlays, to help the reader understand the key features, composition, and techniques. Artists' biographies and features on historical and social context explore how landmark paintings have been influenced by what has gone before and how they go on to inspire what comes after them. Reading Great Paintings is like being taken around a gallery by a personal guide who helps you to look at paintings—both familiar and new—in fresh and fascinating ways. Understanding paintings has never been so easy. Contents (provisional list of paintings) PRELIMS INTRODUCTION: LOOKING AT ART PREHISTORY TO 15TH CENTURY 1.
