**SELF-HELP & PERSONAL DEVELOPMENT.** Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences - it's our Divine birthright. In *Living an Inspired Life* (previously published under the title *Inspiration*), Dr Wayne W Dyer explains how to connect to the knowledge and understanding that we had in the spirit realm before we chose to incarnate in physical form. From this all knowing place of spirit, we choose our physical body, our parents and the nature of the life we would lead on the earth. We made these choices co-creatively with the Source and now here on earth if we can reconnect to that Source energy it can transform our lives. Living our lives inspired by Source energy is a powerful antidote to the feelings of emptiness that disconnection from our soul creates. As you read each chapter in this book, you'll find specific suggestions for living 'in-Spirit'.

"What I'm offering in this book is the awareness that we can return to a full-time position of inspiration, which is the true meaning of our life." - Dr. Wayne W. Dyer.....**INSPIRATION** In this groundbreaking book, Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form. From our place of origin, in ways that we don't readily comprehend now, we knew what we were coming here to accomplish, and we participated in setting this life process in motion. So why not think along these same lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth we have the capacity of volition - we can choose - so let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body, and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences - it's inherent in our Divine birthright. The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living "in-Spirit." From a very personal viewpoint, Wayne offers a blueprint through the world of inspiration - your ultimate calling.

A Promise is a Promise 'Promise you won't leave me, will you, Mommy?'... 'Of course not, I would never leave you, darling, I promise. And a promise is a promise!' These were the last words that were exchanged between Kaye O'Bara and her 16-year-old daughter, Edwarda, before the vivacious teenager fell into a diabetic coma on January 3, 1970. For more than 30 years, Edwarda has been in a comatose state - and her mother has kept her promise to never leave her beloved daughter! In Good-bye, Bumps!, Dr. Wayne W. Dyer and his daughter Saje tell a remarkable story from her childhood in which she was able to overcome a physical condition in a very unique way. In the telling of this story Saje and Wayne teach children the important lesson that when something is bothering them, they can change their attitude toward it and not allow it to have power over them. This book will help kids understand that some things about themselves can be changed and others will always be with them, but what matters is how they choose to think about these things. In addition to its valuable lesson, this charming story will remind all readers, both young and old, of what can be done with the childlike belief in what is possible.

Collects three works that detail how intention allows creation, the search for what life is about, and stopping negative thoughts from preventing success.

#1 Wall Street Journal bestseller! This new book of spiritual teachings from international best-selling author and beloved inspirational speaker Dr. Wayne W. Dyer is based on his audio lectures from the 1990s and 2000s, offering a fresh take on mindfulness and enlightenment.

Beloved spiritual teacher Dr. Wayne W. Dyer often shared his thoughts on the path and practice of personal empowerment during his writings and presentations. He'd say, "This is not about self-help. It's about self-realization, which is way beyond self-help." In this book, which collects some of his timeless words of wisdom in a new format, the internationally renowned speaker and author offers spiritual tools to transcend your current circumstances and old patterns in order to reach true fulfillment. He will show you how to become genuinely awake, aware of the power you have within to shift your thought processes, release attachments, and tame your ego-to name just a few topics covered in these pages. Wayne will help you understand what an illusion much of life is, so you can see the big picture and spark deep transformation (that is, "the ability to go beyond your form"), resulting in peace and harmony in all areas of your life. He will also take you through the stages of enlightenment and instruct you in mindfulness practices such as

visualization and meditation, ultimately helping you reach a higher consciousness. Indeed, as a result of reading this book, you'll feel as if you are absolutely living in the light, in tune with the magnificence of the universe . . . and yourself.

In 2001, Dr. Wayne Dyer wrote a book called 10 Secrets for Success and Inner Peace, based on the most important principles he wanted his children to live by. Serena Dyer, one of those children, has contemplated these ideas throughout her life. "Don't die with your music still in you" has been the most important principle for Serena: to her, it means that you don't allow yourself to live any life other than the one you were born to live. In this book, Serena sets out to explain what it was like to grow up with spiritual parents. She touches upon all ten of her dad's original secrets, imparting her own experiences with them and detailing how they have affected the way she approaches various situations in life. She shares stories, struggles, and triumphs—and Wayne, in turn, contributes his own perspective. This unique father-daughter collaboration will warm the hearts of all parents . . . and inspire anyone who is looking to find the "music" inside themselves.

Dyer, the internationally best-selling author and lecturer, has written a new book in his series of inspirational books for kids. *You're Not What You've Got* addresses the topics of money and abundance, with the understanding that children's earliest thoughts and perceptions about money are those that will last throughout their lives. The concepts presented in this beautifully illustrated book include: Money does not define who you are; it doesn't matter what others have, and abundance comes in many forms. Unlike most books on this subject, *It's Not What You've Got* is not a how-to manual on spending and saving for kids, but rather a positive, spiritual approach to the meaning of money.*

Now in tradepaper is the first book of spiritual teachings in several years from international best-selling author and beloved spiritual teacher Dr. Wayne W. Dyer. Audio lectures of Wayne's from the 1990s and 2000s are restructured in a cohesive way to offer a fresh take on his teachings. "When you change the way you look at things, the things you look at change." This was something Dr. Wayne Dyer said often, and it was the inspiration for this book. The material contained within is taken from speeches and presentations he gave to many varied audiences, over many years. Yet it seemed that no matter who he talked to, he returned to a few themes over and over again, and these themes are woven throughout the pages of *Happiness Is the Way*. As Wayne will show you, there is no magic potion for getting what you want from life. All you could ever want or need can be found inside of you--you simply need to learn to reframe your thinking. No matter what your present circumstances are, you have the power to overcome them. This book will show you the impact of your attitudes, choices, and expectations, leading you to a great sense of empowerment; help you recognize how you are likely much more successful than you ever realized, regardless of the challenges you may be facing; and illuminate the importance of a personal mission. It also includes specific questions and journal exercises to help you chart the way to the life you've dreamed of. In the process, you'll discover that you contain the seeds for greatness within, leading you to a life of true happiness.

This text offers an opportunity to internalize and directly experience the great wisdom of the *Tao Te Ching*, a collection of verses authored by the Chinese prophet Lao-tzu. Although just 81 short verses, the *Tao* encourages readers to change their lives by literally changing the way they think.

In this inspirational work, beloved best-selling author Dr. Wayne W. Dyer shows you how to restore balance in your life by offering nine principles for realigning your thoughts so that they correspond to your highest desires. Imagine a balance scale with one end weighted down to the ground, and the other end—featuring the objects of your desires—sticking up precariously in the air. This scale is a measurement of your thoughts. To restore the same balance that characterizes everything in our universe, you have to take up the weighty thoughts so that they match up to your desires. The seasons reflect the overall harmony of life. For example, winter passes and the blossoms emerge. This is balanced by a need to have the trees rest, so autumn arrives on time and helps the trees ready themselves for another period of repose. This book is dedicated to the idea that we're a vital component of this creative process and have within ourselves the wherewithal to create all that we want if we recognize and revise out-of-balance thoughts.

Dyer explains the soul-nourishing meditation technique for making conscious contact with God, which the ancient masters have told us*

*about. You have all the potential to be an instrument of the highest good for all concerned and to be a literal miracle worker in your own life. No person, government entity, or religious group can legitimately claim to do this for you. (Dr. Dyer helps you have this direct experience by leading you through the meditation technique in the accompanying audio download.) When you master getting into the gap, stay there for prolonged segments of meditation, and experience what you bring back into the world, you'll truly know the answer to the question: "Why meditate?"*

*For many years, Dr. Wayne W. Dyer's fans have wondered when he would write a memoir. Well, after four decades as a teacher of self-empowerment and the best-selling author of more than 40 books, Wayne has finally done just that! However, he has written it in a way that only he can—with a remarkable take-home message for his longtime followers and new readers alike—and the result is an exciting new twist on the old format. Rather than a plain old memoir, Wayne has gathered together quantum-moment recollections. In this revealing and engaging book, Wayne shares dozens of events from his life, from the time he was a little boy in Detroit up to present day. In unflinching detail, he relates his vivid impressions of encountering many forks in the road, taking readers with him into these formative experiences. Yet then he views the events from his current perspective, noting what lessons he ultimately learned, as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service. As a reader, you will feel as if you are right there with Wayne, perusing his personal photo album and hearing about his family, his time in the service, how he writes his best-selling books, and so much more. In the process, you'll be inspired to look back at your own life to see how everything you have experienced has led you to where you are right now. Wayne has discovered that there are no accidents. Although we may not be aware of who or what is "moving the checkers," life has a purpose, and each step of our journey has something to teach us. As he says, "I wasn't aware of all of the future implications that these early experiences were to offer me. Now, from a position of being able to see much more clearly, I know that every single encounter, every challenge, and every situation are all spectacular threads in the tapestry that represents and defines my life, and I am deeply grateful for all of it." I Can See Clearly Now is an intimate look at an amazing teacher, but it also holds the key for seekers on a personal path of enlightenment. Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses, helping us accomplish the mission we came here to fulfill.*

National Bestseller This inspiring book by Wayne Dyer, author of the bestselling classics *Your Erroneous Zones* and *Pulling Your Own Strings*, delves into the teachings of intellectuals of our past to mine values and wisdom for the present. "What do our ancestral scholars, whom we consider the wisest and most spiritually advanced, have to say to us today?" asks Dyer. The answer lies in this powerful collection of writings, poems, and sayings by some of the greatest thinkers of the past twenty-five centuries. In succinct original essays, Dyer sets out to explain the meaning and context of each piece of wisdom, and, most important, to explain how we can actively apply these teachings to our modern lives. From sixty ancestral masters – Buddha, Michelangelo, Rumi, Whitman, Jesus, Emily Dickinson, and Emerson, among others – here are

*treasured passages on a variety of subjects, including solitude, time, and passion. Among the contributions are words on inspiration from Pantanjali, author of the Hindu classic Yoga Sutras; teachings about the power of prayer from 13th-century monk St. Francis of Assisi; and thoughts about the importance of action written by Mother Teresa. The voices collected here cut across a wide range of historical eras and cultures, yet they communicate universal truths about the human experience. Wisdom of the Ages provides us with a marvelous dual opportunity: to receive guidance from our great ancestors and to recognize our own potential for greatness*

Toss Out Those Tired Old Excuses...Once and for All! Within the pages of this transformational book, Dr. Wayne W. Dyer reveals how to change the self-defeating thinking patterns that have prevented you from living at the highest levels of success, happiness, and health. Even though you may know what to think, actually changing those thinking habits that have been with you since childhood might be somewhat challenging. If I changed, it would create family dramas ... I'm too old or too young ... I'm far too busy and tired ... I can't afford the things I truly want ... It would be very difficult for me to do anything differently ... and I've always been this way ... may all seem to be true, but they're in fact just excuses. So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone, along with ways to cast them aside once and for all. You'll learn to apply specific questions to any excuse, and then proceed through the steps of a new paradigm. The old, habituated ways of thinking will melt away as you experience the absurdity of hanging on to them. You'll ultimately realize that there are no excuses worth defending, ever, even if they've always been part of your life-and the joy of releasing them will resonate throughout your very being. When you eliminate the need to explain your shortcomings or failures, you'll awaken to the life of your dreams. Excuses ... Begone!

Dr. Wayne W. Dyer, the internationally best-selling author and lecturer, has a new message for his youngest readers. In his latest children's book, Wayne teaches kids about excuses: what they are, where they come from, and how to eliminate them so boys and girls can reach their full potential. Playfully illustrated once again by Stacy Heller Budnick, *No Excuses!* tells the story of a boy with a seemingly impossible dream who almost lets excuses stand in his way. Luckily, he learns some important lessons that allow him to attain his goals--lessons that just about all children will be able to understand and apply to their lives. *No Excuses!* will be available shortly after the publication of Wayne's book for adults, *Excuses Begone!*

The bestselling author of *Your Erroneous Zones*, *Pulling Your Own Strings*, and *Wisdom of the Ages* combines psychological

insights and guidelines for achieving spiritual fulfillment to present a three-step program designed to help readers look inside themselves to find a new sense of self-awareness and spiritual joy. Developing the sacred self, Wayne Dyer explains, brings an understanding of our place in the world and a sense of satisfaction in ourselves and others. In *Your Sacred Self*, Dyer offers a program that helps listeners establish a spiritually-oriented, rather than an ego-oriented, approach to life. Step by step, Dyer shows us how to progress from emotional awareness to psychological insight to spiritual alternatives in order to change our experience of life from the need to acquire to a sense of abundance; from a sense of one's self as sinful and inferior to a sense of one's self as divine; from a need to achieve and acquire to an awareness that detachment and letting go bring freedom. *Your Sacred Self* is an inspiring, hopeful, illuminating guide that can help everyone live a happier, richer, more meaningful life.

Five hundred years before the birth of Jesus, a God-realized being named Lao-tzu in ancient China dictated 81 verses, which are regarded by many as the ultimate commentary on the nature of our existence. The classic text of these 81 verses, called the *Tao Te Ching* or the *Great Way*, offers advice and guidance that is balanced, moral, spiritual, and always concerned with working for the good. In this book, Dr. Wayne W. Dyer has reviewed hundreds of translations of the *Tao Te Ching* and has written 81 distinct essays on how to apply the ancient wisdom of Lao-tzu to today's modern world. This work contains the entire 81 verses of the *Tao*, compiled from Wayne's researching of 12 of the most well-respected translations of text that have survived for more than 25 centuries. Each chapter is designed for actually living the *Tao* or the *Great Way* today. Some of the chapter titles are "Living with Flexibility," "Living Without Enemies," and "Living by Letting Go." Each of the 81 brief chapters focuses on living the *Tao* and concludes with a section called "Doing the *Tao* Now." Wayne spent one entire year reading, researching, and meditating on Lao-tzu's messages, practicing them each day and ultimately writing down these essays as he felt Lao-tzu wanted you to know them. This is a work to be read slowly, one essay a day. As Wayne says, "This is a book that will forever change the way you look at your life, and the result will be that you'll live in a new world aligned with nature. Writing this book changed me forever, too. I now live in accord with the natural world and feel the greatest sense of peace I've ever experienced. I'm so proud to present this interpretation of the *Tao Te Ching*, and offer the same opportunity for change that it has brought me."
