From one of this country's most important intellectuals comes a brilliant analysis of the blues tradition that examines the careers of three crucial black women blues singers through a feminist lens. Angela Davis provides the historical, social, and political contexts

with which to reinterpret the performances and lyrics of Gertrude "Ma" Rainey, Bessie Smith, and Billie Holiday as powerful articulations of an alternative consciousness profoundly at odds with mainstream American culture. The works of Rainey, Smith, and Holiday have been largely misunderstood by critics. Overlooked, Davis shows, has been the way their candor and bravado laid the groundwork for an aesthetic that allowed for the celebration of social, moral, and sexual values outside the constraints imposed by

middle-class respectability. Through meticulous transcriptions of all the extant lyrics of Rainey and Smith—published here in their entirety for the first time—Davis demonstrates how the roots of the blues extend beyond a musical tradition to serve as a consciousness-raising vehicle for American social memory. A stunning, indispensable contribution to American history, as boldly insightful as the women Davis praises, Blues Legacies and Black Feminism is a triumph. Hustlin' Backwards

Memphis is the crime capital of America, and no one knows that better than the women born and raised on its mean streets. It's put sisters Ta'Shara and LeShelle on opposite sides of the street game, where blood means nothing and loyalty doesn't last long. It's also got Yolanda, an ambitious drug mule, and Melanie, a police detective, caught up with the same man--the notorious hustler Python. These four women think they've got the game figured out, but the one man they have in common will have them living double lives and wondering who will come out on top. Forget what you heard about East Coast/West Coast, 'cause real vendettas are born in the Dirty South. "Diamond's ear for street talk comes across loud and clear. . .a violent and

Age is just a number, and whoever said that full-figured women don't know how to bring fire to a relationship was sadly mistaken. Carl Weber brings together two popular Urban Books divas to give readers what they've been asking for: passionate, empowering stories about the lives and loves of big, beautiful women. Newly divorced, 40-year-old Desa Rae finds herself alone now that her son has gone away to college. She's taken to her bed, watching life pass her by—until Roc, a 24-year-old with a jaw-dropping body comes along. Desa Rae

can't keep her eyes open or legs closed to a man who excites her like no other man has. But can she really be serious about a man who is almost the same age as her son? Avery Belmont is a diva in her own right. Smart, sassy, and successful, she has always had it going on; so much so that not only did the full-figured beauty catch the eye of Duke, the sexiest dude on the block, but she encouraged him to leave the dope game and become legit. Now, seven years later, Avery is working hard and trying to move ahead, but it seems that Duke isn't feeling the same way. Working with Kurt, her attractive coworker, isn't helping her situation. Is the love between Avery and Duke strong enough to keep them together, or will the strength of that love make them realize it's time to let go?

Description A self help book about many young men who fall victim to the siren song of the streets, often glamourized through music videos and movies. The secrets of the streets can propel you to success in any entrepreneurial endeavor you undertake, even in corporate America and as a working class citizen. St.Julien also known as the rapper Silk G. pulls back the covers of the game or hustling as it is widely known, in an effort to keep forthcoming generations from becoming a statistic.

For former Vice Lord chief Lucifer, taking back her power means all-out war on her lethal lover, no matter what the cost. Gorgeous Cleo at last has her sister's killer in her sights—if she can survive one deadly game too many. And as Queen G LeShelle's lies finally choke-hold her life, trusting someone more vicious than her husband Python may be the last mistake she'll ever make. Now these king divas will leave nothing standing—because if they can't reign, no one will . . . Praise for the writing of De'nesha Diamond "De'nesha
