A True Guide to Dr. Sebi Alkaline Recipes to Complete Get Rid of Mucus

Dr. Sebi connects the dots between physical/mental disease and diet. A malnourished person, someone deficient in vitamins and minerals, has a brain that is breaking down resulting in erratic thinking and ultimately harmful actions. When the body has what it needs, it is tranquil. Healing the gut by removing toxins is linked to healing the brain. Toxins are removed from an alkaline diet that are free from acid-based foods. Happiness is compromised when the body is acidic. When the body is highly acidic, instability, insanity, discontent, and violence occur. Follow the model of life: nature. From nature, we get phosphates, carbonates, iodides, and bromides. These are considered by biochemistry as food. If we eat proper foods, we don't need nutritionists.

Elephants, bears and all animals don't have nutritionists. Foods based on starch are scientifically known as carbonic acid. It creates a reaction that produces sulfides which rob the body of oxygen. To obtain an electric body, we must eat electric foods. Electric foods assist digestion and assimilation. Healing covers every aspect of man. Healing brings peace and there can be no peace unless there is wellness in the body. This book contains all you need to know about Dr. Sebi mucus diet.
