This book is a

detailed depiction of the "cuts" that people incur or will incur over the course of their lives, and how those "cuts" subsequently shape their lives. (Cuts are hurts,

Where To Download Free Sample Divorce Documents

experiences,
tragedies,
and/or various
pains incurred).
Unfortunately,
people will
inevitably incur
hurts and pains
in life, which
most are beyond
their own
control. One

Where To Download Free Sample Divorce Documents

simply cannot control what happens to them at the hands of another. People hurt other people. It's not so much the hurt that causes the problem, but more so the

Where To Download Free Sample Divorce Documents

effects of the
hurt.

Oftentimes,
people ignore
the hurt. They
try to live their
lives as if the
hurt never
occurred. Many
are oblivious to
their deep hurt
because they've

Where To Download Free Sample Divorce Documents

mastered the art
of disguising the
pain. The
problem ensues
when the
severely
wounded people
interact with
others, then
they
subsequently
inflict others

Where To Download Free Sample Divorce Documents

with the residual hurt that they've been harboring. Because of this, many fail to realize that they've been "cut" and are in need of healing. The purpose of this book is to aid in identifying

Where To Download Free Sample Divorce Documents

and healing cuts from one's life (including their past, present, or possibly their future), as these cuts will affect one's life in some regard. Oftentimes, people need healing to

Where To Download Free Sample Divorce Documents

recover from some trauma or tragedy that they've endured, yet they're too afraid to ask for help. Many internalize their feelings, never properly articulating their

Where To Download Free Sample Divorce Documents

mental anguish,
ultimately
forsaking the
need and
opportunity to
heal. It's the
lack of healing
that causes
people to hurt
others or live
unhappy lives.
This book was

Where To Download Free Sample Divorce Documents

written to aid people with identifying their hurt, their need for healing, and ultimately helping them to heal and subsequently live their best lives.
