Did you know that . . .
FROGS drink through
their skin? Instead of
swallowing water with
their mouths, frogs
absorb moisture
through their skin.
Frogs can also take in
oxygen through their
skin, which helps them

breathe better in the water. FROGS eat with their eyes closed? The eyes help the frog swallow by lowering into its head and pushing the food down its throat. FROGS can jump 20 times their own length? That's like a human jumping past four school buses in one leap! FROGS

have sticky tongues?
Frogs don't use their
hands to catch food . .

. they just stick out
their tongues! Flies,
mosquitoes, and other
yummy bugs stick to
the tip and get pulled
into the frog's mouth
for dinner. SOME

blend into their natural surroundings. Some frogs can even change color depending on their location or the weather. FROGS recycle? Frogs shed their skin about once a week. Then they eat the old skin to reuse the nutrients stored inside. FROGS can

live to be 40 years old? Most frogs live from 4 to 15 years. A FROG wasn't always a frog? Every frog starts as a tiny egg that hatches into a tadpole. A tadpole has a round head and a tail and lives in the water like a fish. The tadpole eats a lot as its body changes and

grows new parts. After three to four months, the tadpole has four legs and no tail and can live on land—it has become a frog!

AWESOME! Did you know that you can become a new creature, too? You may not have a tail and live in the water, but God can give you

a new life. Do you sometimes do things that make you feel bad inside? Maybe you were mean to someone at school or told a lie to your parents. God calls those bad things sin. Everyone is born knowing how to sin, and everyone who sins must be punished. But God, who loves us,

doesn't want us to sin. He wants us to be like Him—loving, kind, and good. Just as a tadpole changes into a frog, God can help you become more like Him. God sent His only Son, Jesus, to earth to be a human, just like us, except Jesus never sinned. Even so, He chose to

die so that He could pay the death penalty for our sins. Three days after He died, God raised Him back to life again! Do you want to have a clean, new life? Then just believe in what Jesus did for you. Tell God that you are sorry for your sins and thank Him for sending Jesus

to save you. The Bible says, "If anyone is in Christ, he is a new creation; the old has gone, the new has come!" (2 Corinthians 5:17). God will change you on the inside to make you a totally new creature—just like a tadpole changes into a frog. To do this, you
