

Frongoch University Of Revolution

The decade between the labour conflict (the 'Lockout') of 1913 and the end of the Civil War in 1923 was one of seismic upheaval. How the GAA - a major sporting and national body - both influenced and was influenced by this upheaval is a rich and multifaceted story. Leading writers in the field of modern Irish history and the history of sport explore the impact on 'ordinary' life of major events. They examine

the effect of the First World War, the 1916 Rising and its aftermath, the emergence of nationalist Sinn Féin and its triumph over the Irish Parliamentary Party, as well as the War of Independence (1919-21) and the bitter Civil War (1922-23). This is an original and engrossing perspective through the lens of a sporting organisation. Contributors: Eoghan Corry, Mike Cronin, Paul Darby, Páraic Duffy, Diarmaid Ferriter, Dónal McAnallen, James McConnel, Richard McElligott, Cormac Moore, Seán Moran, Ross O'Carroll,

Gearóid Ó Tuathaigh, Mark Reynolds, Paul Rouse

The story of the Hales family from Bandon epitomises the whole revolutionary period in Ireland. They were involved from the establishment of the Irish Volunteers in West Cork and were closely associated with well-known revolutionary figures, including Michael Collins, Tom Barry and Liam Deasy. Both Seán and Tom were company commanders in the IRA in the area. The signing of the Anglo-Irish Treaty in December 1921 split the family and led to

the two brothers taking opposing sides in the Civil War that would follow. Tom Hales was the most senior Republican officer on the scene of the chaotic ambush at Béal na mBláth that led to the shooting of Michael Collins. Seán Hales was himself assassinated in Dublin by Republicans, following a vote in Dáil Éireann to allow the Provisional Government to increase its powers to penalise Republican prisoners. The story of these brothers and the rest of the family gives a unique insight

into life in Ireland in this tumultuous period.

The Easter Rising of 1916 had a lasting effect upon Ireland, with many viewing it as a watershed in the history of modern Ireland and concurring with Yeats that a «terrible beauty was born». Seeking to clarify the state of nationalist opinion in the period before the Rising, Genesis of the Rising is as much an undertaking in social psychology as it is a social and political history. It strives to debunk many longstanding theories, most significantly the turning of

the tide thesis, which asserts that British blunders in the wake of the failed Rising turned the tide in public opinion toward the course envisioned by the Rebels. Genesis of the Rising contends that as early as 1912, with the introduction of the Third Home Rule Bill, through the start of the Great War, and right up to Easter 1916, the tide in nationalist opinion had been turning, albeit silently, and that the Rising was a catalytic force that accelerated an already ongoing process. It reveals a

dichotomy in nationalist opinion between covert views and misleading, overt opinion when it suggests that it was the Rising and the executions that subsequently forced nationalist opinion to show its true colors. In effect, the tide had begun to turn long before Easter 1916; and constitutional nationalism, as represented by the Third Home Rule Bill and the Irish Parliamentary Party, was giving way to some aspect of physical-force nationalism. In the early twentieth

century, publicly staged productions of significant historical, political, and religious events became increasingly popular—and increasingly grand—in Ireland. These public pageants, a sort of precursor to today's opening ceremonies at the Olympic games, mobilized huge numbers of citizens to present elaborately staged versions of Irish identity based on both history and myth. Complete with marching bands, costumes, fireworks, and mock battles, these spectacles were

suffused with political and national significance. Dean explores the historical significance of these pageants, explaining how their popularity correlated to political or religious imperatives in twentieth-century Ireland. She uncovers unpublished archival findings to present scripts, programs, and articles covering these events. The book also includes over thirty photographs of pageants, program covers, and detailed designs for costumes to convey the

grandeur of the historical pageants at the beginning of the century and their decline in production standards in the 1970s and 1980s. Tracing the Irish historical pageant phenomenon through the twentieth century, Dean presents a nation contending with the violence and political upheaval of the present by reimagining the past.

the place of education within the ' Irish-Ireland ' movement and the struggle for independence.

' It was the most providential escape yet. It will probably have the effect of making them think that I am even more mysterious than they believe me to be, and that is saying a good deal. '

Michael Collins knew the power of his persona, and capitalised on what people wanted to believe. The image we have of him comes filtered through a sensational lens, exaggerated out of all proportion. We see what we have come to expect: ' the man who won the war ' , the centre of a web of intelligence

Bookmark File PDF Frongoch University Of Revolution

that ‘ brought the British Empire to its knees ’ . He comes to us as a mixture of truth and lies, propaganda and misunderstanding. The willingness to see him as the sum of the Irish revolution, and in turn reduce him to a caricature of his many parts, clouds our view of both the man and the revolution. Drawing on archives in Ireland, Britain and the United States, the authors question our traditional assumptions about Collins. Was he the man of his age, or was he just luckier, more brazen, more written about and more photographed than the rest?

Bookmark File PDF Frongoch University Of Revolution

Despite the pictures of him in uniform during the last weeks of his life, Collins saw very little of the actual fight. He was chiefly an organiser and a strategist. Should we remember him as a master of the mundane rather than the romantic figure of the blockbuster film? The eight thematic, highly illustrated chapters scrutinise different aspects of Collins ' life: origins, work, war, politics, celebrity, beliefs, death and afterlives. Approaching him through the eyes of contemporaries and historians, friends and enemies, this provocative book reveals new insights, challenging what

The I.R.A. and Its Enemies

This book critically investigates the relationship between the Irish language and politics through a survey of individuals and movements associated with the language. This approach takes into account competing socialist and nationalist perspectives on language and society to demonstrate the different motivations for and class interest in Irish. The increasing power of the global market has the negative effect of reducing the well-being and autonomy of national populations. The study examines the decline of the Irish language as part of a global neo-liberal system that homogenises markets by reducing national and linguistic boundaries. It is argued that

Bookmark File PDF Frongoch University Of Revolution

the struggle for rights is transformational and that the struggle for language rights by individuals and communities is an essential part of this transformation.

A biography and analysis of the influential Irish political and military leader. At his death in 2013, Ruair í Ó Br á daigh remained a divisive and influential figure in Irish politics and the Irish Republican movement. He was the first person to serve as chief of staff of the Irish Republican Army, as president of the political party Sinn Fé in, and to have been elected, as an abstentionist, to the Dublin parliament. He was a prominent, uncompromising, and articulate spokesperson of those Irish Republicans who questioned the peace process in Northern Ireland. His concern was rooted in his analysis of Irish history and his belief that the

Bookmark File PDF Frongoch University Of Revolution

peace process would not achieve peace. He believed that it would support the continued partition of Ireland and result in continued, inevitable, conflict. The child of Irish Republican veterans, Ó Br á daigh led IRA raids, was arrested and interned, escaped and lived “on the run,” and even spent a period on a hunger strike. Because he was an effective spokesman for the Irish Republican cause, he was at different times excluded from Northern Ireland, Britain, the United States, and Canada. He was also a key figure in the secret negotiation of a bilateral IRA-British truce in the mid-1970s. In a brief afterword for this new edition, author Robert W. White addresses Ó Br á daigh ’ s continuing influence on the Irish Republican Movement, including the ongoing “dissident” campaign.

Bookmark File PDF Frongoch University Of Revolution

Whether for good or bad, this ongoing dissident activity is a part of Ruairí Ó Brádaigh's enduring legacy. "A tour de force. Indispensable for all Irish studies collections. . . . Essential."

1918-1925

The Irish Language, Symbolic Power
and Political Violence in Northern
Ireland, 1972-2008

For a revolutionary generation of Irishmen and Irishwomen - including suffragettes, labour activists, and nationalists - imprisonment became a common experience. In the years 1912-1921, thousands were arrested and held in civil prisons or in internment camps in Ireland and Britain. The state's intent was to repress dissent, but instead, the prisons and camps became a focus of radical challenge

Bookmark File PDF Frongoch University Of Revolution

to the legitimacy and durability of the status quo. Some of these prisons and prisoners are famous: Terence MacSwiney and Thomas Ashe occupy a central position in the prison martyrology of Irish republican culture, and Kilmainham Gaol has become one of the most popular tourist sites in Dublin. In spite of this, a comprehensive history of political imprisonment focused on these years does not exist. In Imprisonment and the Irish, 1912-1921, William Murphy attempts to provide such a history. He seeks to detail what it was like to be a political

Bookmark File PDF Frongoch University Of Revolution

prisoner; how it smelled, tasted, and felt. More than that, the volume demonstrates that understanding political imprisonment of this period is one of the keys to understanding the Irish revolution. Murphy argues that the politics of imprisonment and the prison conflicts analysed here reflected and affected the rhythms of the revolution, and this volume not only reconstructs and assesses the various experiences and actions of the prisoners, but those of their families, communities, and political movements, as well as the attitudes and reactions of

the state and those charged with managing the prisoners. A holistic, all-Ireland history of the causes, course, and consequences of the partition of Ireland between 1918 and 1925.

Who are the Celts, and what does it mean to be Celtic? In this book, Caoimhín De Barra focuses on nationalists in Ireland and Wales between 1860 and 1925, a time period when people in these countries came to identify themselves as Celts. De Barra chooses to examine Ireland and Wales because, of the six so-called Celtic nations, these two were the furthest apart in terms of their

Bookmark File PDF Frongoch University Of Revolution

linguistic, religious, and socioeconomic differences. The Coming of the Celts, AD 1860 is divided into three parts. The first concentrates on the emergence of a sense of Celtic identity and the ways in which political and cultural nationalists in both countries borrowed ideas from one another in promoting this sense of identity. The second part follows the efforts to create a more formal relationship between the Celtic countries through the Pan-Celtic movement; the subsequent successes and failures of this movement in Ireland and Wales are

Bookmark File PDF Frongoch University Of Revolution

compared and contrasted. Finally, the book discusses the public juxtaposition of Welsh and Irish nationalisms during the Irish Revolution. De Barra's is the first book to critique what "Celtic" has meant historically, and it will appeal to the reader who wants to learn more about the modern political and cultural connections between Ireland and Wales, as well as scholars and students in the fields of modern Irish and Welsh history. It will also be of interest to professional historians working in the field of "Four Nations" history, which places an emphasis on understanding

Bookmark File PDF Frongoch University Of Revolution

the relationships and connections between the four nations of Britain and Ireland.

For eight months following the Easter Rising over 1,800 Irish rebels were imprisoned in Frongoch, a former whiskey distillery in North Wales. It soon became a University of Revolution and among its notable alumni were Michael Collins and Richard Mulcahy. By December 1916 all the Irish prisoners had been repatriated and the camp was closed. Frongoch had initially held German prisoners-of-war but became much more high profile when the Irish rebels were interned there. Most of them

Bookmark File PDF Frongoch University Of Revolution

were interned without any trial or chance to defend themselves, and many who had not been initially supportive of the rebel cause were converted during their internment. This contemporary account of life in the camp was an important part of the propaganda to win support for the nationalist cause in the lead-up to the War of Independence.

This book provides the first complete account of Patrick Pearse's educational work at St. Enda's and St. Ita's schools (Dublin). Extensive use of first-hand accounts reveals Pearse as a humane, energetic teacher and a forward-looking and innovative educational thinker. Between 1903 and 1916 Pearse developed a new concept of schooling as an agency of radical pedagogical and social reform, later echoed by school founders such as Bertrand Russell. This placed him firmly within the tradition of radical educational thought as articulated by Paulo Freire and Henry Giroux. The book examines the tension between Pearse's work and his increasingly public profile as an advocate of physical force separatism and, by

employing previously unknown accounts, questions the perception that he influenced his students to become active supporters of militant separatism. The book describes the later history of St. Enda's, revealing the ambivalence of post-independence administrations, and shows how Pearse's work, which has long been neglected by historians, has had a direct influence on a later generation of school founders up to the present. This is the most wide-ranging study ever published of political violence and the punishment of Irish political offenders from 1848 to the founding of the Irish Free State in 1922. Those who chose violence to advance their Irish nationalist beliefs ranged from gentlemen revolutionaries to those

Bookmark File PDF Frongoch University Of Revolution

who openly embraced terrorism or even full-scale guerilla war. Seán McConville provides a comprehensive survey of Irish revolutionary struggle, matching chapters on punishment of offenders with descriptions and analysis of their campaigns.

Government's response to political violence was determined by a number of factors, including not only the nature of the offences but also interest and support from the United States and Australia, as well as current objectives of Irish policy.

Pathway to Rebellion:

The Irish Language, Ideology and Power in 20th-century Ireland

Galway 1916

Using research methods and techniques, the author closely analyses the emergence of the Irish language amongst republican prisoners and ex prisoners in Northern Ireland from the 1970 ' s up until the present. This pioneering

Bookmark File PDF Frongoch University Of Revolution

study shows how the language was used exclusively in parts of the prison, despite the efforts of the prison authorities to suppress the language, and the dramatic impact this had on Irish society. Drawing on interviews with the prisoners, and various other materials, Mac Giolla Christ shows how these developments gave rise to the popular coinage of the term ' Jailtacht ' , a deformation of ' Gaeltacht ' - the official Irish-speaking district of the Republic of Ireland, to describe this unique linguistic phenomenon.

In 'Pathway to Rebellion' Willie Henry traces the origins of the rebellion of 1916 in Co. Galway back over a century. He argues that

Bookmark File PDF Frongoch University Of Revolution

the country's rebellious past encouraged the Galway Volunteers to take a stand during the Rising, when many other parts of the country failed to do so. While Galway's people did not make the same blood sacrifice as Dublin, they were not lacking in courage. Many of the men were without arms, while others only had pikes. Nevertheless, they were prepared to fight, although aware that their rebellious actions could mean death in battle or before a firing squad. Despite this they stood by their convictions and showed unquestionable commitment to the idea of a free Ireland. Following the Rising those who were captured were assaulted, subjected to verbal

Bookmark File PDF Frongoch University Of Revolution

abuse by the public and their captors, and condemned to imprisonment. Some managed to evade capture, but were forced to go on the run. However, in the aftermath of the leaders' executions, public opinion changed dramatically and the traitors of yesterday were suddenly the heroes of today. The homecoming of those who were imprisoned was in total contrast to their departure. The entire story of Galway in 1916 is in this book, making it the definitive story of the rebellion in the west.

This book examines the well-covered subject of leadership from a unique perspective: history's vast catalogue of leadership successes

Valera, Harry Boland (1887-1922) was probably the most influential Irish revolutionary between 1917 and 1922. His sway extended to almost every aspect of republican activity. Already prominent as a hurler before 1916, he was convicted and imprisoned after an energetic Easter Week. He subsequently became Honorary Secretary of Sinn Fein, T.D. for South Roscommon in the First Dail, President of the Irish Republican Brotherhood's Supreme Council, and a republican envoy in the United States between May 1919 and December 1921. He broke with Collins over the Treaty, but became the chief intermediary between the factions. Early in the Civil War,

Bookmark File PDF Frongoch University Of Revolution

however, he was killed by National army officers in the Grand Hotel, Skerries. Boland's influence was the product of charm, gregariousness, wit, and ruthlessness. After his rebel father's early death, Boland's mother raised him in a spirit of intransigent hostility to Britain. Yet he was also stylish, cosmopolitan, and humane. His celebrated contest with Collins for the love of Kitty Kiernan is perhaps the most intriguing of all Irish political romances. Attractive yet elusive, his personality helped shape the Irish revolution. David Fitzpatrick's biography draws upon documents in Irish, British, and American archives, including his American diaries and thousands of

Bookmark File PDF Frongoch University Of Revolution

letters to, from, and about Boland. Extensive use has been made of family papers and de Valera's vast archive on the Irish campaign in America. These and other recently released documents illuminate the inner workings of Irish republicanism, and the critical importance of brotherhood in the revolution. As an old-fashioned republican and advocate of 'physical force', Boland is still venerated as a martyr by revolutionary republicans. Yet, in his conduct, he practised the ambiguities associated with Sinn Fein in today's Northern Ireland. Doctrine was subordinated to the twin quests for republican unity and political supremacy, entailing

ambushes, while its proximity to the capital also inhibited the Kildare Volunteers. Nevertheless there was a strong revolutionary element in the county. The book looks at the group of Volunteers who followed the railway track into Dublin to partake in the 1916 Rising and details attacks at Greenhills, Maynooth and Barrowhouse. The author also examines the Rath internment camp in the Curragh, reaction in the county to the Truce and Treaty, and the eventual split in the republican
