Test to avoid nervousness (and the mistakes caused by being nervous). Do your scratchwork in the margins of the test booklet. You will not be given scrap paper during the exam, and you may not perform

# Read Online Functions Statistics And Trigonometry Answers Chapter 6

scratchwork on your answer sheet. Space is provided in your test booklet to do any necessary work or draw diagrams. If you are unsure of an answer, guess. However, if you do guess - guess wisely. Use the process of

Read Online Functions  
Statistics And Trigonometry  
Answers Chapter 6

elimination by going through each answer to a question and ruling out as many of the answer choices as possible. By eliminating three answer choices, you give yourself a 50/50 chance of answering

Read Online Functions  
Statistics And Trigonometry  
Answers Chapter 6

correctly since there will only be two choices left from which to make your guess. Mark your answers in the appropriate spaces on the answer sheet. Each numbered row will contain five ovals corresponding to each

Read Online Functions  
Statistics And Trigonometry  
Answers Chapter 6

answer choice for that question. Fill in the oval that corresponds to your answer darkly, completely, and neatly. You can change your answer, but remember to completely erase your old answer. Any stray lines

Read Online Functions  
Statistics And Trigonometry  
Answers Chapter 6

or unnecessary marks may cause the machine to score your answer incorrectly. When you have finished working on a section, you may want to go back and check to make sure your answers correspond to the

Read Online Functions  
Statistics And Trigonometry  
Answers Chapter 6

correct questions. Marking one answer in the wrong space will throw off the rest of your test, whether it is graded by machine or by hand. You don't have to answer every question. You are not penalized if you do not

# Read Online Functions Statistics And Trigonometry Answers Chapter 6

answer every question. The only penalty results from answering a question incorrectly. Try to use the guessing strategy, but if you are truly stumped by a question, remember that you do not have to answer it. Work quickly and

Read Online Functions  
Statistics And Trigonometry  
Answers Chapter 6

steadily. You have a limited amount of time to work on each section, so you need to work quickly and steadily. Avoid focusing on one problem for too long. Before the Test Make sure you know where your test center

# Read Online Functions Statistics And Trigonometry Answers Chapter 6

is well in advance of your test day so you do not get lost on the day of the test. On the night before the test, gather together the materials you will need the next day:

- Your admission ticket
- Two forms of identification

# Read Online Functions Statistics And Trigonometry Answers Chapter 6

(e.g., driver's license, student identification card, or current alien registration card) - Two No. 2 pencils with erasers - Directions to the test center - A watch (if you wish) but not one that makes noise, as it may

Read Online Functions  
Statistics And Trigonometry  
Answers Chapter 6

disturb other test-takers On the day of the test, you should wake up early (after a good night's rest) and have breakfast. Dress comfortably, so that you are not distracted by being too hot or too cold while taking the test.

# Read Online Functions Statistics And Trigonometry Answers Chapter 6

Also, plan to arrive at the test center early. This will allow you to collect your thoughts and relax before the test, and will also spare you the stress of being late. If you arrive after the test begins, you will not be

Read Online Functions  
Statistics And Trigonometry  
Answers Chapter 6

admitted to the test center and you will not receive a refund. During the Test When you arrive at the test center, try to find a seat where you feel most comfortable. Follow all the rules and instructions given by the

# Read Online Functions Statistics And Trigonometry Answers Chapter 6

test supervisor. If you do not, you risk being dismissed from the test and having your scores canceled. Once all the test materials are passed out, the test instructor will give you directions for filling out your
