gives them a box to take home with a surprise pet inside. What do you think it will be?

Charlie Asher is a pretty normal guy with a normal life, married to a bright and pretty woman who actually loves him for his

File Type PDF Funnybones The Pet Shop

normalcy. They're even about to have their first child. Yes, Charlie's doing okay—until people start dropping dead around him, and everywhere he goes a dark presence whispers to him from under the streets.

File Type PDF Funnybones The Pet Shop

Charlie Asher, it seems, has been recruited for a new position: as Death. It's a dirty job. But, hey! Somebody's gotta do it. Funny Bones tells the story of how the amusing calaveras—skeletons performing

File Type PDF Funnybones The Pet Shop

various everyday or festive activities—came to be. They are the creation of Mexican artist Jos é Guadalupe (Lupe) Posada (1852 – 1913). In a country that was not known for freedom of speech, he first drew political

File Type PDF Funnybones The Pet Shop

cartoons, much to the amusement of the local population but not the politicians. He continued to draw cartoons throughout much of his life, but he is best known today for his calavera drawings. They have

File Type PDF Funnybones The Pet Shop

become synonymous with Mexico's Día de los Muertos (Day of the Dead) festival. Juxtaposing his own art with that of Lupe's, author Duncan Tonatiuh brings to light the remarkable life and work of a

man whose art is beloved by many but whose name has remained in obscurity. The book includes an author's note, bibliography, glossary, and index.
