

Gary Roberts Black Van 5 Hakugo

Some say Christianity is white man's religion. . . . And it is true that there is a long and ugly history of abuse of African-Americans at the hands of Anglo Christians. Afrocentric interpretations of history often point to slavery, lynchings and the like as proof that Christianity is inherently antiblack. But Craig Keener and Glen Usry contend that Christianity can be Afrocentric. In this massively researched book, they show that racism is not unique to Christianity. More important, they show how "world history is also our history and the Bible is also our book." Black Man's Religion is one of the first of its kind, a pro-Christian reading of religion and history from a black perspective. Fascinating and compelling, it is must reading for all concerned for African-American culture and issues of faith.

This biographical reference covers prominent black individuals from around the world. Profiles include: civil rights activists; political, legal and government figures; individuals in the worlds of science, technology and medicine; and authors, entertainers and other notable professionals.

The New York Times Bestseller! After decades of silence, Robyn Crawford, close friend, collaborator, and confidante of Whitney Houston, shares her story. Whitney Houston is as big a superstar as the music business has ever known. She exploded on the scene in 1985 with her debut album and spent the next two decades dominating the charts and capturing the hearts of fans around the world. One person was there by her side through it all--her best friend, Robyn Crawford. Since Whitney's death in 2012, Robyn has stayed out of the limelight and held the great joys, wild adventures, and hard truths of her life with Whitney close to her heart. Now, for the first time ever, Crawford opens up in her memoir, A Song for You. With warmth, candor, and an impressive recall of detail, Robyn describes the two meeting as teenagers in the 1980s, and how their lives and friendship evolved as Whitney recorded her first album and Robyn pursued her promising Division I basketball career. Together during countless sold-out world tours, behind the scenes as hit after hit was recorded, through Whitney's marriage and the birth of her daughter, the two navigated often challenging families, great loves, and painful losses, always supporting each other with laughter and friendship. Deeply personal and heartfelt, A Song for You is the vital, honest, and previously untold story that provides an understanding of the complex life of Whitney Houston. Finally, the person who knew her best sets the record straight.

In the 1960s, for at least a brief moment, Montreal became what seemed an unlikely centre of Black Power and the Caribbean left. In October 1968 the Congress of Black Writers at McGill University brought together well-known Black thinkers and activists from Canada, the United States, Africa, and the Caribbean, people like C.L.R. James, Stokely Carmichael, Miriam Makeba, Rocky Jones, and Walter Rodney. Within months of the Congress, a Black-led protest at Sir George Williams University (now Concordia) exploded on the front pages of newspapers across the country, raising state security fears about Montreal as the new hotbed of international Black radical politics.

How could the peace and quiet of Ashe County, North Carolina (in the mountains, at the Virginia-Tennessee corner), turn into a nightmare of crime and drugs, and the old copper mine itself become a dumping ground for the dead? In 1982, two bodies had been chipped from an icy grave and brought up from the 250-foot mine shaft where they had been thrown while still alive. Now, there were rumors of 21 bodies still down there. If the mine was ever re-opened, what would they find--copper or bodies? Murder, drugs, prostitution and gangs come together in the history of the Ore Knob Mine. A small Appalachian community became the heart of a vicious drug ring ruled by the Outlaws motorcycle gang from Chicago. Ashe County made national headlines when a police informant came forward confessing that he had pushed a man alive into the Ore Knob Mine shaft. This book is the full story.

In the early days of television, many of its actors, writers, producers and directors came from radio. This crossover endowed the American Radio Archives with a treasure trove of television documents. The collected scripts span more than 40 years of American television history, from live broadcasts of the 1940s to the late 1980s. They also cover the entire spectrum of television entertainment programming, including comedies, soap operas, dramas, westerns, and crime series. The archives cover nearly 1,200 programs represented by more than 6,000 individual scripts. Includes an index of personal names, program and episode titles and production companies, as well as a glossary of industry terms.

Contemporary Black Biography

Fear of a Black Nation

Explores recent archaeological evidence of a flood occurring around 5600 B.C. in the Black Sea region, arguing that it was connected to the biblical flood and theorizing about the effects the flood had on human civilization.

"You can't beat this story for drama. . . . An omnibus of everything ever known, spoken, or written about Doc Holliday." -Publishers Weekly "An engagingly written, persuasively argued, solidly documented work of scholarship that will surely take its place in the literature of the Old West."

-Booklist In Doc Holliday: The Life and Legend, the historian Gary Roberts takes aim at the most complex, perplexing, and paradoxical gunfighter of the Old West, drawing on more than twenty years of research-including new primary sources-in his quest to separate the life from the legend. Doc

Holliday was a study in contrasts: the legendary gunslinger who made his living as a dentist; the emaciated consumptive whose very name struck fear in the hearts of his enemies; the degenerate gambler and alcoholic whose fierce loyalty to his friends compelled him, more than once, to risk his own life; and the sidekick whose near-mythic status rivals that of the West's greatest heroes. With lively details of Holliday's spirited exploits, his relationships with such Western icons as Wyatt Earp and Bat Masterson, and the gunfight at the O.K. Corral, this book sheds new light on one

of the most mysterious figures of frontier history.
