First published in Rome in 1535, Leone Ebreo's Dialogues of Love is one of the most important texts of the European Renaissance. Well

known in the Italian academies of the sixteenth century, its popularity quickly spread throughout Europe, with numerous reprintings and translations into French, Latin Spanish, and Hebrew. It attracted a diverse audience that included noblemen, courtesans,

than just a bestseller,
the work exerted a

the centuries on
figures as diverse as

Baruch Spinoza.
Leone's Dialogues

Access Free Gary Soto Cebollas Enterradas

consists of three conversations - 'On Love and Desire,' 'On the Universality of Love,' and 'On the Origin of Love' - that take place over a period of three subsequent days. They are organized in a dialogic format, much like a theatrical representation, of a

Access Free Gary Soto Cebollas Enterradas

conversation between a man, Philo, who plays the role of the lover and teacher, and a woman, Sophia, the beloved and pupil.

The discussion covers a wide range of topics that have as their common denominator the idea of Love.

Through the dialogue, the author explores

many different points of view and complex philosophical ideas. Grounded in a distinctly Jewish tradition, and drawing on Neoplatonic philosophical structures and Arabic sources, the work offers a useful compendium of classical and

world headlines when

he emerged from the

Philippine jungle after a

thirty-year ordeal.

Hunted in turn by

American troops, the

Philippine police,

This account of those years is an epic tale of the will to survive that offers a rare

glimpse of man's invincible spirit, resourcefulness, and ingenuity. A hero to his people, Onoda wrote down his experiences soon after his return to civilization. This book was translated into English the following year and has enjoyed an approving audience ever since.
