Four units focus on the GED Social Studies topics: Civics and Government; U.S. History; Economics; Geography and the World. Each lesson includes an introduction to one of the content area subtopics, an example question modeled on the GED test, and hints, explanations, and definitions to help you understand the question. Guided practice offers support as you think through practice items. Extended response lessons help you prepare for the social studies essay prompts.--Back cover.

Score your highest on the Spanish-translated GED Passing the GED provides Spanish-speakers with expanded job and educational opportunities, like attending college or starting a successful career. *El GED en Español Para Dummies* is a comprehensive study guide for native Spanish-speakers preparing to take the GED exam. You'll get hands-on, essential test preparation help on everything you need to know—from registering and studying effectively to managing your time during the exam. Hands-on training in each of the five main subject areas: Writing, Reading, Social Studies, Science, and Math. Fresh and relevant example questions Two full practice tests with detailed walk-throughs and explanations for every solution If you're one of the thousands of native Spanish-speakers looking for an all-in-one study guide for *El GED en Español*, this hands-on, friendly guide is your ticket for scoring your highest on exam day! Generally, there are several ways to get a high school diploma: Going to school regularly during the day. Going to school at night then taking a GED test. Taking mail order/ internet high school courses. Studying on your own and taking the GED test. Take a high school equivalency test through a high school or local board of education and pass it. These are offered at some online high schools. Proving to college administrators that you have life experience and skills learned at work via taking tests which give you credits for college. As an adult, you can possibly enroll in high school with normal students, take night classes, correspondence courses at home or simply study on your own and take the GED tests. Check with the Continuing Education Office of your local Department of Education. A little known way to get your high school diploma is through the National External Diploma Program which doesn't involve any direct instruction. Score higher on the GED with this easy-to-use guide Having undergone an extensive update in 2014, the current GED test covers a lot of ground. In today's job environment, earning a GED can give you an edge against the competition, whether it's to get a new job or advance in the one you already have. If you're preparing for this important exam, *GED Test For Dummies, 3rd Edition* gets you up and running on everything you can expect on test day, from overviews of the test sections to invaluable reviews and test-taking strategies for all the subjects covered—and everything in between. Inside, you'll find hands-on, digestible information for navigating your way through the Language Arts/Reading and Writing Tests, Social Studies Test, Mathematics Test, and Science Test. Whether you're looking to perfect your grammar and punctuation skills, get familiar with the types of fiction and nonfiction passages you'll encounter, take the fear out of math and science, put the social in your studies, or answer multiple-choice questions with confidence, this unintimidating guide makes it easy to score higher and pass this vital exam. This new edition has been fully updated to reflect the latest version of the GED Supplies the information, test-taking tips, and 2 full-length practice tests to help maximize your score Offers clear overviews of all the topics covered on the GED Includes special considerations if English is your second language It's all at your fingertips! Prepare for the test, improve your chances of success, and increase your earning power and job prospects with the help of *GED Test For Dummies, 3rd Edition*.
