Desperate for any advantage against the military occupying his home, Flynn does the only thing that makes sense when he and Lee cross paths: he returns to base with her as prisoner. ***NEW YORK TIMES BESTSELLING SERIES • Our heroes are back . . . kind of. From the bestselling co-authors of the Illuminae Files comes the second book in the epic Aurora Cycle series about a squad of misfits, losers, and discipline cases who just might be the galaxy’s best hope for survival. First, the bad news: an ancient evil—you know, your standard consume-all-life-in-the-galaxy deal—is about to be unleashed. The good news? Squad 312 is standing by to save the day. They’ve just got to take care of a few small distractions first. Like the clan of gremps who’d like to rearrange their favorite faces. And the cadre of illegit GIA agents with creepy flowers where their eyes used to be, who’ll stop at nothing to get their hands on Auri. Then there’s Kai’s long-lost sister, who’s not exactly happy to see her baby brother, and has a Sydldrathi army at her back. With half the known galaxy on their tails, Squad 312 has never felt so wanted. When they learn the Hadfield has been found, it’s time to come out of hiding. Two centuries ago, the colony ship vanished, leaving Auri as its sole survivor. Now, its black box might be what saves them. But time is short, and if Auri can’t learn to master her powers as a Trigger, the squad and all their admirers are going to be deader than the Great Ultrasaur of Abraaxis IV. Shocking revelations, bank heists, mysterious gifts, inappropriately tight bodysuits, and an epic firefight will determine the fate of the Aurora Legion’s most unforgettable heroes--and maybe the rest of the galaxy as well.***

The sci-fi saga that began with the breakout bestseller Illuminae continues on board the Jump Station Heimdall, where two new characters will confront the next wave of the BeiTech assault. Hanna is the station captain’s pampered daughter; Nik the reluctant member of a notorious crime family. But while the pair are struggling with the realities of life aboard the galaxy’s most boring space station, little do they know that Kady Grant and the Hypatia are headed right toward Heimdall, carrying news of the Kerenza invasion. When an elite BeiTech strike team invades the station, Hanna and Nik are thrown together to defend their home. But alien predators are picking off the station residents one by one, and a malfunction in the station’s wormhole means the space-time continuum might be ripped in two before dinner. IS THIS THE END? What happens when you ask a bunch of losers, discipline cases and misfits to save the galaxy from an ancient evil? The ancient evil wins, of course. Wait ... Not. So. Fast. When we last saw Squad 312, they were working together seamlessly (aka freaking out) as an intergalactic battle raged and an ancient superweapon threatened to obliterate Earth. Everything went horribly wrong, naturally. But as it turns out, not all endings are endings, and the team has one last chance to rewrite theirs. Maybe two. It’s complicated. Cue Zila, Fin and Scarlett (AND MAGELLAN) making friends, making enemies and making history? Sure, no problem. Cue Tyler, Kai and Auri joining forces with two of the galaxy’s most hated villains? Um, okay, yeah. That too. Actually saving the galaxy, though? Now that will take a miracle. The squad you love may be out of time, but are they out of luck? Find out in the epic conclusion to the bestselling and award-winning Aurora Cycle series.

“In his unflinching and resonant new novel, Bryan Bliss shows that there is no straight line through trauma, no easy recipe for healing. Instead, in three loosely connected stories of young people bound by an all-too familiar tragedy, he deftly illuminates the small moments of human connection and resolve that might just lead to a place of grace.”—Gayle Forman, bestselling author of If I Stay and I Have Lost My Way Fight, Flight, Freeze. What do you do when you can’t move on, even though the rest of the world seems to have? Powerful and tense, Thoughts & Prayers is an extraordinary novel that explores what it means to heal and to feel safe in a world that constantly chooses violence. Claire, Eleanor, and Brezzen have little in common. Claire fled to Minnesota with her older brother, Eleanor, and Brezzen retreated into the fantasy world of Wizards & Warriors. But a year ago, they were linked. They all hid under the same staircase and heard the shots that took the lives of some of their classmates and a teacher. Now, each one copes with the trauma as best as they can, even as the world around them keeps moving. Told in three loosely connected but inextricably intertwined stories, National Book Award–longlisted author Bryan Bliss’s Thoughts & Prayers follows three high school students in the aftermath of a school shooting. Thoughts & Prayers is a story about gun violence, but more importantly it is the story of what happens after the reporters leave and the news cycle moves on to the next tragedy. It is the story of three unforgettable teens who feel forgotten. For readers of Jason Reynolds, Marieke Nijkamp, and Laurie Halse Anderson.

Wonder, mysticism, heartache, and joy are the stones that set the path to one girl’s journey as her destiny unfolds. In the village of Huanan, in medieval China, the deity that rules is the Great Hui Jing. Though twelve-year-old Li Jing’s name is a different character entirely from the Hui Jing, the sound is close enough to provide constant teasing-but maybe is also a source of greater destiny and power. Jing’s life isn’t easy. Her father is a poor tea farmer, and her family has come to the conclusion that in order for everyone to survive, Jing must be sacrificed for the common good. She is sold as a bride to the Koh family, where she will be the wife and nursemaid to their three-year-old son, Ju’an. It’s not fair, and Jing feels this bitterly, especially when she is treated poorly by the Koh’s, and sold yet again into a worse situation that leads Jing to believe her only option is to run away.

and find home again. With the help of a spider who weaves Jing a means to escape, and a nightingale who helps her find her way, Jing embarks on a quest back to Huanan—and to herself.
