***The Dangerous Gentleman***

With her trademark sensuality and dazzling storytelling, Julia London brings us the Rogues of Regent Street, three dashing, aristocratic gentlemen whose scandalous exploits are the talk of the town. Adrian Spence, Earl of Albright, has earned his notoriety on the dueling field, and in the finest drawing rooms—and boudoirs—of England. This is his story.... It was strictly business as Adrian Spence claimed the woman his brother desired. A hasty wedding, and Lilliana Dashell was his—sweet revenge on the father who disinherited him and the brother who let it happen. Their wedding night is a revelation as passionate, innocent Lilliana ignites fires Adrian tries desperately to deny. By day he is a stranger. By night he is the lover of her dreams, and she a shameless wanton in his arms. But Adrian is determined that no woman will ever possess him. And Lilliana knows that her only hope of taming this very dangerous gentleman is to unlock his deepest mysteries and open his shuttered heart to love....
