Two of Matt Braun's most beloved novels—now newly repackaged as a 2-in-1! The Old West comes vividly to life in two novels from bestselling author Matt Braun. Something about the boy named Kinch Riley made hardened railroad agent Mike McCluskie take him under his wing. But Kinch got too fast with a gun just as a band of Texas outlaws rode into Newton, Kansas. For the first time, McCluskie will walk into a battle he can't win. Kinch Riley is the masterful retelling of the Newton General Massacre of 1871. In Hickok and Cody, Russia's Grand Duke Alexis has arrived to hunt buffalo. His guides are two heroic deadshots, Wild Bill Hickok and Buffalo Bill Cody. But a train approaching from the East will provide Alexis a front-row seat to murder and mayhem that will set Hickok and Cody on the trail of cold-blooded killers.

Around the World in Eighty Days

The Regenerative American Fabric

A fascinating mix of participatory journalism and history, *Getting Into Guinness* is the never-before told story of the bestselling copyrighted book of all time. Veteran reporter Larry Olmsted began a personal quest to break an existing world record, then to set another one, and soon he was fully immersed

in the crazy and highly competitive world of record breaking. This is his behind-the-scenes report of the characters who created the famous record book and continue to make it wackier and wackier with every passing year. The enthralling 50-year history of the Guinness World Records is a story of phenomenal success, equally compelling failures, and extreme oddities. People all over the world strive to get into the book, often in the most unbelievable ways. Olmsted chronicles some of the funniest and most interesting Guinness record holders from a uniquely insider perspective: he himself is one of them. It all began with a gentleman's wager over which was the fastest game bird in Europe, the golden plover or the grouse. The attempt to answer this question has sold more than 100 million books in dozens of languages and every corner of the globe. Today, there is heated competition for the record to hold the most records (currently held by Ashrita Furman, 114 records and counting), as well as classic curiosities that have lasted for decades (the tallest man in history is still Robert Wadlow, at 8' 11"). Interwoven into all of this is Olmsted's account of his own two successful recordsetting attempts, the first involving traveling halfway around the world with his

golf shoes—"Greatest Distance Between Two Rounds of Golf on the Same Day"—and the second causing him to nearly lose his mind while playing the world's longest poker session. Why do people devote so much energy to get into the record book, often at great risk? Why do the most extreme fans devote their entire lives to this pursuit? Why is society so obsessed with records and record breaking? Why do Americans alone buy a million and a half copies of the famous book every year, propelling it to the top of the bestseller lists decade after decade? Why do readers of all generations remember the same record holding icons, the fattest twins, the longest fingernails, and the tallest man? After his own journey inside the world of record breaking, these are the questions Olmsted attempts to answer. In the tradition of the bestselling *Word Freak*—a *mélange* of travelogue, memoir, investigative journalism, and history—*Getting Into Guinness* is a must-read for anyone who has ever read Guinness World Records and wondered why someone would grow their fingernails for an entire lifetime.

A deliciously steamy gothic romance for fans of EL James and Sylvia Day Remy Davies is under pressure, as the designer for an opulent

gothic wedding. There's the over-stressed bride, a trinity of vampire-obsessed bridesmaids, a wayward groom, and then there's the best man . . . Silk looks like he's been drawn by a manga artist; beautiful, exotic, and with a predatory sexuality. Remy has to have him, in her bed and between the pages of her new catalogue. Remy is about to launch herself into the alternative fashion world, and Silk is going to sell it for her whether he knows it or not. But Silk is nobody's toy, and for all his androgyny, he's determinedly heterosexual. Pity, since Remy's biggest fantasy is to see him making out with her Japanese biker, sometime boyfriend, Takeshi.

Eliza may never forgive the man who nearly ruined her sister, but that doesn't mean she can't marry him. Eliza Beucraft is in a pickle. She'd thought she'd successfully avoided marriage altogether, but her father has other ideas. Unless she wants to be stuck with the cruel gentleman of her father's choosing, she must find her own husband. Preferably one who needs her dowry and is willing to take a risk on her admittedly ludicrous plan. There's only one man who comes to mind. A man she despises after his devilish deeds two years ago, but one who she knows cannot resist a wager. Now if only she can remember that his kisses aren't real and that this marriage is only for show... Everyone knows that Jed Cleveland has made more than his fair share of mistakes. He hasn't gambled in years, yet he's still paying his debts and making amends for his sins. But only one woman knows how

close he came to losing his soul along with his family's fortune, and he's avoided Eliza Beaucraft ever since. She's the one woman who knows his darkest secret, and maybe the one person who can offer him salvation. But it isn't redemption she's offering--it's marriage. When she comes to him with a proposition that could give them both the freedom they crave, he can't help but take one last chance on fortune. And maybe, just maybe, he'll win more than he ever deserved...her heart.

WHAT WOULD YOU WAGER FOR LOVE? In the high stakes gentleman's world of 18th century horseracing, when the blood of the "desert kings" ruled the English turf, a hero returns from war to claim the girl he has loved since he first spied her riding hell-for-leather over the Doncaster heath. Determined to have her at any cost, he will risk everything. A story of star-crossed lovers and horseracing, *THE HIGHEST STAKES* transports the reader to 18th century England, an era infamous for corruption, arranged marriages, and high stakes gambling; when racing and breeding became the obsession of the uppermost elite, and a match race might replace a duel in settling a point of honor. Through the fictional love story of Robert Devington and Charlotte Wallace, a tale of drama, danger, thwarted

love, and retribution unfurls...

When the most desperate of times calls for the most scandalous of measures. James Trelissick, Marquis of Lasterton, has but one plan: to get his sister and mother back from the notorious pirate who stole them from their ship bound for the Americas, without creating the scandal of the season. After months of fruitless searching, his family name and his sister's reputation hang dangerously by a single thread. So, taking matters into his own hands, he kidnaps the one woman who must hold some of the answers: the daughter of the pirate captain. Daniella Germaine's only wish is to be reinstated to the decks of her father's pirate ship. She will do whatever it takes to regain his attention after he decides she needs to be a real lady and ships her off to London to find a husband. With disgrace her last option, she tries everything she can think of to scandalise: riding at breakneck speed through the park to win a gentleman's wager and swimming naked in the moonlight. It's during another of these deeds of daring that her plans fall to pieces and her future lands in the hands of a man with not a lot left to lose... Somewhere along the road to ruin, when lives are at stake and hearts are torn, Daniella and James must each decide between what they

want, and what they actually need, to really live... A feisty, sexy historical novel of daring, lust, and finding love in the most unlikely places.

This story is written for all those who believe America's best days still lie ahead. Follow the Walbert family as successive generations of Americans navigate through triumphs and challenges—from the Great Depression through the modern-day global war on terror. As members of the World War II generation, John and Margaret Walbert used the advantages of life in a small Montana town to raise their children and prepare them for the future. Despite John's best efforts, the relationship with his son Billy crumbled. To salvage the deteriorating father-son relationship, the family's minister, Father Alex, used Montana's great outdoors as a leverage point to reconnect father and son. Many of the things Billy learned with his dad and Father Alex served him well as he connected with his own son Luke during America's fight against global terror. This is an uplifting story about how one family successfully passed America's torch of freedom from one generation to the next. It illustrates how the American fabric is truly unique in its ability to continually regenerate.

from the start and dragging him down with her isn't an

option. Jack Landry has never faced a mission as

dangerous or exhilarating as falling for Cassandra.

After winning her in a card game at the notorious

Gentleman's Club, Jack isn't ready to give her up. But

her arrest puts her, and a chance at a relationship out

of reach. Cassandra refuses to rekindle the passion

they once shared and Jack might lose the only woman

he's ever really cared for. With a killer still on the loose and a shadowy conspiracy looming over them, Jack has to use all of his skills as a security expert to protect her and clear her name. When his allies at the FBI turn on him, he knows he's on his own. Not willing to let her go, Jack throws himself into a final mission: to save Cassandra from prison and capture her heart forever. With Jack determined to win her back and make her his, could one last poker game at the Gentleman's Club seal their fates forever? Jesus was not in a hurry. He had only three years of public ministry—three years to heal and teach and

change the world—but the Bible never tells us he was rushing through them. We are the ones who rush through them. Catching the gist of this parable. Smiling at the punch line in that dialogue. We can race through the Gospels in hours, fully briefed on Christ's life, but hardly changed. Until we sit down with Mike Nappa's *God in Slow Motion*. Nappa hasn't carved up the Gospels for quick review or sliced them into tiny pieces for academic study. He has taken ten important moments from the life of Christ and reveled in them, chewing on their words, relating them to life, comparing them with modern culture, allowing the Spirit to work, and letting Christ change him. The result is a rich, personal, and biblical narrative about Jesus and how His purposes unfold, then and now. See how God is sneaky about his glory. How he presents evidence for belief. How he can be comforting and terrifying at once. This is the "good news" in all its many-splendored wonder: the life of Christ, frame by frame. And it is worth every minute because it will change you too.

Based on a true event, *CASPION* takes you on a singular quest, both heroic and tragic, through the great buffalo hunt and the vanquishing of the Plains Indians (1871-1876). Riding the crest of the bloody tide is Jim Caspion, a Civil War veteran turned buffalo hunter, a man of notable conscience and courage, ever haunted by the war, yet fleeing settlement and routine, forswearing the practicable for the exotic, the forbidden, and the extreme. From the opening pages when he rides into a buffalo stampede to escape a

band of Cheyenne, to the very end, his fate is inexorably tied to the white buffalo he spies in his harrowing flight. Thereafter its spiritual aspect exerts a growing influence over his own wry, sensual nature, altering his outlook, determining his path. When he meets Moneva, a Cheyenne outcast, their love saga marks another verse in the enduring myth of the West that still shapes and sustains us.

The Big Book of Jewish Conspiracies

Originally written as a 1957 television play and adapted first as an Academy Award-winning 1961 film and as a recent Broadway production, this acclaimed drama brings to life the post-World War II international tribunals at Nuremberg in which Nazi war criminals were brought to justice for their crimes against humanity. Original.

The editors of Heeb: The New Jew Review present a witty look at instances of Jewish conspiracy throughout history, from Moses and his role in the Ten Plagues that brought about the Exodus to why the Jews invented and still run Hollywood to why the

Jews invented fast food. Original. 35,000 first printing.

A centuries-old secret lays buried and forgotten. An exquisite pendant contains an obscure record of the hidden location. A country road, long abandoned and overgrown, leads to a priceless treasure. And the connection between these elusive clues is grasped by a resolute highwayman who hides behind mask, sword, and pistol. But this feared "Gentleman of the Road" is actually a woman, Zamora Delevan.

Considered her family's poor, unremarkable cousin, she conceals a lethal skill. Her father Richard, one of the King's most proficient military fencing masters, privately trained Zamora at his London studio until her expertise rivaled his own. After Richard's premature death in 1721, Zamora finds herself thrust into the world of rural aristocrats who exploit England for personal gain. In an effort to ensure justice, and to prevent the foreclosure of her family's estate, Zamora -- in the guise of a highwayman -- embarks upon a dangerous journey where honor, love, and revenge are fulfilled at the point of a sword.

God in Slow Motion

The debate between proponents of Darwinism and those of Intelligent Design has reached the status of a full-scale public battle. With stories of qualifying statements about evolution in public school textbooks and the recent 70th anniversary of the Scopes Monkey trial in the news, the question about our origins will not be put to rest. Following up his award-winning Doubts about Darwin, Thomas Woodward traces the continuing saga of the ID movement in Darwin Strikes Back. Focusing on the emerging key players on both sides--Michael Behe, William Dembski, Kenneth Miller, Robert Pennock, and more--Woodward helps readers navigate the tangled maze of public debate, including anti-ID activism from Christians, and shows them what might be coming next.

From Madelynne Ellis, author of the bestselling books 'A Gentleman's Wager' and 'Anything but Vanilla'. 'Confessions of a Greedy Girl' is perfect for fans of Sylvia Day and E L James.

She's the disgrace of the county... Bella Rushdale has returned home still unwed having eloped with Viscount Marlinscar, and she's now engaged in a scandalous liaison with the Marquis of Pennerley. Remote Yorkshire society is outraged! Something ought to be done. Even the untrained observer can see there's something deliciously perplexing about the relationship between Bella and the two rascals responsible for her disgrace. As rumours of

unnatural activities, forbidden pleasures and the inevitable repercussions abound, Bella vigorously resists her brother's attempts to strong-arm her into wedlock. But, all too soon everything gets out of hand, putting Bella at risk of losing far more than her reputation. Can three people whose lives and hearts are so inexorably bound forge a lasting bond? Or is their love as ill-fated as society would have them believe? The Serpent's Kiss is a Regency-set historical romance with a high heat including M/F, M/M and M/M/F interactions. jazz as Britain races forward into an age of peace and prosperity. London's back alleys, however, are filled with broken soldiers and still enshadowed by the lingering horrors of the Great War. Only a few years removed from the trenches of Flanders himself, Lieutenant Eric Peterkin has just been granted membership in the most prestigious soldiers-only club in London: The Britannia. But when a gentleman's wager ends with a member stabbed to death, the victim's last words echo in the Lieutenant's head: that he would "soon right a great wrong from the past." Eric is certain that one of his fellow members is the murderer: but who? Captain Mortimer Wolfe, the soldier's soldier thrice escaped from German custody? Second Lieutenant Oliver Saxon, the brilliant codebreaker? Or Captain Edward Aldershott, the steely club president whose Savile Row suits hide a frightening collision of mustard gas scars? Eric's investigation will draw him far from the marbled halls of the Britannia, to the shadowy remains of a dilapidated war hospital and the heroin dens of Limehouse. And as the facade of gentlemenhood cracks, Eric faces a Matryoshka doll of murder, vice, and secrets pointing not only to the officers of his own club but the very investigator assigned by Scotland Yard.

A decadent regency romance for fans of EL James and Sylvia Day When eighteenth-century young lady Bella Rushdale finds herself fiercely attracted to handsome landowner Lucerne Marlinscar, she does not expect the rival for her affections to be another man. However, the handsome and decadent Marquis Pennerley has desired Lucerne for years and, when they are brought together at the remote Lauwine
