Own the ASVAB test with the #1 guide on the market! Passing the ASVAB test is the essential ticket to getting into your dream branch of the military—and a good score can determine the shape of your career. A stellar performance can also help you get grants and bonuses for school, so—no pressure! But don't be daunted: like any military operation, having the right plan of attack and equipment are key—and as the number-one-selling guide year after year that's packed with all the information you need to win, the latest edition ASVAB For Dummies takes care of both of these in one! In a friendly, straightforward style, Angie Papple Johnston—who passed the test herself in 2006 to join the Army—provides in-depth reviews of all nine test subjects. Don't worry if you slept through some of this material in school; you'll find a complete refresher on everything you'll be expected to know—plus full explanations for every answer, drill exercises, and strategy cheat sheets for verbal, math, and general sciences. You'll also get tips on how to pinpoint areas where you need to develop mental muscle and to strengthen your test-taking skills. And if this weren't already giving you some pretty awesome firepower, you can also go online to reinforce your game using flashcards and customizable practice tests calibrated to address areas where you need help the most. Match your skills against practice problems Drill your math, science, and English knowledge to perfection Master test strategy and tactics Get one-year access to additional practice tests, flashcards, and videos online Whatever your aim for your military career, this book provides the perfect training ground for you to be the very best you can be on the day of the test!

Kaplan's SAT Prep 2018 teaches you the ins and outs of the SAT so that you can face the exam with confidence on Test Day. With clear explanations, detailed subject review and hundreds of practice questions, SAT Prep 2018 helps you master Kaplan's proven strategies and adopt the winning mindset that will help you ace the test and give your college applications a boost! Kaplan is so certain that SAT Prep 2018 offers the guidance you need that we guarantee it: After studying with our online resources and book, you'll score higher on the SAT—or you'll get your money back. The Best Practice More than 700 practice questions with detailed explanations, including brand new questions for this edition. Two full-length Kaplan practice tests: one in the book and one online. Expert scoring, analysis, and explanations for one official College Board SAT Practice Test. Detailed chapters teach you The Kaplan Method strategies for each test section, including special techniques for the optional essay. In-depth sections on each question type and math skill, with practice questions for each. Kaplan's SmartPoints system helps you identify how many points you're likely to earn when you master each topic. Questions have been reviewed, revised and updated for 2017-2018 by Kaplan's all-star expert faculty. Expert Guidance We know the test: Our Learning Engineers have put tens of thousands of hours into studying the SAT - using real data to design the most effective strategies and study plans. Kaplan's expert psychometricians make sure our practice questions and study materials are true to the test. We invented test prep—Kaplan (www.kaptest.com) has been helping students for almost 80 years, and more than 95% of our students get into their top-choice schools. Our proven strategies have helped legions of students achieve their

dreams. Want video lessons, more practice tests, mobile study options, and extra online practice? Try SAT Prep Plus 2018.
