The purpose of this monthly digest is to help to encourage and assist in the daily reading of the ministry in the Lord's recovery. Its two specific goals are: (1) to help the saints to enter into the riches of The Collected Works of Witness Lee and (2) to provide ministry content for the churches in their corporate weekly pursuit. The Collected Works of Witness Lee comprises one hundred thirty-nine volumes arranged chronologically by year. In this digest we will focus primarily on specific topics from many of these volumes and introduce selected readings on these topics to saints who do not have access to the printed volumes. It is our desire to help the saints get into the riches contained in The Collected Works of Witness Lee topic by topic. This publication will help the saints and churches develop a taste and deepen the desire for reading the ministry in a consistent way. It is intended to supplement and not replace the Recovery Version of the Bible, the Life-study messages, The Holy Word for Morning Revival, and The Ministry of the Word magazine. Each issue of Ministry Digest will be divided into four sections with four messages in each section. The first issue begins the following four sections: 1. The History of the Lord's Recovery 2. Words for New Believers 3. Maturing in Life 4. The High Peak of the Divine Revelation

You've accepted the invitation. Are you ready to take the next step? From the New York Times bestselling author of Dinner with a Perfect Stranger, Open will forever change the way you think about faith. It wasn't the end of the world. It was just the end of Emma Jameson's world. Fresh off the heels of a devastating breakup and floundering in her career, Emma is struggling to come to grips with why God allows so much pain in our lives, why He seems so absent when she needs Him most, and why the

Gospel accounts--our supposed guide for how to lead a contented Christian life--feel so completely irrelevant. Then one day, a mysterious envelope arrives in Emma's mailbox with the word Open written on the outside. Inside the envelope is a card bearing the following message: "For a real adventure with Jesus, go through the nearest open door." Skeptical, but having absolutely nothing to lose, Emma steps through the pantry door, only to find herself instantly transported back to the first century, where she is taken on a personal tour of various Gospel accounts by none other than Jesus himself--an experience that radically challenges Emma's perception of the Gospels and what it really means to be a Christian.

The goal of this book is to make it easier for scientists, especially those new to scientific writing, to write about their results and to get their manuscripts accepted in peer-reviewed journals. The book covers each step throughout the submission process, from organizing and outlining the manuscript, presenting statistical data and results, to what happens during the in-house manuscript review process and what to do if an article is initially rejected. In addition to providing practical exercises on these topics, the book focuses on helping writers distil their research into concise take-home messages for readers, in order to convey information as clearly as possible to the target audience.
