NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gag controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The leading text in the U.S. survey course.

Brooklyn—famed for its bridge, its long-departed Dodgers, its Botanic Garden, and its accent—is the most populous borough in New York City and arguably the most colorful. Its many neighborhoods boast diverse and shifting ethnic enclaves, an abundance of architectural styles, and an amazing number of churches and festivals. Generously illustrated with both historical and contemporary photographs, The Neighborhoods of Brooklyn is an indispensable and entertaining guide. Begun as an offshoot of The Encyclopedia of New York City, which provides much of the historical background, the book takes its character from the neighborhoods themselves, as detailed by the Citizens Committee for New York City and Brooklyn Borough Historian John Manbeck. Taking us on a tour of some 90 neighborhoods (including ghost neighborhoods that no longer exist), the book identifies the boundaries of each one through a neighborhood profile and a street map. There is also an essay on each neighborhood as well as an insert with practical tips on subways, buses, libraries, police precincts, fire departments, and hospitals. In addition, each entry includes eclectic neighborhood facts: Erasmus Hall Academy, in Flatbush, boasts such famous graduates as Barbra Streisand and Bobby Fischer; during Poland's 1990 elections, more than 5,000 absentee ballots were postmarked Greenpoint. The introduction by Kenneth T. Jackson gives an overview of Brooklyn, while an index allows readers to locate key sites within the borough. In 1898, when it was the third largest city in the United States, the City of Brooklyn merged with New York City to become one of its five boroughs. A century later it is time to salute this unique community in a book that will be an essential resource for past, present, and future residents. The Neighborhoods of Brooklyn is the first in a series on New York's five boroughs.

This is a preassembled package of Give Me Liberty: An American History, volume 1 (978-0-393-41816-3) and Voices of Freedom: A Documentary History, volumes 1 and 2 (978-0-393-69691-2 and 978-0-393-69692-9). Affordable at an exceptional value, this leading text in the U.S. survey course and its best-selling companion reader have both been updated for the Sixth Edition.

America: A Narrative History

A History

Bonds of Enslavement in the Islamic Middle East

A History of Capitalism in China and India

Fifth Edition, One Volume

Rhinelander v. Rhinelander and the Law of the Multiracial Family

*Edited by Eric Foner and coordinated with each chapter of the text, this companion to Give Me Liberty! includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.*

*A history of capitalism in nineteenth- and twentieth-century China and India exploring the competition between their tea industriesTea remains the world's most popular commercial drink today, and at the turn of the twentieth century, it represented the largest export industry of both China and colonial India. In analyzing the global competition between Chinese and Indian tea, Andrew B. Liu challenges past economic histories premised on the technical "divergence" between the West and the Rest, arguing instead that seemingly traditional technologies and practices were central to modern capital accumulation across Asia. He shows how competitive pressures compelled Chinese merchants to adopt abstract, industrial conceptions of time, while colonial planters in India pushed for labor indenture laws to support factory-style tea plantations. Further, characterizations of China and India as premodern backwaters, he explains, were themselves the historical result of new notions of political economy adopted by Chinese and Indian nationalists, who discovered that these abstract ideas corresponded to concrete social changes in their local surroundings. Together, these stories point toward a more flexible and globally oriented conceptualization of the history of capitalism in China and India.*

*The leading U.S. history textbook, with a new focus on "Who is an American?"*

*Never HIGHLIGHT a Book Again!* Virtually all of the testable terms, concepts, persons, places, and events from the textbook are included. A Documentary History

Freedom

An American History

The leading text in a brief, full-color edition. Clear, concise, integrated, and up-to-date, Give Me Liberty! is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Brief Fourth Edition is streamlined and coherent, and features stronger coverage of American religion, a bright four-color design, and a reinforced pedagogical program aimed at fostering effective reading and study skills.

America is the leading narrative history because students love to read it. Additional coverage of immigration enhances the timeliness of the narrative. New Chapter Opener videos, History Skills Tutorials, and NortonOs adaptive learning tool, InQuizitive, help students develop history skills, engage with the reading, and come to class prepared. What hasn't changed? Our unmatched affordability. Choose from Full, Brief (15% shorter), or The Essential Learning Edition—featuring fewer chapters and additional pedagogy.

Clear, concise, integrated, and up-to-date, Give Me Liberty! is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Fourth Edition features stronger coverage of American religion and a reinforced pedagogical program aimed at fostering effective reading and study skills. The Seagull Edition includes the full text of the regular edition in a compact volume, for an affordable price.

Many Americans assume that the country was founded by skeptics of "big government," who saw minimal state power as freedom's prerequisite. Annelien de Dijn takes on this myth. In fact, this was the view not of the eighteenth- and nineteenth-century revolutionaries who created modern democracies, but of their critics and opponents.

Give Me Liberty! An American History

**DIY**This briefly told history of Reformed Protestantism takes these churches through their entire 500-year history—from sixteenth-century Zurich and Geneva to modern locations as far flung as Seoul and São Paulo. D. G. Hart explores specifically the social and political developments that enabled Calvinism to establish a global presence ./divDIY /divDIYHart's approach features significant episodes in the institutional history of Calvinism that are responsible for its contemporary profile. He traces the political and religious circumstances that first created space for Reformed churches in Europe and later contributed to Calvinism's expansion around the world. He discusses the effects of the American and French Revolutions on ecclesiastical establishments as well as nineteenth- and twentieth-century communions, particularly in Scotland, the Netherlands, the United States, and Germany, that directly challenged church dependence on the state. Raising important questions about secularization, religious freedom, privatization of faith, and the place of religion in public life, this book will appeal not only to readers with interests in the history of religion but also in the role of religion in political and social life today./div
**This first comprehensive history of the social and political aspects of vaccination in the United States** tells the story of how vaccination became a widely accepted public health measure over the course of the twentieth century. One hundred years ago, just a handful of vaccines existed, and only one, for smallpox, was widely used. Today more than two dozen vaccines are in use, fourteen of which are universally recommended for children. State of Immunity examines the strategies that health officials have used—ranging from advertising and public relations campaigns to laws requiring children to be immunized before they can attend school—to gain public acceptance of vaccines. Like any medical intervention, vaccination carries a small risk of adverse reactions. But unlike other procedures, it is performed on healthy people, most commonly children, and has been mandated by law. Vaccination thus poses unique ethical, political, and legal questions. James Colgrove considers how individual liberty should be balanced against the need to protect the common welfare, how experts should act in the face of incomplete or inconsistent scientific information, and how the public should be involved in these decisions. A well-researched, intelligent, and balanced look at a timely topic, this book explores these issues through a vivid historical narrative that offers new insights into the past, present, and future of vaccination.

**Proven ways to create a more loving family** Research proves that happy families are good for health, longevity, peace of mind, productivity, and success. In The Secrets of Happy Families, Scott Haltzman offers an original approach to building family contentment that works for families of all ethnicities and make-ups—two-parent, single-parent, blended, childless, or same-sex couple. He provides a "positive psychology" way of solving family problems through strategy and leadership, including knowing and accepting who you are, taking a leadership role in loving and united relationships, building a network of support in extended families and communities, and making quality time for fun, adventures, holidays, and rituals.

As If Silent and Absent

DIV This landmark book looks at what it means to be a multiracial couple in the United States today. According to Our Hearts begins with a look back at a 1925 case in which a two-month marriage ends with a man suing his wife for misrepresentation of her race, and shows how our society has yet to come to terms with interracial marriage. Angela Onwuachi-Willig examines the issue by drawing from a variety of sources, including her own experiences. She argues that housing is a barrier to interracial couples. In a society in which marriage is used to give, withhold, and take away status—in the workplace and elsewhere—she says interracial couples are at a disadvantage, which is only exacerbated by current law. /div
Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil: completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different from what he appears to be. The novel is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable Mr. Hyde. Jekyll and Mr. Hyde is a thrilling Gothic horror novel.
