

Give Please A Chance

In this #1 New York Times bestseller, Bill O'Reilly and James Patterson together present a beautifully illustrated, instantly classic picture book that celebrates the magic of the word "Please" for our children. In this inspired collaboration, bestselling authors Bill O'Reilly and James Patterson remind us all that a single word -- "Please?" -- is useful in a thousand different ways. From finding a lovable stray dog to needing a partner on a seesaw, from reading a bedtime story to really, really needing a cookie, Give Please a Chance depicts scenes and situations in which one small word can move mountains. With a vivid array of illustrations by seventeen different artists, this charming, helpful book is a fun and memorable way for children to learn the magic power of one simple word: please.

Give your dream a chance takes you on a journey of self discovery. You will understand who you are and how you have been programmed to be what you are by family, culture and your environment. On this journey, you will learn how to unlock your dream and make it to your specifications.

Give Peace a Chance

Fahrenheit 451

I never forgot you, and the way you made me feel that first time. I never forgot you, even when you left me six years ago without saying goodbye. You were my brother's best friend, and I was in love... I never expected to see you again, but here we are... I never thought our relationship had a second chance, And here we are... Ash Raven - I loved you yesterday, I love you today, and I will love you forever. Would you be willing to give our love another chance after all this! -Beth McAdams, mother of your daughter, the miracle we created six years ago, and I kept it a secret from you. OMG... Does that make me a terrible person?

Last Chance U star Brittany Wagner shows readers that even when they think they have failed and all hope is lost, every day offers a new chance to get up, start over, and seize the opportunities that come their way. In the Netflix hit docuseries Last Chance U, athletic academic counselor Brittany Wagner helped student-athletes who found themselves at a crossroads dig deep and move beyond personal failure to find success. Wagner's core mission--empowering others to bring their A-game into every interaction--is offered to readers here in Next Chance U, a motivational guide to personal success. Delivering practical strategies to help readers overcome obstacles, develop a growth mindset, and get out of their own damn way, she shares personal stories and lessons learned-- from her own life and those she has counseled--with the same tough love and no-nonsense attitude that made her a fan favorite. Like many of the athletes she's worked with over the years, Brittany Wagner hasn't had it easy. From toxic relationships to challenging work environments, Brittany has had her own share of disappointments and setbacks in life, but her ability to reframe each day as an opportunity to start fresh has allowed her to rewrite her story and inspire those she's counseled to do the same. Sharing the daily habits and best practices that have helped her student-athletes go from their worst days to careers in the NFL, Next Chance U applies Brittany's experiential wisdom to everyday situations, giving readers a motivational shot in the arm to view every day as an opportunity to be better than before and put in the hard work necessary to make their dreams come true. She shares stories from her own life and those she has counseled with distilled, actionable advice that will embolden everyone from college students to CEOs to step away from their excuses and fearlessly pursue their goals, whether finding a new job, leaving a relationship, or simply having more compassion for themselves and others.

While the achievement gap has dominated policy discussions over the past two decades, relatively little attention has been paid to a gap even more at odds with American ideals: the opportunity gap.

Opportunity and achievement, while inextricably connected, are very different goals. Every American will not go to college, but every American should be given a fair chance to be prepared for college. In communities across the U.S., children lack the crucial resources and opportunities, inside and outside of schools that they need if they are to reach their potential. Closing the Opportunity Gap offers accessible, research-based essays written by top experts who highlight the discrepancies that exist in our public schools, focusing on how policy decisions and life circumstances conspire to create the "opportunity gap" that leads inexorably to stark achievement gaps. They also describe sensible policies grounded in evidence that can restore and enhance opportunities. Moving beyond conventional academic discourse, Closing the Opportunity Gap will spark vital new conversations about what schools, parents, educators, and policymakers can and should do to give all children a fair chance to thrive.

Given Half a Chance is both a snapshot of our world and a call to arms, setting out the most pressing environmental challenges that we face while making a passionate case for why we need to meet them. From fields of solar panels in Nevada to the flourishing agricultural landscapes of Ethiopia; from the traditional water harvesters of northern Rajasthan to Britain's inspiring waste campaigners; from the savannas of Northern Kenya teeming with elephants to the clear skies above Scandinavian cities, amazing things are happening right now across the world. People are acting with hope and courage, against all the odds, to make things better. The challenge before us is to go to scale and to replicate these successful approaches elsewhere, fast: this book draws on firsthand experience and interviews with many of the world's leading experts to show how.

You don't have to love or even like spiders to love this book. In fact, if you really don't like spiders, you'll have a lot in common with the book's narrator, who despite his/her best intentions, cannot help smooshing them! This fresh and very funny non-fiction picture book shares lots of fascinating facts about spiders-like a single spider can eat 50 pounds of bugs in a year!-and in an entirely captivating way. If I'm Trying to Love Spiders doesn't cure your spider phobia, it'll at least make you appreciate how amazing they are...and laugh a lot as you learn about them.

A bighearted novel about falling in love, making a mess, and learning to let go, When You Get the Chance is the next effervescent novel from Emma Lord, New York Times bestselling author of the Reese Witherspoon YA Book Club pick You Have a Match. Nothing will get in the way of Millie Price's dream of becoming a Broadway star. Not her lovable but super introverted dad, who raised Millie alone since she was a baby. Not her drama club rival, Oliver, who is the very definition of Simmering Romantic Tension. And not her "Millie Moods," the feelings of intense emotion that threaten to overwhelm. Millie needs an ally. And when an accidentally left-open browser brings Millie to her dad's embarrassingly moody LiveJournal from 2003, Millie knows just what to do—find her mom. But how can you find a new part of your life and expect it to fit into your old one without leaving any marks? And why is it that when you go looking for the past, it somehow keeps bringing you back to what you've had all along? "Chock-full of musical theater references and humor, the novel includes high-stakes emotional drama that is balanced by supportive friendships and strong, deep family connections...An entertaining personal journey with plot twists galore." - Kirkus Reviews

Written in language sure to touch the heart of teens, this devotional on prayer encourages young people to build endurance, faithfulness, moral strength, and courage into their lives.

Seth is the oppressed kitchen boy at the remote Last Chance Hotel. But when a strange gathering of magicians arrives for dinner, their leader is poisoned. A locked-room murder investigation ensues - and Seth is the main suspect. Can he solve the mystery and clear his name, especially when magic's afoot?

Find the kindness and joy in everyday life with New York Times bestselling author James Patterson's sweetly illustrated picture book about manners for kids. In Give Please a Chance, bestselling author James Patterson showed little ones the magic of the word "please." In his second picture book, he takes young readers on a delightful search for kindness and appreciation in everyday life. Sweetly illustrated scenes from a variety of artists show children saying "thank you" for simple gifts like tickles, ice cream, and Mommy and Daddy's love, reminding us of all we have to be grateful for. !--EndFragment--

From #1 New York Times bestselling author Abbi Glines comes the story of Grant, the sexy playboy who first captured readers' hearts in Fallen Too Far. From #1 New York Times bestselling author Abbi Glines comes the story of Grant, the sexy playboy who first captured readers' hearts in Fallen Too Far. When Harlow Manning's rocker father goes on tour, he sends her to Rosemary Beach, Florida, to live with her half-sister, Nan. The problem: Nan despises her. Harlow has to keep her head down if she wants to get through the next nine months, which seems easy enough. Until gorgeous Grant Carter walks out of Nan's room in nothing but his boxer briefs. Grant made a huge mistake getting involved with a girl with venom in her veins. He'd known about Nan's reputation, but still he couldn't resist her. Nothing makes him regret the fling more than meeting Harlow, who sends his pulse racing. Yet Harlow wants nothing to do with a guy who could fall for her wicked half-sister—even if there are no strings between Grant and Nan. Grant is desperate to redeem himself in Harlow's eyes, but did he ruin his chances before he even met her?

The bestselling author of The O'Reilly Factor, The No Spin Zone, and Who's Looking Out for You? talks straight to kids this time. He is as demanding, direct, and wry as ever—but he's also more revealing too, sharing candid snapshots of his own childhood throughout. Bill O'Reilly, a former schoolteacher, now an award-winning broadcast news journalist, husband, and father of two, joins forces with an experienced educator to bring you, America's youth, a code of ethics by which to live. In this latest book, Bill takes to task bullies, cheaters, advertisers who target you irresponsibly, and parents who fight for their children to win undeserved honors instead of earning them on their own merit. He lays bare the unvarnished truths about sex, money, smoking, drugs, alcohol, and friends. What he has to say about these issues may very well surprise you. He offers coping devices for those enduring a divorce, struggling with teacher, parent, or sibling relationships, and planning their futures. He also shares wisdom on such subjects as death, politics, and God. Whether you take the tests he's provided, take the advice he doles out, or just take a cue from the personal stories he shares, you're bound to make smarter choices in your life, and that's all Bill asks for.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Coming of Age in the CIA

Give Me a Second Chance

Ten Ways to Save the World

A Rosemary Beach Novel

The #1 New York Times bestseller from "one of America's most hilarious and provocative writers . . . a volatile brew of one-liners and vitriol" (Time). Renowned for his cranky conservative humor, P. J.

O'Rourke runs hilariously amok in this book, tackling the death of communism; his frustration with sanctimonious liberals; and Saddam Hussein in a series of classic dispatches from his coverage of the 1991 Gulf War. On Kuwait City after the war, he comments, "It looked like all the worst rock bands in the world had stayed there at the same time." On Saddam Hussein, O'Rourke muses: "He's got chemical weapons filled with . . . with . . . chemicals. Maybe he's got The Bomb. And missiles that can reach Riyadh, Tel Aviv, Spokane. Stock up on nonperishable foodstuffs. Grab those Diet Coke cans you were supposed to take to the recycling center and fill them with home heating oil. Bury the Hummel figurines in the yard. We're all going to die. Details at eleven." And on the plague of celebrity culture, he notes: "You can't shame or humiliate modern celebrities. What used to be called shame and humiliation is now called publicity." Mordant and utterly irreverent, this is a modern classic from one of our great political satirists, described by Christopher Buckley as being "like S. J. Perelman on acid." "Mocking on the surface but serious beneath . . . When it comes to scouting the world for world-class absurdities, O'Rourke is the right man for the job." —Los Angeles Times Book Review "The funniest writer in America." —The Wall Street Journal

From National Book Award-winning author William Alexander comes a wryly humorous story about two kids who try to save their town by bringing back its ghosts. Rosa Ramona Díaz has just moved to the small, un-haunted town of Ingot—the only ghost-free town in the world. She doesn't want to be there. She doesn't understand how her mother—a librarian who specializes in ghost-appeasement—could possibly want to live in a place with no ghosts. Frankly, she doesn't understand why anyone would. Jasper Chevalier has always lived in Ingot. His father plays a knight at the local Renaissance Festival, and his mother plays the queen. Jasper has never seen a ghost, and can't imagine his un-haunted town any other way. Then an apparition thunders into the festival grounds and turns the quiet town upside down. Something otherworldly is about to be unleashed, and Rosa will need all her ghost appeasement tools—and a little help from Jasper—to rein in the angry spirits and restore peace to Ingot before it's too late.

*A top economist weighs in on one of the most urgent questions of our times: What is the source of inequality and what is the remedy? In *Giving Kids a Fair Chance*, Nobel Prize-winning economist James Heckman argues that the accident of birth is the greatest source of inequality in America today. Children born into disadvantage are, by the time they start kindergarten, already at risk of dropping out of school, teen pregnancy, crime, and a lifetime of low-wage work. This is bad for all those born into disadvantage and bad for American society. Current social and education policies directed toward children focus on improving cognition, yet success in life requires more than smarts. Heckman calls for a refocus of social policy toward early childhood interventions designed to enhance both cognitive abilities and such non-cognitive skills as confidence and perseverance. This new focus on preschool intervention would emphasize improving the early environments of disadvantaged children and increasing the quality of parenting while respecting the primacy of the family and America's cultural diversity. Heckman shows that acting early has much greater positive economic and social impact than later interventions—which range from reduced pupil-teacher ratios to adult literacy programs to expenditures on police—that draw the most attention in the public policy debate. At a time when state and local budgets for early interventions are being cut, Heckman issues an urgent call for action and offers some practical steps for how to design and pay for new programs. The debate that follows delves deeply into some of the most fraught questions of our time: the sources of inequality, the role of schools in solving social problems, and how to invest public resources most effectively. Mike Rose, Geoffrey Canada, Charles Murray, Carol Dweck, Annette Lareau, and other prominent experts participate.*

A brutal madman sprays bullets into a crowd of children leaving a San Francisco church. Miraculously-or was it intentionally?-only one person dies. Then an elderly black woman is hung. Police homicide inspector Lindsay Boxer senses a connection and together with medical examiner Claire, assistant D. A. Jill, and Chronicle reporter Cindy, finds a link that sends a chill through the entire nation. This killer's motives are unspeakable. The Second Chance Plan

The O'Reilly Factor for Kids

How to Make Your Life to Order

Take a Chance

Lord of the Flies

This is the perfect book for bedtime reading. Beautifully illustrated. Children go to sleep with a vision of friendship, love, and freedom. By the end, children snuggle cozily in their bed. A favorite for parents and teachers to read to their child or class. Great for beginning readers: The pictures and rhymes are clues to the text. Teachers report it's a big hit in their classrooms, generating laughter and joy, setting a positive caring tone.

Racheli is a regular American modern Orthodox girl. After her marriage, idealism brings her and her husband to Israel where they begin to build a family. Spiritual searchers, the couple falls prey to a cult.

Over a period of six years, Racheli and her husband lose the ability to make their own decisions or protect their children. As a result, Racheli receives a five-year prison sentence. Eighteen months into her prison sentence, Racheli begins to understand where everything went wrong. From here, her healing begins. Upon her release, Racheli marries a prisoner who still has time to serve. With his help, she is able to rebuild herself into a vivacious, mentally and emotionally healthy woman who learns to live with the irreversible consequences of her mistakes and nourish the children and grandchildren with whom she has contact. The book was written to give hope to anyone who feels that they have fallen into a place from which they cannot escape. It shows that you can rebuild yourself and fashion a core of inner strength that will make you into a person you never dreamed you'd be. Give Me a Second Chance sheds light on the dark shadows in this world in the hopes of giving strength to those still in their own personal darkness. The book encourages readers to give a second chance to those who have fallen.

"This lively appreciation of one of the most intimidating and massive novels ever written should persuade many hesitant readers to try scaling the heights of War and Peace sooner rather than later" (Publishers Weekly). Considered by many critics the greatest novel ever written, War and Peace is also one of the most feared. And at 1,500 pages, it's no wonder why. Still, in July 2009 Newsweek put War and Peace at the top of its list of 100 great novels and a 2007 edition of the AARP Bulletin included the novel in their list of the top four books everybody should read by the age of fifty. A New York Times survey from 2009 identified War and Peace as the world classic you're most likely to find people reading on their subway commute to work. What might all those Newsweek devotees, senior citizens, and harried commuters see in a book about the Napoleonic Wars in the early 1800s? War and Peace is many things. It is a love story, a family saga, a war novel. But at its core it's a novel about human beings attempting to create a meaningful life for themselves in a country torn apart by war, social change, political intrigue, and spiritual confusion. It is a mirror of our times. Give War and Peace a Chance takes readers on a journey through War and Peace that reframes their very understanding of what it means to live through troubled times and survive them. Touching on a broad range of topics, from courage to romance, parenting to death, Kaufman demonstrates how Tolstoy's wisdom can help us live fuller, more meaningful lives. The ideal companion to War and Peace, this book "makes Tolstoy's characters lively and palpable...and may well persuade readers to finally dive into one of the world's most acclaimed—and daunting—novels" (Kirkus Reviews).

Drawing on more than a decade's experience as director of The Kartini Clinic, Julie O'Toole offers a fresh perspective on childhood eating disorders and invaluable insights for parents and professionals. Describing the foundational philosophy behind The Kartini Clinic's proven and world-renowned treatment protocol, O'Toole presents compelling evidence that childhood eating disorders have a neurological rather than a psycho-social basis, and explains what this means for treatment. She describes clearly what patients and families can expect from treatment, signs and symptoms indicating the need for hospitalization, and advice on how to recognise a relapse. The book also includes clear descriptions of The Kartini Clinic's ground-breaking Meal Plan and approach to 'capping' weight gain. Give Food a Chance is an invaluable resource that will give parents and professionals everywhere the information, encouragement, and support they need to deal with this often misunderstood disorder.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

War and Peace is considered one of the world's greatest works of fiction. It is regarded, along with Anna Karenina, as Tolstoy's finest literary achievement. Epic in scale, War and Peace delineates in graphic detail events leading up to Napoleon's invasion of Russia, and the impact of the Napoleonic era on Tsarist society, as seen through the eyes of five Russian aristocratic families.

A spin-off chapter book series in the world of the Flytrap Files, from New York Times bestselling author Tom Angleberger! After working as a nanny for the power hungry ShrubBaby (a deceptively adorable baby shrub), DJ Funkyfoot—a chihuahua who dreams of being a butler—has finally landed his dream job. A real actual butler gig! He's been hired to butle for President Horse on the day that the president needs to sign a peace treaty with the Queen of Wingland. But the president doesn't feel like it. All he wants to do is kick back, relax, and play some mini-golf. It's up to DJ Funkyfoot to get the president through his mini-golf game quickly so he can get the treaty signed on time to stop the war and save the day! The books will take place in the same world as Inspector Flytrap and Didi Dodo but do not require knowledge of the world.

"In an intense tale of psychological suspense, a San Francisco psychiatrist becomes

sexually involved with a female patient who suffers from multiple personality disorder, and whose pathological ex-husband is an Oakland homicide detective--from a Los Angeles Times Book Prize-winning author. Dr. Eldon Chance is a brilliant, lonely, forensic neuropsychologist with a long track record of getting involved with damaged, complicated women. While apartment hunting after separating from his wife, a series of bad decisions leads to Chance sleeping with a patient named Jaclyn Blackstone. Unfortunately her ex-husband is an Oakland homicide detective and the jealous type. Meanwhile, Dr. Chance meets a young man who goes by "D"; Chance believes he is a war-veteran, but he is in fact a deranged loner and self-styled Samurai skilled in the art of the blade. D is fascinated by Chance's tales of his tormented and increasingly dangerous affair with Jaclyn and advises him that her ex-husband will find a way to destroy Chance. As Detective Blackstone does indeed threaten the doctor, Chance and D plan a counter-strike. Meanwhile Chance continues his steamy affair with Jaclyn Blackstone (or is it one of her multiple personalities?) But the sexually voracious "Jackie Black" has a story that is far more complex and darker than he could have ever imagined . . . Gritty, twisted, and impossible to put down, the surprises keep coming in Chance until the final page has been turned"--
Give Your Dream a Chance

Closing the Opportunity Gap

Give Hope a Chance

Give Me Another Chance

What Do You Do With an Idea?

A Chance and Hope (Book Three)

From #1 New York Times bestselling author Lauren Blakely comes a second chance romance that'll make your heart feel good! I have a big plan for my career and it most certainly doesn't involve my ex. AKA my first love. It definitely doesn't entail working with him every day on a brand-new project for my jewelry line. And it absolutely doesn't include falling for the man all over again. But the trouble is, he's kind, charming and so darn smart. Not to mention easy on the eyes. And thoughtful, too. Also, he wants to get to know me again. To take me out for coffee, to chat on the phone, to go to museums. It's a dizzying, delicious courtship, but I don't know if my heart can handle this from the man who broke it to pieces once upon a time... Or am I willing to risk everything for a second chance at first love? Author's Note: Note: in 2013, I wrote CAUGHT UP IN US, and though it's no longer available for sale, the characters of Kat and Bryan seemed to demand another chance in the spotlight. THE SECOND CHANCE PLAN is a reimagining of their second chance romance, with 70 percent brand-new material, vastly expanded characterizations, and his POV woven into the story, so you can come to know and love Kat and Bryan at their best, like I do. Enjoy!

INSTANT NEW YORK TIMES BESTSELLER "Fast and thrilling . . . Life Undercover reads as if a John le Carré character landed in Eat Pray Love." —The New York Times Amaryllis Fox's riveting memoir tells the story of her ten years in the most elite clandestine ops unit of the CIA, hunting the world's most dangerous terrorists in sixteen countries while marrying and giving birth to a daughter Amaryllis Fox was in her last year as an undergraduate at Oxford studying theology and international law when her writing mentor Daniel Pearl was captured and beheaded. Galvanized by this brutality, Fox applied to a master's program in conflict and terrorism at Georgetown's School of Foreign Service, where she created an algorithm that predicted, with uncanny certainty, the likelihood of a terrorist cell arising in any village around the world. At twenty-one, she was recruited by the CIA. Her first assignment was reading and analyzing hundreds of classified cables a day from foreign governments and synthesizing them into daily briefs for the president. Her next assignment was at the Iraq desk in the Counterterrorism center. At twenty-two, she was fast-tracked into advanced operations training, sent from Langley to "the Farm," where she lived for six months in a simulated world learning how to use a Glock, how to get out of flexicuffs while locked in the trunk of a car, how to withstand torture, and the best ways to commit suicide in case of captivity. At the end of this training she was deployed as a spy under non-official cover--the most difficult and coveted job in the field as an art dealer specializing in tribal and indigenous art and sent to infiltrate terrorist networks in remote areas of the Middle East and Asia. Life Undercover is exhilarating, intimate, fiercely intelligent--an impossible to put down record of an extraordinary life, and of Amaryllis Fox's astonishing courage and passion.

Surprise your mum with a chainsaw, be a bigger star than Tom Cruise, save the world with a plate of veggies, start your new life in a taxi, rescue your family with a tomato, send your dad into a panic with a tractor, do a good deed with a paper bag on your head pack your bags for a trip to the spleen, upset your auntie with ten kilos of chocolate, swap a bomb for three ice-creams on a train . . . and lots more.

An illustrated exploration of the phrase "thank you" and the many scenarios of kindness and gratitude in which it can be used.

Giving Kids a Fair Chance

Not sure whether to high-five bees or run away from them? Well, maybe you shouldn't high-five them, but you definitely don't have to run away from them. In this enthusiastic, hands-on approach to bees, the book's narrator will convince the pizza-loving bee skeptic-and you-of just how cool bees really are. Did you know that 98 percent of bees are girls? Or that they have two stomachs (which would come in handy for more pizza eating)? Bethany Barton's hilarious text and kid-friendly illustrations will have you singing the praises of our buzzing neighbors-or at least will convince you to give bees a chance.

"In the title story, two cousins fight over the death of a potbellied pig but come to a sincere reconciliation in the end. In "Tina La Tinaca," a woman grieving over the death of her son grows so obese that when she dies, an emergency crew must widen the doorway of her home so that her body can be removed. Culture and place figure prominently in Rice's work; most of the stories are set in the lower Rio Grande Valley of Texas and explore issues surrounding contemporary Mexican American life near the

border. These stories ring with the author's distinctive voice and will certainly establish him as one of the most important young Chicano writers today."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved
