Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. The GMAT Integrated Reasoning and Essay strategy guide demystifies the Integrated Reasoning section, which demands a blend of mathematical and verbal proficiency. This book equips students with the core strategies and tools for tackling difficult Integrated Reasoning questions. It also provides effective techniques for approaching the essay portion of the GMAT. Unlike other guides that attempt to convey everything in a single tome, the GMAT Integrated Reasoning and Essay strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Integrated Reasoning and Essay strategy guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's Integrated Reasoning and Essay Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with the GMAC Official Guide, 2016 edition. Designed for students seeking 650+ scores, this guide offers essential techniques for approaching the GMAT's most difficult quantitative questions, as well as extensive practice with challenging problems. You've worked through basic guides and you've taken the practice tests—now take your GMAT score to the next level. Build your higher-level quantitative skills with Manhattan GMAT's Advanced Quant supplement, specially designed for students seeking 650+ scores. This guide combines intense practice with techniques for problem solving and data sufficiency questions, ranging from broad principles to tactics for narrowing down possible answers. The content in the new Manhattan Prep GMAT All the Quant guide is an updated and expanded version of the content in the five-book GMAT Quant Strategy Guide Set, 6th ed. We've taken the five former quant guides—•FDPs, Algebra, Word Problems, Number Properties, Geometry—•and combined them into one comprehensive book, allowing students to learn more effectively across all topics. In addition, cross-topic and test-taking strategies have been expanded and interwoven throughout All the Quant, allowing students to build more advanced skills that will help them earn higher scores on the test. GMAT All the Quant comes with access to Atlas, your online learning platform. Atlas includes an exclusive e-book containing additional chapters covering harder quant content, for those looking for an especially high quant score. Atlas also includes additional practice problems, a full-length adaptive practice exam, interactive video lessons, strategies for time management, and many other study resources. All of the lessons and practice problems in the guide and in Atlas were created by expert instructors with 99th-percentile scores on the GMAT. GMAT All the Quant provides detailed and specialized instruction on Fractions, Decimals, Percents, and Ratios, Algebra, Word Problems, Number Properties, and Geometry. Acing the GMAT requires more than tricks and tips—you've got to master the material and learn how to think your way through GMAT problems. Manhattan Prep guides contain the most in-depth, comprehensive materials available for GMAT studies and are the top-selling GMAT prep guides worldwide. Looking for comprehensive prep for all sections of the GMAT, plus additional practice? Check out Manhattan Prep's All the GMAT set of strategy guides.

Considered the gold-standard in GMAT test prep, Manhattan GMAT's ten strategy guides are the first books on the market to be aligned with the GMAC Official Guide, 2015 and 13th Editions. Fully updated and revised to deal with recent changes to the GMAT, they were designed with a content-based approach. The Number Properties Guide delves into all the characteristics of numbers tested on the GMAT, covering both simple and complicated concepts. Using the fundamental techniques and nuanced strategies developed in this guide, students will be able to tackle even the toughest GMAT problems involving prime numbers, consecutive integers, and many other topics. Unlike other guides that attempt to convey everything in a single tome, the Number Properties Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth.
