Foundation Course for NEET (Part 2): Chemistry Class 9

S Chand's Social Sciences Class IX

Xamidea Mathematics for Class 9 - CBSE - Examination 2021-22

Our NEET Foundation series is sharply focused for the NEET aspirants. Most of the students make a career choice in the middle school and, therefore, choose their stream informally in secondary and formally in senior secondary schooling, accordingly. If you have decided to make a career in the medical profession, you need not look any further! Adopt this series for Class 9 and 10 today.

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life—an epic of struggle, setback, renewed hope, and ultimate triumph.

' A Khushwant Singh short story is not flamboyant but modest, restrained, well-crafted...Perhaps his greatest gift as a writer is a wonderful particularity of description ' —London Magazine Khushwant Singh first established his reputation as a writer through the short story. His stories—wry, poignant, erotic and, above all, human—bear testimony to Khushwant Singh ' s remarkable range and his ability to create an unforgettable PBI - World. Spanning over half a century, this volume contains all the short stories Khushwant Singh has ever written, including the delightfully tongue-in-cheek ' The Maharani of Chootiapuram ' , written in 2008. ' Khushwant ' s stories enthrall...[He has]an ability akin to that of Somerset Maugham...the ability to entertain intelligently ' —PBI - India Today ' His stories are better than [those of] any PBI - Indian writing in English—Times of PBI - India ' The Collected Short Stories leaves the reader in a delightful, inebriated trance ' —Sunday Chronicle ' He is not an ordinary short story writer...[Collected Stories] is delightful reading ' —Hindustan Times

The Present book S.Chand's Principle of Physics is written primarily for the students preparing for CBSE Examination as per new Syllabus. Simple language and systematic development of the subject matter. Emphasis on concepts and clear mathematical derivations

Topi Shukla

Arun Deep's CBSE Success For All Social Science class 8 (For 2022 Examinations)

History, Geography and Civics provides an in-depth and engaging introduction to teaching and learning socio-environmental education from F-6 in Australia and New Zealand. It explores the centrality of socio-environmental issues to all aspects of life and education and makes explicit links between pedagogical theories and classroom activities. Part I introduces readers to teaching and learning history, geography and environmental studies, and civics and citizenship, as well as issues in intercultural and global education. Part II explores the use of media and sources, values and attitudes, assessment and creative teaching. Each chapter provides links to the Australian Curriculum, including cross-curriculum priorities: sustainability, Aboriginal and Torres Strait Islander education, and Asia and Australia's engagement with Asia. History, Geography and Civics encourages the reader to consider their own beliefs, values and attitudes in relation to their teaching and includes provocations and reflective questions to foster discussion and engagement.

NCERT Textbooks play the most vital role in developing student's understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. Oswaal NCERT & CBSE Question Bank Class 8 Mathematics Book (For 2022 Exam)

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

S. Chand's Social Sciences for Class IX is based on the latest syllabus. It is thoroughly revised by incorporating additions as per the Modified Structure of Examination Scheme. The entire subject matter is divided into two parts – Part I and Part II individually.

Willy Wonka's famous chocolate factory is opening at last! But only five lucky children will be allowed inside. And the winners are: Augustus Gloop, an enormously fat boy whose hobby is eating; Veruca Salt, a spoiled-rotten brat whose parents are wrapped a finger; Violet Beauregarde, a dim-witted gum-chewer with the fastest jaws around; Mike Teavee, a toy pistol-toting gangster-in-training who is obsessed with television; and Charlie Bucket, Our Hero, a boy who is honest and kind, brave and true, and good a wildest time of his life!

In winning a medal she is no longer there to receive, a tight-lipped little Polish girl teaches her classmates a lesson. Includes a note from the author's daughter, Helena Estes.

Learn English with this fun course for complete beginners. Simple exercises and lively audio will have you speaking and reading more than 500 words in no time! PLEASE NOTE - this is a replica of the print book and you will need paper and a pen or pencil to do the exercises. The perfect introduction to English vocabulary and grammar, English for Everyone Junior: Beginner's Course provides children aged 6-9 with the support they need as they take the first steps towards learning English as a foreign language. Equally at home in the study or the classroom, this carefully leveled English-language course assumes no previous knowledge of English. It takes children through the basics of the language, helping them use and understand elementary English clearly and confidently. Vocabulary is reinforced with attractive illustrations and reinforced with audio resources. Each language/grammar point is explained in a dedicated panel, accompanied by clear examples of how it's used, and reinforced by exercises. At the back, there is a handwriting guide, grammar overview, and a glossary of language terms used throughout the book. Building on the worldwide success of the English for Everyone series, the Junior Beginner's Course contains everything a child needs to acquire a firm grasp of English in a fun and interactive way.
