The Nexus 7 is Google's first tablet PC, and the first device to use the Android 4.1 Jelly Bean operating system. The Google Nexus 7 Survival Guide gathers all of the available information regarding the Nexus 7 into a single guide, where it can be easily accessed for quick reference. There is no fancy jargon and every instruction is explained in great detail, which is perfect for beginners. In addition, this guide expands on the basics by discussing useful tips that are excellent for more advanced users. With the multitude of new features introduced in Jelly Bean, such as Google Now and an improved Notification

Center, you cannot afford to miss a single one. The level of detail in each chapter sets this guide apart from all the rest. Countless screenshots complement the step-by-step instructions and help you to realize the Nexus 7's full potential. The useful information provided here is not discussed in the official Nexus 7 manual, such as tips and tricks, hidden features, and troubleshooting advice. This guide also goes above and beyond by discussing recent known issues and solutions that may be currently available. This Google Nexus 7 guide includes: - Getting Started - Performing First-Time Setup - Exporting and Importing Files Using a PC or Mac - Finding FREE eBooks - Managing Applications - Purchasing Applications - Uninstalling an Application - Taking Pictures - Applying Special Effects to Pictures - Using the Gmail Application - Writing an Email - Adding Labels to Emails - Making Voice and Video Calls Using Skype - Managing Contacts - Adding a New Contact - Sharing Contact Information via Email - Using the Chrome Web Browser - Opening More than One Website at a Time - Recalling Sites More Quickly on Subsequent Visits - Nexus-friendly Websites that Save You Time Typing in Long URL's - Using the Kindle Reader for the Nexus 7 - Using Play Books for the Nexus 7 - Adjusting the Settings - Using Bluetooth - Changing the Notification Ringtone - Locking the Screen with Your Face - Changing the Wallpaper - Tips and Tricks - Turning Google Now On or Off - Adding a Navigation Shortcut to the Home Screen - Troubleshooting - Google Play Contact Resources

enterprise organization. This book takes you through the evolution of Google Workspace, features included in each Workspace edition, and various core services, such as Cloud Identity, Gmail, and Calendar. You'll explore the functionality of each configuration, which will help you make informed decisions for your organization. Later chapters will show you how to implement security configurations that are available at different layers of Workspace and also how Workspace meets essential enterprise compliance needs. You'll gain a high-level overview of the core services available in Google Workspace, including Google Apps Script, AppSheet, and Google Cloud Platform. Finally, you'll explore the different tools Google offers when you're adopting Google Cloud and migrating your data from legacy mail servers or on-premises applications over to cloud servers. By the end of this Google Workspace book, you'll be able to successfully deploy Google Workspace, configure users, and migrate data, thereby helping with cloud adoption. What you will learn

- Manage and configure users in your organization's Workspace account
- Protect email messages from phishing attacks
- Explore how to restrict or allow certain Marketplace apps for users
- Manage all endpoints connecting to Google Workspace
- Understand the differences between Marketplace apps and add-ons that access Drive data
- Manage devices to keep your organization's data secure
- Migrate to Google Workspace from existing enterprise collaboration tools

Who this book is for This book is for admins as well as home users, business users, and power users looking to improve their efficiency while using Google Workspace. Basic knowledge of using Google Workspace services is assumed.

Do you make use of Google Classroom to support your online and virtual teaching activities? Are you having difficulties navigating your way around the usage of this tool? Do you want to figure out in simple steps how to max out this tool to provide an engaging and fun learning experience for your students? If so, then read on... If you are a teacher or an instructor and you have been carrying out your teaching duties despite the odds in the world today, then you must have heard about Google Classroom. Google Classroom is a handy tool developed by Google corporation and designed to leverage the power of the internet to make distance learning possible and seamless. This software has shown to be the go-to options of millions of teachers and students across thousands of schools and learning institutions because it has a ton of functionalities that are able to simulate the physical learning experience to a very large extent. Despite the usefulness of this powerful tool, especially in this age and time, many teachers are in the dark or are not so enlightened on how to make the most out of it. For these teachers, they turn to many resources scattered across the internet in search of answers – many times, all to no avail. Well, if you are in this position, or you want a detailed but yet simple guide to step up your teaching game, then you are in the right place because in the pages of this book, you will; 1. Gain

deeper insight into the inner workings of Google Classroom. 2. Learn how to set up Google Classroom in simple steps and optimize it for your use as an instructor while still bearing in mind the needs of your students. 3. Be able to create assignments for your students and attach documents to your assignments using Google Docs. 4. Be able to create timed quizzes for your students, add the quizzes to your classes as well as view and grade assignments submitted by your students. 5. Gain expert knowledge on how to step up your online teaching and coaching game through the use of Google Meet to host virtual live meetings with your students. 6. Be shown a ton of tools and extensions you can incorporate into Google Classroom to make the experience for you and your students more engaging. 7. Be exposed to a number of frequently asked questions that most Google Classroom teachers and instructors throw up. 8. Discover a ton of tips and tricks that you should have up your sleeve to provide a more enhanced and fun learning experience for your students. And a whole lot more! There are a lot of salient topics that are covered in this book – topics that are related to getting you equipped with the needed information to make the most out of this amazing distance learning tool. This book aims to help you fully maximize the Google Classroom tool and to take you many steps ahead in your career as a teacher. Waste no further time other than getting a copy of this book RIGHT NOW to get instant access and begin providing a fun and engaging teaching and learning experience for you and your students.
