

Goth A Novel Of Horror Goth A Novel Complete

Fantastic Horror story from the exciting Mortal Realms of Warhammer Age of Sigmar. The Hollow. A lonely Shyishan town, obscured amongst wild moorland, inhabited by folk of vigilant routine. What remains of the once illustrious Gothghul family endures season upon season of monastic isolation in their castle on the hill. Aaric Gothghul, made callous by loss, shuts himself in his study and broods over arcane texts, while his strange and formidable daughter wanders the forests alone. But when the town is threatened by a spate of sinister manifestations, the quiet formality of their days end. Worse still, the upheaval disturbs a terrible family secret – a chilling memory that Aaric has kept buried for twenty-five years. Now, father and daughter must set aside their differences and search for answers to an ancient curse that is somehow linked to their past. Aided by a straight-talking sharpshooter and a shrewd man of faith, they seek to fathom the forces that assail the Hollow. Scholar. Sorceress. Killer. Priest. Four people divided by their secrets and lies, bound together by horror, must unite their strengths to uncover a diabolic mystery – the clue to which they have but one incomprehensible word: Mhurghast.

L to R (Western Style). Ten stories of horror and science fiction from Japan's hottest young author. In one story, the last man on Earth turns out to be a robot. In another story, a man builds a house from the bodies of his murder victims. And in the book's eponymous story, a man sees his girlfriend's corpse decompose... one Polaroid snapshot at a time! NEW YORK TIMES BESTSELLER • "It's Lovecraft meets the Brontës in Latin America, and after a slow-burn start Mexican Gothic gets seriously weird."—The Guardian IN DEVELOPMENT AS A HULU ORIGINAL LIMITED SERIES PRODUCED BY KELLY RIPA AND MARK CONSUELOS • WINNER OF THE LOCUS AWARD • NOMINATED FOR THE BRAM STOKER AWARD ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker, Vanity Fair, NPR, The Washington Post, Tor.com, Marie Claire, Vox, Mashable, Men's Health, Library Journal, Book Riot, LibraryReads An isolated mansion. A chillingly charismatic aristocrat. And a brave socialite drawn to expose their treacherous secrets. . . . From the author of Gods of Jade and Shadow comes "a terrifying twist on classic gothic horror" (Kirkus Reviews) set in glamorous 1950s Mexico. After receiving a frantic letter from her newly-wed cousin begging for someone to save her from a mysterious doom, Noemi Taboada heads to High Place, a distant house in the Mexican countryside. She's not sure what she will find—her cousin's husband, a handsome Englishman, is a stranger, and Noemi knows little about the region. Noemi is also an unlikely rescuer: She's a glamorous debutante, and her chic gowns and perfect red lipstick are more suited for cocktail parties than amateur sleuthing. But she's also tough and smart, with an indomitable will, and she is not afraid: Not of her cousin's new husband, who is both menacing and alluring; not of his father, the ancient patriarch who seems to be fascinated by Noemi; and not even of the house itself, which begins to invade Noemi's dreams with visions of blood and doom. Her only ally in this inhospitable abode is the family's youngest son. Shy and gentle, he seems to want to help Noemi, but might also be hiding dark knowledge of his family's past. For there are many secrets behind the walls of High Place. The family's once colossal wealth and faded mining empire kept them from prying eyes, but as Noemi digs deeper she unearths stories of violence and madness. And Noemi, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind. "It's as if a supernatural power compels us to turn the pages of the gripping Mexican Gothic."—The Washington Post "Mexican Gothic is the perfect summer horror read, and marks Moreno-Garcia with her hypnotic and engaging prose as one of the genre's most exciting talents."—Nerdstix "A period thriller as rich in suspense as it is in lush '50s atmosphere."—Entertainment Weekly

Goth Chic is the first book to properly explore Gothic culture in the modern world. Gavin Baddeley unearths hidden gems from the underground alongside better-known manifestations, including horror comics, fetish clubs, Goth-rock superstars and vampire cultists. The result is a book that provides a peerless primer for Gothic culture novices and an incisive analysis to challenge and compel even the most seasoned veteran of this dark underworld.

Who is Sophie? Infamous Cape Town artist Sophie Tugiers has been missing for several years. Her mysterious disappearance caused a brief ripple before dissolving into a distant media memory. Sophie's controversial art alienated many people: those who didn't consider her a sell-out thought her last exhibition was sadistic – after all, one of her experimental participants committed suicide. James Dempster is a jaded filmmaker with a whiskey problem. Following his acrimonious divorce, he needs a project to relaunch his stalled career. When he discovers he's living in the flat Sophie once rented, he is drawn into her sinister tale. What really happened to Sophie? What are her friends and enemies hiding? After James's flat is ransacked and his research stolen, he realises unearthing the truth could lead not to his redemption but to his demise. The Artist Vanishes explores ambition and success, guilt and responsibility, the ethics around animal research, and art's lasting impact on those it touches.

The Impact of Horror Fiction on Modern Culture

Containing more than 200 images from the archives of Charles S. Anderson Design Co. and a sharply hilarious text by the main writer and host of the legendary "Mystery Science Theater 3000," this is a kitsch and campy testament to America's love of horror.

After a close encounter with a bus, Alona Dare goes from homecoming queen to Queen of the Dead. She's stuck as a ghost in the land of the living with no sign of the big, bright light to take her to a better place. To make matters worse, the only person who might be able to help her is Will Killian, a total loser outcast. More than anything, Will wishes he didn't have the rare ability to communicate with the dead, especially the former mean girl of Groundsboro High. He's not filling out any volunteer forms to help her cross to the other side, though it would bring him some welcome peace and quiet.DIV DIVCan they get over their mutual distrust -- and quasi-attraction -- to work together? Readers of this spirited paranormal comedy won't want this odd couple to ever part.

One of the most popular writers working in Japan today, Mariko Koike is a recognized master of detective fiction and horror writing. Known in particular for her hybrid works that blend these styles with elements of romance, The Graveyard Apartment is arguably Koike's masterpiece. Originally published in Japan in 1986, Koike's novel is the suspenseful tale of a young family that believes it has found the perfect home to grow into. Only to realize that the apartment's idyllic setting harbors the specter of evil and that longer they stay, the more trapped they become. This tale of a young married couple who harbor a dark secret is packed with dread and terror, as they and their daughter move into a brand new apartment building built next to a graveyard. As strange and terrifying occurrences begin to pile up, the people in the building start to move out one by one, until the young family is left alone with someone... or something... lurking in the basement. The psychological horror builds moment after moment, scene after scene, culminating with a conclusion that will make you think twice before ever going into a basement again.

Malia Nurmi, the beautiful and sheltered daughter of Finnish immigrants, stepped off the bus in 1941 Los Angeles intent on finding fame and fortune. She found men eager to take advantage of her innocence and beauty but was determined to find success and love. Her inspired design and portrayal of a vampire won a costume contest that led to a small role on the Red Skelton show which grew into a persona that brought her the notoriety she desired yet trapped her in a character she could never truly escape. This is Malia's story. Her diaries, notes, and ephemera and family stories bring new insights to her relationships with Orson Welles, James Dean, and Marion Brande. Sandra Niemi—Malia's niece—fills in the nuances of her life prior to fame and her struggles after the limelight faded and she found a new community within the burgeoning Los Angeles punk scene who embraced her as their own. , Includes rare photographs.

Eighteenth-century critics believed Gothic fiction would inspire deviant sexuality, instill heretical beliefs, and encourage antisocial violence—this book puts these beliefs to the test. After examining the assumptions behind critics' fears, it considers nineteenth-century concerns about sexual deviance, showing how Frankenstein, Dr. Jekyll and Mr. Hyde, Dorian Gray, and other works helped construct homosexuality as a pathological, dangerous phenomenon. It then turns to television and film, particularly Buffy the Vampire Slayer and David DeCoteau's direct-to-video movies, to trace Gothicized sexuality's lasting impact. Moving to heretical beliefs, Gothic Realities surveys ghost stories from Dickens's A Christmas Carol to Poltergeist, articulating the relationships between fiction and the "real" supernatural. Finally, it considers connections between Gothic horror and real-world violence, especially the tragedies at Columbine and Virginia Tech.

Black History and America's Gothic Soul

The Hellbound Heart

Rachaela worked in a bookstore, a conventional young woman, living a conventional life. Then they beckoned, sending a variety of ruses to lure her to the house by the sea. Now she is a prisoner, part of a family of creatures she cannot escape, lover to a demon who thirsts for her blood.

In these preternatural tales, a girl creates a cell phone in her imagination, with which she can communicate with others...A young boy discovers his new friend has the power to heal others—and learns about true friendship and sacrifice...And the restorative power of love confronts the tragedy and horror of a deadly train accident. -- VIZ Media

Vampires . . . they ache, they love, they thirst for the forbidden. They are your friends and lovers, and your worst fears. "A major new voice in horror fiction . . . an electric style and no shortage of nerve."—Booklist At a club in Missing Mile, N.C., the children of the night gather, dressed in black, look for acceptance. Among them are Ghost, who sees what others do not; Ann, longing for love; and Jason, whose real name is Nothing, newly awakened to an ancient, deathless truth about his father, and himself. Others are coming to Missing Mile tonight. Three beautiful, hip vagabonds—Molochai, Twig, and the seductive Zillah, whose eyes are as green as limes—are on their own lost journey, slaking their ancient thirst for blood, looking for supple young flesh. They find it in Nothing and Ann, leading them on a mad, illicit road trip south to New Orleans. Over miles of dark highway, Ghost pursues, his powers guiding him on a journey to reach his destiny, to save Ann from her new companions, to save Nothing from himself. . . . "An important and original work . . . a gritty, highly literate blend of brutality and sentiment, hope and despair."—Science Fiction Chronicle

A hilariously nihilistic, "off-color" coloring book that encourages moodiness, moroseness, and misery over mindful meditation—perfect for the goth in us all. A coloring book for adults whose glasses are always half empty. Grab your favorite black pencil or crayon and take a break from the daily grind with the world's most depressing coloring book. In a hilarious parody of the adult coloring book trend, The Coloring Book for Goths will have you laughing from the darkest depths of your soul—if you're capable of such a thing.

Yukie Sakai is a sprightly young home health aide eager to help her elderly clients. But what seems like a straightforward job quickly turns into a series of increasingly surreal and bizarre adventures that put Yukie's wits to the test! Cartoonist Kago, who is well known for combining a more traditional manga style with hyper realistic illustration technique, an experimental visual storytelling approach, and outrageously sexual and scatological subject matter, has single-handedly created his own genre: "fashionable paranoia."

Monsters known as Y'kai have long haunted the Japanese cultural landscape. This history of the strange and mysterious in Japan seeks out these creatures in folklore, encyclopedias, literature, art, science, games, manga, magazines and movies, exploring their meanings in the Japanese imagination over three centuries.

Explores the goth lifestyle and describes different types of goths as well as the dress, art, music, and pastimes indigenous to the subculture.

When Dr. Nagashima loses his wife in a mysterious car crash, he is overwhelmed with grief but also an eerie sense of purpose: he becomes obsessed with reincarnating his dead wife. Her donated kidney is transplanted into a young girl with a debilitating disorder, bu the doctor also feels compelled to keep a small sample of her liver in his laboratory. When these cells start mutating rapidly, a consciousness bent on determining its own fate awakens, bent on becoming the new dominant species on earth. Parasite Eve was the basis of the hugely popular videogame of the same name in the U.S. and has been cinematized in Japan.

Before they were friends, he had already noticed her. He wanted her hands - those beautiful, enchanting hands - to himself. And he hoped that the local madman who had been "collecting" the hands of anything that moved - babies, children, men, women, animals - would get them for him...until the day she asked him to teach her how to smile. -- VIZ Media

On every front, 24 hours a day, you and your wealth face threats of an intensity that would have been unimaginable only a few short years ago. A sinister marriage of law and technology has made the pervasive and continuous surveillance that George Orwell warned of a reality. Identity thieves, greedy lawyers and the government have been quick to exploit this fast-evolving global surveillance network: - Data thieves can hijack your PC with easy-to-use hacking tools that even a 10-year old can master. After stealing your log-on passwords, they can drain your bank accounts. - If someone has a grudge against you, he can learn whether you're "worth suing" with a few clicks of a mouse. Hundreds of Web sites offer asset-tracking services to find your real estate ownership records, bank account balances, and much more. - Secret government data mining programs monitor your personal and financial activities 24 hours a day for "suspicious transactions." One oversight—becoming friends on Facebook with a suspected terrorist, withdrawing too much cash, unknowingly renting property to someone with a criminal background, etc.—and you could find yourself under arrest and your assets frozen. , Fortunately, you CAN fight back. You can secure your PC to make it virtually invulnerable to hackers. You can legally create international "lifelines" of wealth and privacy that are practically invulnerable to snooping. You can understand what the government regards as suspicious . . . and avoid raising your profile unnecessarily. The Lifeboat Strategy (2011) shows you exactly what you need to do to counter today's threats to wealth and privacy. It documents today's unprecedented threats to wealth and privacy and reveals hundreds of completely legal strategies to deal with them: private investments, opportunities, and strategies inside—and outside—the United States. And, it's written in language you can understand and put to work to protect yourself and your family. Special bonus report accompanying The Lifeboat Strategy (2011): How to Find Your Own Safe Haven Offshore. In this report, you you'll learn: - The 11 countries best suited for wealth preservation - Which countries offer the most to prospective immigrants? - How to legally purchase a second passport-and why you might want to. - In the current economic crisis, which "asset havens" will survive—or not? As the U.S. dollar collapses and the world moves into fiscal chaos, planning your own "escape from America" has never been more important. And this free special bonus report shows you, step-by-step, how to proceed.

After being sent back from the light, Alona Dare - former homecoming queen, current Queen of the Dead - finds herself doing something she never expected: working. Instead of spending days perfecting her tan by the pool (her typical summer routine when she was, you know, alive), Alona must now cater to the needs of other lost spirits. By her side for all of this, ugh, " helping of others " is Will Killian: social outcast, seer of the dead, and someone Alona cares about more than she ' d like. Before Alona can make a final ruling on Will ' s ' friend " or " more than friend " status, though, she discovers through her own. Her mom is tossing out Alona ' s most valuable possessions, and her dad is expecting a new daughter with his wicked wife. Is it possible her family is already moving on? She ' s only been dead for two months! Thankfully, Alona knows just the guy who can put a stop to this mess. Unfortunately for Alona, Will has other stuff on his mind, and Mina, a young (and beautiful) seer, is at the top of the list. She ' s the first ghost-talker Will ' s ever met—aside from his father—and she may hold answers to Will ' s troubled past. But can she be trusted? Alona immediately puts a check in the " clearly not " column. But Will is, ahem, willing to find out, even if it means leaving a hurt and angry Alona to her own devices, which is never a good idea. Packed with romance, lovable characters, and a killer cliffhanger, Queen of the Dead is the out-of-this-world sequel to The Ghost and the Goth.

A gorgeous coloring book featuring kawaii spooky creatures of all kind! This Pastel Goth Coloring Book is filled with great collection of 25 different cute and creepy characters. A fascinating journey into the dark heart of the American gothic that analyzes the ways it relates to race in twenty-first-century America Haunted houses, bitter revenants and muffled heartbeats under floorboards—the American gothic is a macabre tale based on a true story. Part memoir and part cultural critique, Darkly: Blackness and America's Gothic Soul explores American culture's inevitable gothicity in the traces left from chattel slavery. The portraits of white supremacy and the ubiquity of Black death feeds a national culture of terror and a perpetual mood of mourning. If the gothic narrative is romanticized melancholy, what does that look and sound like in Black America?

A small town once haunted by a serial killer braces for a new evil in this debut horror novel by the New York Times bestselling author of Ink. Thirty years ago, a blues musician called the Bone Man killed the devil at the crossroads, only to be bested and hung like a scarecrow in a cornfield—or so the story goes. Today, the people of Pine Deep celebrate their town ' s grisly past by luring tourists to the famous haunted hayride, full of chills and scares. But this year as Halloween approaches, " The Spookiest Town in America " will learn the true meaning of fear. Its residents will see the real face of evil lurking behind the masks of ordinary people. They will feel it—in their hearts, in their bones, in their nightmares. Because evil never dies. It only grows stronger. . . . Winner of the Bram Stoker Award for Best First Novel First in the Pine Deep Trilogy Praise for Ghost Road Blues " Mabery supplies plenty of chills, both Earth-bound and otherworldly, in this atmospheric horror novel. . . . This is horror on a grand scale, reminiscent of Stephen King ' s shifter works. . . .—Publishers Weekly Praise for Jonathan Mabery " Jonathan Mabery ' s horror is rich and visceral. It ' s close to the heart. . . .and close to the jugular. " —Kevin J. Anderson " Mabery has the chops to craft stories at once intimate, epic, real, and horrific. " —Bentley Little " Mabery spins great stories. His (Pine Deep) vampire novels are unique and masterful. " —Richard Matheson " Mabery ' s works will be read for many, many years to come. " —Ray Bradbury

Offers information on the subculture Goth, provided by alt culture. Discusses some of the bands that have influenced the Goth movement, as well as fashion that Goth provides.

Kirgoe Mima is in the third year of her career as a pure and innocent pop idol. Feeling like something big needs to change, she plans to give her image a major update. When the new Mima is revealed—complete with a sexy outfit and a risqué photo book—one of her most obsessive fans refuses to accept her transformation. To restore Mima to the innocent girl of her debut, he puts a terrifying plan to action that throws her life into chaos and mortal peril.

Nominated for the 2018 Lambda Literary Award for Fiction "Darkly funny and brilliantly human, urgently fantastical and implacably realistic. This is one of the best short story collections I've read in years. It should be required reading for anyone who's trying to understand America in 2017." —Paul La Farge, author of The Night Ocean The eight stories in Things to Do When You're Goth in the Country paint a vivid image of people living on the fringes in America, people who don't do what you might expect them to. Not stories of triumph over adversity, but something completely other. Described in language that is brilliantly sardonic, Woods's characters return repeatedly to places where they don't belong—often the places where they were born. In "Zombie," a coming-of-age story like no other, two young girls find friendship with a mysterious woman in the local cemetery. "Take the Way Home That Leads Back to Sullivan Street" describes a lesbian couple trying to repair their relationship by dropping acid at a Mensa party. In "A New Mohawk," a man in romantic pursuit of a female political activist becomes inadvertently much more familiar with the Palestine/Israel conflict than anyone would have thought possible. And in the title story, Woods brings us into the mind of a queer goth teenager who faces ostracism from her small-town evangelical church. In the background are the endless American wars and occupations and too many early deaths of friends and family. This is fiction that is fresh and of the moment, even as it is timeless.

This interdisciplinary collection brings together world leaders in Gothic Studies, offering dynamic new readings on popular Gothic cultural productions from the last decade. Topics covered include, but are not limited to: contemporary High Street Gothic/fashion, Gothic performance and art festivals, Gothic popular fiction from Twilight to Shadow of the Wind, Gothic/popular music, Gothic on TV and film, new trends like Steampunk, well-known icons Batman and Lady Gaga, and theorizations of popular Gothic monsters (from zombies and vampires to werewolves and ghosts) in an age of terrorism.

Death and the Flower is a collection of six short stories centered on the themes of family and peril. The title is derived from a Keith Jarrett album of the same name.

Judas Coyne is a collector of the macabre: a cookbook for cannibals . . . a dang hangman's noose . . . a snuff film. An aging death-metal rock god, his taste for the unnatural is as widely known to his legions of fans as the notorious excesses of his youth. But nothing he possesses is as unlikely or as dreadful as his latest purchase, an item he discovered on the Internet: i will sell my stepfather's ghost to the highest bidder. . . . For a thousand dollars, Jude has become the owner of a dead man's suit, said to be haunted by a restless spirit. But what UPS delivers to his door in a black heart-shaped box is no metaphorical ghost, no benign conversation piece. Suddenly the suit's previous owner is everywhere: behind the bedroom door . . . seated in Jude's restored Mustang . . . staring out from his widescreen TV. Waiting—with a gleaming razor blade on a chain dangling from one hand . . .

Cinderella - The story is always the same: a girl - hated and abused by her step-family - meets her prince at a ball. There is involvement with a glass shoe, a bit of magic, and in the end, they all live happily ever after. You've heard it before - but you've never heard it like this: In early America, at a time when dealings with dead bodies is considered taboo, Cindy's father is a mortician. She, for one, is fascinated by the controversial work, until her mother dies and her father marries Anna van Burren, who brings two new sisters into the family. Cindy's misery only grows from there. Following her father's untimely death, Cindy's life spirals into darkness as she is forced to become a servant in her own home, to wait on her hated siblings and stepmother. She has become so sequestered that she can't even let the one man she continues to think about know that she is alive. She met him once in the mortuary years ago - a handsome, curious boy who had been a surprise to her - until she'd discovered who he was. Now a man, Christian is a perfect specimen, and also the object of her step-sisters' affections. According to a stipulation of his inheritance, he must marry before age twenty-one. That day is fast approaching. Any hope Cindy had of seeing him again - or of salvaging anything that should have been left of her life - seems lost. Cindy's world is filled with mistfortune. She believes she must be cursed. It takes the appearance of a strange woman who brings a wicked prophecy before Cindy can see how blessed she could become - and to see what sacrifices were made to give her hope once again.

"Wickedly funny . . . ideal for babybats and elder goths who'll appreciate the wealth of reminders of the experiences that make up goth life" (NOW Magazine). A guidebook to the language of the most shadowy of subcultures, this work collects and defines more than 550 Gothic words and phrases. Compiled by an acclaimed Goth journalist and poet, this compendium provides insight into the unique vernacular of this fascinating community, describing in detail and with black humor the fashion, music, and lifestyle as well as sharing insider slang such as Babybat, Corp Goth, and the Gothic Two-Step. A Goth Band Family Tree and essential Goth listening, reading, and viewing recommendations are also included in this phantasmagorical work. "Including illustrations from the talented Gary Panet, Encyclopedia Gothica is the essential Goth reference whether you're wondering who Sisters of Mercy are or what absinthe is (and why Marilyn Manson has his own brand of the green stuff)." —Geeks of Doom "Ladouceur is a rare gem of a commenter that has the ability not only to laugh at herself, but to be able to get you to laugh at yourself, too." —HoustonPress "Ladouceur has compiled a thorough and amusing encyclopedia about all-things-Goth . . . Whether you want to read about Nosferatu, Goth Juice or mall Goths you'll find brief and truly informative segments in Encyclopedia Gothica." —antiMusic "Ladouceur's humor is a welcome rarity in an oft-misunderstood subculture." —Maclean's "For those who continue to fear Goths, this book is a powerful antidote. Despite their spiky, menacing exterior, Encyclopedia Gothica details a culture as harmless and geeky as your average Star Wars fanboy or Kiss Army foot soldier." —National Post

A coming of age story, right after death. L to R (Western Style). Two short novels, including the title story and Black Fairy Tale, plus a bonus short story. Summer is a simple story of a nine-year-old girl who dies while on summer vacation. While her youthful killers try to hide her her body, she tells us from the POV of her dead body—that the boys' attempt to get away murder. Black Fairy Tale is classic J-horror: a young girl loses an eye in an accident, but receives a transplant. Now she can see again, but what she sees out of her new left eye is the experiences and memories of its previous owner. His previous deceased owner.

Creepy Kawaii Pastel Goth Coloring Book

If all books are gateways to other realities, then Grimoire is a portal into a realm of the most profound darkness, a twilight world of black flowers thriving under the monstrous shadows cast forth across time by the writers and poets of the 19th-century French Decadence, the art of the Surrealists, and the weird fictions of H.P. Lovecraft and his acolytes. Each of the collection presents the reader with a worldview of cosmic nihilism, a morbid atmosphere haunted by the revenants of the fin de siecle practitioners of black magic. Those who lose themselves in these sunless and Satanic vistas will learn arcane words of power, experience forbidden knowledge, and encounter fantastic and grotesque alien beings whose forms and powers drive one to insanity. Grimoire is no mere book: it is a 90,000-word scream from the Abyss of non-existence, a descent into Hell itself, a dream journal of God's nightmares. Let the Danse Macabre begin!

Frank Cotton's insatiable appetite for the dark pleasures of pain led him to the puzzle of Lemarchand's box, and from there, to a death only a sick-minded soul could invent. But his brother's love-crazed wife, Julia, has discovered a way to bring Frank back—though the price will be bloody and terrible . . . and there will certainly be hell to pay.

Morino is the strangest girl in school—how could she not be, given her obsession with brutal murders? And there are plenty of murders to grow obsessed with, as the town in which she lives is a magnet for serial killers. She and her schoolmate will go to any length to investigate the murders, even putting their own bodies on the line. And they don't want to stop.

This new edition contains the bonus novelette "Morino's Souvenir Photo."
