A Creative Approach to Life

Secrets of Sexual Body Language

The Christ We Cannot Ignore

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank’s remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary’s first publication with a new introduction by Nobel Prize–winner Nadia Murad “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and other Jews hid in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank offers vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Who is Jesus Christ? In The Third Jesus, bestselling author and spiritual leader Deepak Chopra provides an answer to this question that is both a challenge to current systems of belief and a fresh perspective on what Jesus can teach us about life, love, and spirituality, regardless of religious background. There is not one Jesus, Chopra writes, but three. First, there is the historical Jesus, the man who lived more than two thousand years ago and whose teachings are the foundation of Christian theology and thought. Next is the Son of God, who has come to embody an institutional religion with specific dogma, a priesthood, and devout believers. And finally, there is the third Jesus, the cosmic Christ, the spiritual guide whose teaching embraces all humanity, not just those built in his name. He speaks to the individual who wants to find God as a personal experience, to attain what some might call grace, or God-consciousness, or enlightenment. When we take Jesus literally, we are faced with the impossible.

“love thy neighbor as thyself”? But when we see the exhortations of Jesus as invitations to join him on a higher spiritual plane, his words suddenly make sense. Ultimately, Chopra argues, Christianity needs to overcome its tendency to be a religion of refocus on being a religion of personal insight and spiritual growth. In this way Jesus can be seen for the universal teacher he truly is—someone whose teachings of compassion, tolerance, and understanding can embrace and be embraced by all.

Public Speaking and Influencing Men in Business

The internationally bestselling guide to "mind-reading" by influencing those around you via non-verbal communication, from human psychology expert Henrik Fexeus. How would you like to know what the people around you are thinking? Do you want to network like a pro, persuade your boss to give you that promotion, and finally become the life of every party? Now, with Henrik Fexeus's expertise, you can. The Art of Reading Minds teaches you everything you need to know in order to become an expert at mind-reading. Using psychology-based skills such as non-verbal communication, reading body language, and using psychological influence, Fexeus explains how readers can find out what another person thinks and feels—and consequently control that person's thoughts and beliefs. Short, snappy chapters cover subjects such as contradictory signs and what they mean, how people flirt without even knowing it, benevolent methods of suggestion and undetectable influence, how to plant and trigger emotional states, and how to perform impressive mind-reading party tricks. Fexeus gives readers practical (and often fun) examples of how to effectively mind-read others and use this information, and how to use it benevolently, both in personal and professional settings.

One of the world's leading innovators in the field of psychology shows you how to expand and realize your capacity to feel your body's aliveness, natural freedom, and spontaneity. A more creative life through pleasure is the promise of this revolutionary book. Defining pleasure as a bodily experience, Dr. Alexander Lowen states that there is no such thing as pure mental pleasure and points out that the capacity for pleasure is also the capacity for creative self-expression. In most adults, however, the struggle for power competes with the striving for pleasure, undermines creativity, and causes muscular tensions.

Pleasure offers a way out of this dilemma through a series of bioenergetic exercises. These exercises are described in easy-to-follow detail. Their aim is to help the body regain its natural freedom and spontaneity and to release not only pleasure but also joyous creativity.

The Third Jesus

Allan and Barbara Pease are the world's foremost experts in personal relationships. Their books, seminars and TV programmes have made them household names from Australia to the UK and from the USA to Japan. In their follow-up to the multi-million selling WHY MEN DON'T LISTEN AND WOMEN CAN'T READ MAPS, Allan and Barbara use the same combination of startling observation of people's actions towards one another, humour and practical advice to teach the reader more about what men and women want from relationships, and how to get it. Techniques to Perform Optimally Learn More Effectively Get Better Grades Learn Effectively, Perform Optimally, GET BETTER GRADES! Many people think that they are not as good because great results are reserved for the very intelligent. The author of this book is proof of the opposite! From being an average pupil in elementary school, Olav Schewe went on to become a super student at some of the finest universities in the world. In this book, he tells you everything you need to know to succeed in your studies. He provides techniques for reading and memory, and guides you through acing oral and written exams. Super Student is not only about discipline, efficiency, and taking responsibility, but also about motivation, finding the right balance, and having fun while learning. Those who want to learn more effectively and get better grades, and how to be the best student without sacrificing all their free time must read this. Olav Shewe is an author, learning expert and public speaker. From being an average student in school, he went on to win a Fulbright scholarship, earn straight A-s as an exchange student at University of California, Berkeley (USA), and graduate with a distinction at the University of Oxford(UK). Olav is interested in researching the relationship between learning techniques, motivation, study habits, personal beliefs and learning outcomes.

Body Language

From internationally renowned authors, Allan and Barbara Pease comes the worldwide bestseller Why Men Don't Listen and Women Can't Read Maps. Men and women are have different values and different rules. Not better or worse – just different. Everyone knew this but very few people were willing to admit it. That is, until Allan and Barbara Pease came along. Their practical, easy-to-read and often controversial book will help you discover the truth about men and women – and teach you what to do about it. They explore why:
• Men really can't do more than one thing at a time
• Men should never lie to women
• Women talk so much and men so little
• Men love erotic images and women aren't impressed
• Women prefer simply to talk it through
• Men offer solutions but hate advice
• Women despair about men's silences
• Men want sex and women need love
Why Men Don't Listen and Women Can't Read Maps is a sometimes shocking, always illuminating and frequently hilarious look at why the battle lines are drawn between the sexes. Read this book and you'll learn so many secrets about the opposite sex you might never have to say you're sorry again!

The adventure that began with The Celestine Prophecy continues as the action shifts to a wilderness in the American Southeast where the narrator's friend has disappeared.
