"If you already have a piece of music ingrained in your body, why would you not play it?" (Keith Jarrett) Taking Jarrett's thought one step further, one could ask: If you already have a sense of play, rhythm, or movement ingrained in your body, why would you not perform it? Drawing on the transdisciplinary and hybrid nature of human communication, this volume is based on the idea of a fruitful dialogue between languages, aesthetic education, and performing arts.

Scholars from all continents have contributed to this anthology - a sign of the growing interest worldwide in promoting the vision of teaching and learning foreign languages with head, heart, hands and feet.

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it

This book offers a comprehensive exploration of Steiner or Waldorf pedagogy and practice in schools. Drawing on key research, it traces the origins of Steiner education from the original Waldorf school and shows how this approach has since been adapted and applied in educational settings around the world. Outlining the educational philosophy of Steiner education, the book considers its unique features, such as its commitment to a pedagogical anthropology that takes the whole developing human being into account – body, mind and spirit – and the developmental approach that arises out of this. It sets out the specific curriculum and teaching approach alongside vignettes of teaching and learning situations adopted in Steiner educational settings to show how the approach works in practice. Offering a critical perspective on this teaching style, Rawson examines the contributions that Steiner education has made in different cultures and looks towards future developments in China and other Asian countries. Considering all aspects of Steiner education, this book is essential reading for anyone wanting to understand the fundamental elements of this approach and its continuing relevance within the educational landscape.

Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

This volume highlights some of the main issues and questions surrounding the field of second language (L2) writing, and includes 14 chapters authored by contributors from a wide variety of geographical regions including, but not limited to, North America, Europe, Australia, and Asia. The authors are all experienced L2 writing researchers, and their contributions will enhance the reader's understanding of issues related to L2 writing. Considering the breadth and the depth of the issues raised and discussed, the book will appeal to a wide readership, including postgraduate students of Teaching English to Speakers of Other Languages (TESOL) and Applied Linguistics (AL), and both early-career and experienced TESOL/AL researchers.

The Canadian short story - widely recognized as a distinctive and unusually strong genre in the creative

literature of the country - was celebrated in 1986 with the publication of The Oxford Book of Canadian Short Stories in English. Published to great acclaim, the original collection has been a great commercial success. It is here revised and updated to reflect the increasing diversity of the genre, and the growing reputation of a new generation of writers. Of the original inclusions, eight were dropped and thirteen replaced. Eighteen writers (among them Margaret Atwood, Matt Cohen, Timothy Findley, W.P. Kinsella, and Audrey Thomas) are represented by different stories. Writers appearing for the first time include Caroline Adderson, Ann Copeland, Bonnie Burnard, Cynthia Flood, Barbara Gowdy, Thomas King, Rohinton Mistry, Diane Schoemperlen, and Linda Svendsen.

Since its original publication in 1968, Welcome to the Monkey House has been one of Kurt Vonnegut's most beloved works. This special edition celebrates a true master of the short-story form by including multiple variant drafts of what would eventually be the title story. In a fascinating accompanying essay, "Building the Monkey House: At Kurt Vonnegut's Writing Table," noted Vonnegut scholar Gregory D. Sumner walks readers through Vonnegut's process as the author struggles—false start after false start—to hit upon what would be one of his greatest stories. The result is the rare chance to watch a great writer hone his craft in real time. Includes the following stories: "Where I Live" "Harrison Bergeron" "Who Am I This Time?" "Welcome to the Monkey House" "Long Walk to Forever" "The Foster Portfolio" "Miss Temptation" "All the King's Horses" "Tom Edison's Shaggy Dog" "New Dictionary" "Next Door" "More Stately Mansions" "The Hyannis Port Story" "D.P." This is the moving story of the unforgettable Rosa Burger, a young woman from South Africa cast in the mold of a revolutionary tradition. Rosa tries to uphold her heritage handed on by martyred parents while still carving out a sense of self. Although it is wholly of today, Burger's Daughter can be compared to those 19th century Russian classics that make a certain time and place come alive, and yet stand as universal celebrations of the human spirit. Nadine Gordimer, winner of the 1991 Nobel Prize in Literature, was born and lives in South Africa.

A graphic-novel release of the acclaimed online serialized story follows the desperate search for a young Iranian protester who went missing in the aftermath of Iran's fraudulent 2009 elections, a search kept alive by his dedicated mother and tenacious blogger brother. 30,000 first printing.
