communication depends on clear, concise, and grammatically correct writing. Punctuation, spelling, and grammar rules can trip up anyone, while organization and word choice can make writing memorable—or banal. The Handy English Grammar Answer Book is an engaging guide to writing with clarity for all occasions. It offers fundamental principles, grammar rules, and punctuation advice, as well as insights on writing for different occasions and audiences. From a brief history of the English language to the deconstruction—and explanation—of the different parts of a sentence, and from showing how to punctuate correctly to how to organize a well-argued essay, this easy-to-use reference answers nearly 500 questions and offers fun facts on the English language and its usage, including How did English become a language spoken worldwide? What is a sentence fragment? When do I use “that” versus “which”? How do I use materials ethically on my own websites? How do I write an outline? Several appendices, including model papers and sample writing for every occasion, a glossary of commonly used terms, a bibliography, and an index add to the book's usefulness.

intermediate level. The first part of the course deals with grammar and the second part deals with composition. The course in grammar aims to - familiarise learners with the rules of grammar and usage, and - give practice in using the grammatical structures accurately and appropriately. The course in composition aims to develop learners' ability to write cohesively and coherently using appropriate vocabulary on familiar topics. Minimal teacher guidance will be required to do the tasks. Some of the key features of the book:

- Simple and clear explanations: Grammatical explanations are made in simple language with minimal use of jargon.
- Focus on form and function: Each topic is dealt with in two parts. The first focuses on the form of the structure and the second on its function.
- Extensive practice: The practice section is divided into two. The first part aims to give learners a firm grounding in the form of the structure and the second part aims to enable the learners to use the structure in situations.
- Writing for academic purposes: The composition section deals with
