Many of us grimace when faced with grammar exercises. But in order to communicate with others, pass tests, and get your point across in writing, using words and punctuation effectively is a necessary skill. It's a fact that in our life today, good communication skills—including writing—are essential. The good news is that grammar and writing skills can be developed with practice.

Grammardog Teacher's Guide contains 16 quizzes for this iconic mystery novel. All sentences are from the novel. Figurative language creates suspense ("the animal within me licking the chops of memory," "a certain sinister block of building thrust forward," "the fog still slept on the wing above the drowned city," "his conscience slumbered"). Sensory imagery echoes the tone of mystery ("an odd, light footstep drawing near," "mopped his brow with a handkerchief," "hissing intake of the breath").
