Each workbook in this Editing and Revising series is titled with a letter designation to accommodate students working above or below grade level. Students are required to read passages embedded with errors of grammar, usage, mechanics, content, and organization. They are then given multiple-choice questions designed to help them recognize and correct these mistakes. These exercises will help students to better understand the essential skills of finding and correcting editorial problems and revising writing appropriately. Students will soon be on their way to becoming more knowledgeable about these two very important steps in the writing process. Hours of practice on skills leading to editing and revising mastery. High-interest passages embedded with most the common errors of grammar, usage, mechanics, content, and organization. Multiple-choice questions after each passage help students find, recognize and correct mistakes. Teacher Editions provide correct answers and identify the skill targeted in each question.
