Jodi Picoult introduces characters from her new novel SMALL GREAT THINGS in this original short story. Dalton is the school of the rich and famous, and it's eight-year-old Ruth Brooks's first day. Growing up in Harlem she never dreamed she'd be given this opportunity, and she's determined not to waste it. But right from her first lesson Ruth is treated differently. The harder she tries, the clearer it becomes that to some people it's not the similarities that matter, but the differences - and there are plenty of those between Ruth and her new classmates. As the days pass, she has a difficult lesson to learn: being in this new world is not the same as becoming a part of it - and becoming a part of it is starting to feel impossible. Ruth's eye-opening story continues in Jodi Picoult's astounding new novel Small Great Things.

Did you know that the idea behind the Radio City Music Hall Rockettes was first tried out in Toronto? That Canada produced the world's longest-running annual revue? Few people realize the Canadian influences that are at the heart of American and British culture. Author Mel Atkey's research for Broadway North included interviews with Norman and Elaine Campbell and Don Harron, creators of Anne of Green Gables-The Musical; Mavor Moore, founder of the Charlottetown Festival and of Spring Thaw; John Gray, author of Billy Bishop Goes to War; Ray Jessel and Marian Grudeff, Spring Thaw writers who had success on Broadway with Baker Street; Dolores Claman, composer of the Hockey Night In Canada theme, who also wrote the musicals Mr. Scrooge and Timber!!; and Galt MacDermot, the composer of Hair who started out writing songs for the McGill University revue My Fur Lady. Included is the phenomenal success of The Drowsy Chaperone. Atkey also draws on his own experience as a writer and composer of musicals, and tells the story of why a show that should have starred James Doohan (Star Trek's Scotty) didn't happen. Composer, lyricist and author, Mel Atkey is currently based in the U.K. Proud of his Canadian cultural roots, he has long been fascinated with the notion of a distinctive Canadian musical theatre.
