Including new research and findings showing what the true causes of HIV & AIDS are and lead directly to their cure! 53 CURED Cases The First Year Cure, not treatment, is the subject of this book. In 1991 Dr Clark discovered the source of HIV. Once the source became clear the cure became obvious. but would it work? After curing 53 cases in a row, all who used this method, Dr Clark could wait no longer to present these findings. Since that time many more have been cured, too many to be added to this book. Most important is adding yourself to that list! Electricity can now be used to kill bacteria, viruses and parasites in minutes, not days or weeks as antibiotics require. If you have been suffering from HIV infection or AIDS related illness, learn to build the electronic device that will stop it immediately. It is safe and without side effects ad does not interfere with any treatment you are now on.

This brilliant scientist has put together a wonderfully imaginative "cookbook" and practical guide for the use of oils in daily meal preparation. You'll discover over 500 delicious meal possibilities using the healing powers of flax oil.

*Each card in this lavish deck portrays a different angel for guidance, protection, help, and healing. Intended for inspiration and affirmation, the cards work with the user's thoughts and decisions to raise levels of consciousness and open up psychic and spiritual gifts. Whether attempting to release old negative thought patterns or clearing emotional blockages, the angels offer significant meditative light from which spiritual knowledge and information emanate. The cards are packaged in an attractive desktop holder that can display each day's chosen angel.*

*The Amazing Antioxidant Everyone Is Talking About! Are you looking for an effective way to fight the effects of aging and free radical damage? Would you like to reach and maintain your body's optimal health? There may be no stronger way than with antioxidants—and there may be no stronger antioxidant than alpha lipoic acid. This remarkable coenzyme, which occurs naturally in younger bodies but gradually diminishes with age, may very well be one of our best defenses against disease and aging. In this balanced and informative book, Burt Berkson, M.D., shows you how supplementing your diet with alpha lipoic acid might help:*

- Protect against heart disease
- Prevent or treat complications of diabetes
- Prevent the

*progression of Alzheimer's and Parkinson's disease • Protect against cancer and strokes • Fight chronic liver disease • Combat the aging process • And much more! Revealing the science behind this amazing antioxidant, Alpha Lipoic Acid Breakthrough provides a plan of action for improving your health starting now!*

*DMSO is a natural substance that is obtained from wood. Medical and pharmaceutical studies have repeatedly shown that DMSO has the greatest range and number of healing effects ever recorded for a single substance. Its comprehensive healing properties are unique, all working in synergistic harmony. Over the last sixty years, more than forty thousand research articles on this substance have been published but the general public remains unaware of these discoveries, partly as a result of efforts from certain quarters to suppress the dissemination of that information. Having been treasured as a secret for many years by just a small number of specialists and alternative practitioners, DMSO is currently enjoying a remarkable comeback in the field of alternative medicine. This book now makes this information available in an accessible and engaging manner, revealing all about this wonderful universal medicine, its uses and its applications. Hartmut Fischer, an alternative health practitioner with a background in scientific and pharmaceutical research, has been researching this substance for many years and uses it privately and professionally in his practice. This book is intended as a practical, application-oriented reference book for patients who treat themselves, as well as for doctors, alternative health practitioners and other therapists.*

In six weeks you are HIV Negative. What cause HIV/AIDS is really astonishing, but your body recovery will convince you. No conflict with any clinical treatment. Even near-terminal victims can recover. HEALING WISDOM THAT'S DECADES AHEAD OF ITS TIME Anthony William, the one and only Medical Medium, has helped tens of thousands of people heal from ailments that have been misdiagnosed or ineffectively

treated or that doctors can't resolve. He's done this by listening to a divine voice that literally speaks into his ear, telling him what lies at the root of people's pain or illness and what they need to do to restore their health. His methods achieve spectacular results, even for those who have spent years and many thousands of dollars on all forms of medicine before turning to him. Now, in this revolutionary book, he opens the door to all he has learned in over 25 years of bringing people's lives back: a massive amount of healing information, much of which science won't discover for decades, and most of which has never appeared anywhere before. Medical Medium reveals the root causes of diseases and conditions that medical communities either misunderstand or struggle to understand at all. It explores all-natural solutions for dozens of the illnesses that plague us, including: · Lyme disease · Fibromyalgia · Adrenal fatigue · Chronic fatigue syndrome · Hormonal imbalances · Hashimoto's disease · Multiple sclerosis · Depression · Neurological conditions · Chronic inflammation · Autoimmune disease · Blood sugar imbalances · Colitis and other digestive disorders · And more It also offers solutions for restoring the soul and spirit after illness has torn at our emotional fabric. Whether you've been given a diagnosis you don't understand, or you have symptoms you don't know how to name, or someone you love is sick, or you want to care for your own patients better, Medical Medium offers the answers you need. It's also a guidebook for everyone seeking the secrets to living longer, healthier lives. "The truth about the world, ourselves, life, purpose—it all comes down to healing," Anthony William writes. "And the truth about healing is now in your hands."

The bible of North American Horsemanship, Horse, Follow Closely is GaWaNi Pony Boy's signature title about the relationship training method steeped in common sense and the age-old wisdom of his Native American ancestors. Of mixed blood Tsa-la-gi, GaWaNi Pony Boy was able to combine his philosophy and compile the methods of relationship training while touring the United States with a Native American drum band and consulting with the Elders from many different nations and backgrounds. The methods and beliefs of relationship training come directly from the first great teachers of America. "Horse and rider are one. Theirs is a relationship of trust, harmony, and respect born of a way of life that is all but lost." The s

photographs by Gabrielle Boisselle capture Pony Boy's serenity and unity with his close horse companions. The author's simple eloquence and profound relationship with his readers that few books ever hope to achieve. As Pony Boy writes in the introduction, "For many [the Native American horseman] represents the ultimate rider. The essence of a horseman, both his skill and intuition, goes beyond the hours he spends in the saddle. The stories of every Native tribe are stories, tales, and beliefs to exemplify human's relations to other animals." The book begins with an analysis of the relationship between Native Americans to live with the Natives of North America and horses' impact on Native life. The crux of relationship training, according to the author, is "what it means to be a horse, react like a horse, and relate to other things like a horse;" Native Americans were able to create such strong relationships with horses in a short time because they understood that "a horse is a horse." Learning to balance the relationship between horse and human is the key link to becoming a masterful horseman or horsewoman. The book describes not only the techniques involved for relationship training but also the system and attitude that must be applied to all methods of horsemanship. In addition to presenting the methods and philosophy of relationship training, *Horse, Follow Closely* also includes many stories and legends of Native Americans and their horses, all of which teach the reader something about himself and his relationship with his horse.

Discusses the impact of electromagnetic pollution on the human body, and describes alternate healing methods that make use of the body's natural healing systems.

This book introduces the 3 kinds of investigations that can be made with a syncrometer. In the first kind of investigation, you can detect entities in your body, taken as a whole. For example, mercury aflatoxin, Streptococcus pneumonia, Epstein Barre virus, orthophosphotyrosine, benzene. Such a test is not as sensitive as the organ test, described next, but for this reason allows you to select those entities most abundant in the body and therefore of special significance; in the second, you can identify which organs contain a particular entity. For example, the mercury may be in the kidney, the Streptococcus in the joints, and so on. This allows you to embark on a cleanup program for your body in a focused way. The syncrometer lets you monitor your progress. And finally, you can detect entities in products. For example, lead in your household water, thulium in your reverse osmosis water, asbestos in your sugar.

*Dr. Leo Galland, along with Doctors Bernie Siegel and Andrew Weil, has been a pioneer in the emerging field of integrated medicine, which combines the best of alternative and conventional treatments. He is also a renowned medical detective, successfully curing patients whose illnesses have defied prior diagnosis and treatment. In Power Healing, Dr. Galland shares his breakthrough medical philosophy and program of healing, developed over the course of three decades of education and practice. He explains how you can apply four healing strategies that will help your body restore its own rightful balance and health: 1) build healthy relationships—community is the most powerful healing force; 2) create a customized prescription for diet, rest, and exercise; 3) purify your external environment; and 4) detoxify your internal environment to help your body protect and cleanse itself. Included for the first time in this edition is a dynamic new questionnaire Dr. Galland has created to help you hone in on your medical priorities. Filled with practical advice on detecting unsuspected causes of our sickness, building resistance to disease, and harnessing our own bodies' natural desire to heal, Dr. Galland's innovative book represents mind/body medicine at its best. For those whose illnesses haven't responded to treatment or resist diagnoses, or for anyone who craves a higher level of health, Power Healing is essential reading. Praise for Power Healing "If I were to get sick, this is the doctor I would go to see and the book I would read."—Robert C. Atkins, M.D., author of Dr. Atkins' Vita-Nutrient Solution "A triumph. The most comprehensive book I have ever seen about promoting all aspects of wellness. Well organized, easy to read, and suitable for the layperson and health professional alike."—Total Health "Dr. Galland's invaluable advice has been a great help to me. I'm delighted that others will at last have the benefit of his wisdom in their search for healing."—Carol Burnett "The medicine of the future will embrace and integrate the best of conventional and alternative approaches to health and healing. Dr. Galland makes a compelling argument that sickness is most effectively treated when the particular needs and underlying psychological, emotional, and environmental issues are addressed."—Dean Ornish, M.D.*

This is the original book published in 1985 on the pioneering work of Dr. Virginia Livingston-Wheeler. It is being republished to make it widely available to the general public. Quotes from the original book: "Dr. Virginia Livingston-Wheeler is one of the great, unsung scientists of present day medicine. When her discovery of the 'cancer microbe' becomes... accepted, she will undoubtedly be known as the Pasteur of this century." Alan R. Cantwell, Jr. M.D. "Dr. Virginia has long been pioneering in new concepts of cancer cause and treatment... the many successes she has had in treating advanced cancer patients demonstrate what can be accomplished when a physician in cooperation with understanding patients tries to expand the limits of cancer treatment." Ray G. Crispen, Ph.D "This important book could very well save your life or the life of someone you love. Dr. Virginia Livingston-Wheeler has succeeded in devising a scientifically rational program for the prevention and treatment of cancer." Richard A. Kunin, M.D.
