This book is rich with stories of folklore in Indonesia. Instead of describing a single form in the presentation, it comprises variations in histories, tales, rituals, figures, places, living myths, legends, and many more from diverse areas where the authors came from. To some extent, those demonstrate how the world would work in some places and may be a way of life to some individuals or groups in contemporary culture. Taking the choice of not following any of the norms or regulations found in the stories, can work as well for today's generation. However, by recognizing, reading, or listening to stories, we get pulled into a point to realize that life can be rich and fulfilling. More importantly, this folklore book appears to represent Indonesia. Penerbit Garudhawaca

Floret Farm's Discovering Dahlias

From the bestselling author of *The Bourbon Thief* comes a sweeping tale of loss and courage, where one woman discovers that her destiny is written in sand, not carved in stone. Faye Barlow is drowning. After the death of her beloved husband, Will, she cannot escape her grief and most days can barely get out of bed. But when she's offered a job photographing South Carolina's storied coast, she accepts. Photography, after all, is the only passion she has left. In the quaint beach town, Faye falls in love again when she sees the crumbling yet beautiful Bride Island lighthouse and becomes obsessed with the legend surrounding The Lady of the Light—the keeper's daughter who died in a mysterious drowning in 1921. Like a moth to a flame, Faye is drawn to the lighthouse for reasons she can't explain. While visiting it one night, she is struck by a rogue wave and a force impossible to resist drags Faye into the past—and into a love story that is not her own. Fate is changeable. Broken hearts can mend. But can she love two men separated by a lifetime?

Elizabeth is at a crossroad. She's been given the chance to experience life outside of her community, away from the responsibility to care for her eight younger siblings, but Elizabeth Bontrager can't decide which road to take. Goshen has its charms and pressures, but Paradise, Pennsylvania, sounds . . . well, like paradise. And it's also home to her Englisch friend, Paula. Decision made. Elizabeth is Paradise bound. But will the small town live up to its name? When Elizabeth meets Paula's friend, Bruce, she quickly learns he wants more than a friendship. And the same might be true of Saul Miller, her new boss at the country store that sells Amish products to the Englisch community. As the two compete for her attention, Elizabeth is surprised to realize she misses her family and becomes even more uncertain about where she belongs. She has a choice to make: return home or embrace this new life and possibly a new love?

*" William Walker's Southern Harmony, first published in 1835, was the most popular tune book of the nineteenth century, containing 335 sacred songs, dominated by the folk hymns of oral tradition and written in the old four-shape notation that was for generations the foundation of musical teaching in rural America. Born in 1809 in South Carolina, William Walker grew up near Spartanburg and early became devoted to the Welsh Baptist Church of his ancestors and to the musical heritage that church had brought to early America. Walker became a singing master, and Southern Harmony was compiled for his students in hundreds of singing schools all over North and South Carolina and Georgia and in eastern Tennessee. Southern Harmony reached Kentucky in the company of music-loving pioneers, and today an annual singing in Benton, Kentucky, remains the only such occasion on which Southern Harmony is consistently the source of the music. The CD included with the book contains 29 tunes, hymns, psalms, odes, and anthems, including "New Britain" (Amazing Grace), "Happy Land," "O Come, Come Away," "Wondrous Love," and many, many more.*

***New York Times bestselling author Gabbie Hanna delivers everything from curious musings to gut-wrenching confessionals in her long-awaited sophomore collection of illustrated poetry. This edition includes a collection of uncomfortably honest personal essays about Gabbie's childhood and relationships. In this visually thrilling installment of the inner-workings of Gabbie's mind, we're taken on a journey of self-loathing, self-reflection, and ultimately, self-acceptance through deeply metaphorical imagery, chilling twists on child-like rhymes, and popular turns of phrase turned on their heads. Through raw, provocative tidbits, Dandelion explores what it means to struggle with a declining mental health in a world where mental health is both stigmatized and trivialized. The poems range from topics of rage and despair to downright silliness, so if you don't know whether to laugh or cry, just laugh until you cry.***

This powerful, unforgettable and uplifting story is one part wrenching family memoir, and one part inspirational journey towards healing and forgiveness – but most of all, it's an unflinching look through one family's tragedy and how they refused to let it define them. On the day of Rebecca Poulson's 33rd birthday, her father, niece and nephew were murdered. The murderer was her brother-in-law, Neung, the father of the children. Killing Love is Rebecca's journey through homicide; grief, the police investigations, the media interest, the court cases, the moral dilemmas, and the healing. It is a story of individual tragedy and a family's strength, but it is also a story of a community's attitude to family violence. As a reluctant warrior for those who cannot speak for themselves, Rebecca talked to the NSW State Premier and politicians, on multiple TV shows and to print journalists in the hope that the mistakes made by the police force, DOCS, the legal system would not be made again. Rebecca's contact with policy makers has been nothing short of history-making, and her story has directly influenced domestic violence laws in the state. Neung left a trail of destruction that he hoped that he would destroy them. This is the story of how he didn't.

This haunting and heartbreaking story is told by a surprising and unexpected narrator and unfolds in nonlinear flashbacks even as Liz's friends, foes, and family gather at the hospital and Liz clings to life. This riveting debut will appeal to fans of *Before I Fall*, by Lauren Oliver, and *13 Reasons Why*, by Jay Asher. "On the day Liz Emerson tries to die, they had reviewed Newton's laws of motion in physics class. Then, after school, she put them into practice by running her Mercedes off the road." Why did Liz Emerson decide that the world would be better off without her? Why did she give up? The nonlinear novel pieces together the short and devastating life of Meridian High's most popular junior girl. Mass, acceleration, momentum, force—Liz didn't understand it in physics, and even as her Mercedes hurtles toward the tree, she doesn't understand it now. How do we impact one another? How do our actions reverberate? What does it mean to be a friend? To love someone? To be a daughter? Or a mother? Is life truly more than cause and effect? Amy Zhang's haunting and universal story will appeal to fans of Lauren Oliver, Gayle Forman, and Jay Asher.

**Winner of the Alex Award "Mike Muñoz Is a Holden Caulfield for a New Millennium--a '10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America." --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what's next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way.**

**Austerity, a response to the aftermath of the financial crisis, continues to devastate contemporary Britain. In *The Violence of Austerity*, Vickie Cooper and David Whyte bring together the voices of campaigners and academics including Danny Dorling, Mary O'Hara and Rizwaan Sabir to show that rather than stimulating economic growth, austerity policies have led to a dismantling of the social systems that operated as a buffer against economic hardship, exposing austerity to be a form of systematic violence. Covering a range of famous cases of institutional violence in Britain, the book argues that police attacks on the homeless, violent evictions in the rented sector, the risks faced by people on workfare schemes, community violence in Northern Ireland and cuts to the regulation of social protection, are all being driven by reductions in public sector funding. The result is a shocking exposé of the myriad ways in which austerity policies harm people in Britain.**
