

Growing To Maturity A Messianic Jewish Guide

In the charismatic-Christian world, teachings about financial prosperity often are maligned for erroneously promising an opulent lifestyle as the reward for sacrificially donating money “by faith” to ministers or their ministries. Daniel C. Juster counters such aberrant doctrines of financial gain with *What the Bible Says About Prosperity*. By comparing, contrasting, and explaining both the Old and New Testament passages on the subject, he delivers a biblically balanced and refreshingly holistic view of prosperity. Daniel will:

- Show you God’s covenant pattern for true prosperity.
- Give you basic principles for investing.
- Reveal how righteous investing and biblical prosperity work together.
- And much more.

Daniel’s more than forty years of teaching the Scriptures will sharply increase your understanding of biblical prosperity and strengthen and inspire your faith in God as your provider.

The Millennial Kingdom is a comprehensive biblical and historical treatment of the doctrine of the millennium written for the pastor, students, scholar, or layperson. The three leading millennial views -- postmillennialism, amillennialism, and premillennialism -- are presented in the context of their history, their theology, and their biblical interpretation. Dr. Walvoord presents postmillennialism first and then discusses amillennialism. However, the subject of premillennialism forms the main body of the work. The author introduces premillennialism

Download Free Growing To Maturity A Messianic Jewish Guide

with a survey of its historical background in the Old and New Testaments and in the history of the church. Its theological setting and methods of interpretation are discussed. A presentation of the character of the millennium concludes the volume.

Normally, discussions about One New Man focus on Jew and Gentile needing to reconcile. Usually, this conversation breaks down over the place of Israel in the Kingdom and end times. People rarely think, much less act, on the purpose behind the Lord calling us to be the One New Man. The fundamental issue of identity has been overlooked. When people recognize that their true identity is their Messiah, they will be drawn into a closer relationship with God. They have been born into a time where biblical prophecy is confirming that the unity between Jew and Gentile is ushering in a new season of outpouring of the Holy Spirit, and the Lord is calling them to join in. There is a call in this season, as confirmed in Ephesians 2 and 3, for Jew and Gentile to come together as One New Man and to walk as joint heirs in the commonwealth of Israel. When Jew and Gentile come together as One, the Lord has stored up a release of blessing and power that will forever change humanity's destiny.

Richard Harvey, himself a Messianic Jew, maps the diverse theological terrain of this young movement. He makes an original and innovative contribution by clarifying, affirming and constructively critiquing the present state of its theology. The book examines five topics of theological concern: 1. God's nature, activity and attributes (can the one God of Israel and the

Download Free Growing To Maturity A Messianic Jewish Guide

Christian Trinity be the same?) 2. The Messiah (Messianic Jewish Christologies) 3. Torah in theory (the meaning and interpretation of the Torah in the light of Jesus) 4. Torah in practice (Messianic practice of Sabbath, food laws and Passover) 5. Eschatology (the diverse models employed within the movement to describe the future of Israel). Within each topic Harvey explores the range of Messianic Jewish views and their roots in both Jewish and Christian theological traditions. The author proposes a typology of eight theological tendencies within Messianic Judaism and identifies issues where further theological development is required.

How Christ's Victory Strengthens Us for Spiritual Warfare

This discipleship guide presents first steps of understanding and spiritual practice, tailored for the Jewish believer, but applicable to anyone. It's goal is to aid the student in living according to Yeshua's will as a talmid (a disciple), one who learns from the example of his teacher. This guide is structured according to recent advances in individualized educational instruction.

Discipleship is serious business and the material is geared for serious study and reflection. Each chapter is divided into short sections followed

by study questions.

Messianic Judaism is a grass roots movement--a movement among Jewish and non-Jewish followers of Jesus of Nazareth who recognize and identify with their Jewishness. As a pulsating grass roots movement, Messianic Judaism exhibits the power and excitement of significant new discoveries. Topical chapters in Jewish Roots discuss the following: The Biblical Meaning of Israel Israel's Call and the New Testament Messianic Judaism--Difficult Passages History of Judaism and Christianity The Faith and Life of Messianic Jews Paul, Israel, and the Law Messianic Jewish Practice Jewish and Biblical Worship Dangers to Be Faced A Messianic Vision

For hundreds of years, we thought we knew what happened during Jesus' last days. Holy Thursday, Good Friday and Easter Sunday are not only observed by Christians around the world, but are also recognized in calendars and by non-practitioners as commemorating the true timeline of events in the life of Christ. But apparent inconsistencies in the gospel accounts of Jesus' final week have puzzled Bible scholars for centuries. In The Mystery of the Last Supper, Colin Humphreys uses science to reveal the truth about Jesus' final days. Reconciling conflicting Gospel accounts and scientific

evidence, Humphreys reveals the exact date of the Last Supper in a definitive new timeline of Holy Week.

Absorbing the Old with the New “The time is coming declares the L-rd, when I will make a New Covenant with the house of Israel...I will put my laws in their minds and write it on their hearts” (Jeremiah 31:31-33). The New Covenant Prophecy tells the very personal, real-life story of a Jewish believer who believes that Yeshua (Jesus) is the Jewish Messiah. His fascinating background includes being born in London into a wealthy Jewish family, parental divorce, anti-Semitism, and a supernatural spiritual experience when a Voice told him that he was loved and would be used to minister to God’s people. Jews, Messianic Jews, Christians, and nonbelievers alike will be enthralled with the intriguing details of his life in England and the United States—not only what was going on spiritually but also his keen mind for business-building and entrepreneurship. Written from a Messianic perspective, the author shares his spiritual discoveries in sensitive yet exciting ways that reveal the Good News of Yeshua so Jewish people can better understand the New Covenant—and Gentile believers can better understand the Church’s reconnection to Israel in the last days.

Under the Banner of Heaven

The relationship between the church and Israel has been the source of passionate debate among Christians throughout much of church history. In recent years the traditional pro-Israel stance of evangelicals has come under fire by those who support the Palestinian cause, calling for a new perspective and more nuanced approach by Christians who believe that the land of Israel belongs to the Jewish people by virtue of God's covenants and promises. Israel, the Church, and the Middle East challenges the supersessionist drift of the modern church, showing that God retains a plan and purpose for the Jewish people while also addressing a number of the divisive issues raised by authors critical both of Israel and of those who affirm Israel's right to the land. The book explores the hermeneutics and wider effects of the conflict, such as the growing antipathy within the church toward the evangelization of the Jewish people. It provides readers with an objective and interdisciplinary treatment, which is irenic and respectful in tone.

Download Free Growing To Maturity A Messianic Jewish Guide

The book is directed toward pastors, global Christian leaders, theological students, and well-read lay Christians who are actively seeking guidance and resources regarding the Middle East conflict. The contributors represent a broad evangelical spectrum.

Where does a relatively young movement turn for identity and direction when it straddles the fence between two competing major religions?

Messianic Jews have done something that for centuries was considered untenable. Like Christians, they have embraced Jesus as the divine Messiah, but they have refused to surrender their place within the Jewish people.

How compatible are these two sides of Messianic Jewish faith? Can Messianic Jews participate as full members in both the body of Messiah and the people of Israel? Can they be led by the Holy Spirit that Jesus promised while also following the rulings of the Jewish sages? Did Jesus affirm rabbinic authority, or does that authority now lie elsewhere within the new covenant? In this volume, Messianic Jewish rabbi Joshua Lessard and Messianic Jewish scholar Jennifer Rosner debate the path forward for Messianic Judaism as it grapples with being the child of divorced parents--the church and Israel. Both Lessard and Rosner are committed to the success of Messianic Judaism, though they put forth contrasting visions of what that means. The discussion herein is unique and provocative, not

Download Free Growing To Maturity A Messianic Jewish Guide

only for Messianic Jews, but for all who have wrestled at the crossroads of Torah, tradition, and Spirit.

Growing to Maturity A Messianic Jewish Guide Growing to Maturity A Messianic Jewish Discipleship Guide Messianic Jewish Publisher A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like Recovering Biblical Manhood and Womanhood help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

Redefining Christian Engagement with the Jewish People

Etz Chaim—the Tree of Life The Torah, the Bible, the Tree of Life—God’s Word is a set of instructions for everyone who wants to live a victorious, joyful, and abundant life. Etz Chaim explains a parable relating to the Tree of Life that the Lord spoke to the author—a Messianic Rabbi. The parable opens wide the unique components of the Word and the physical Tree of Life that is introduced in Genesis and again in Revelation. The LORD God made all kinds of trees grow out of the ground—trees that were pleasing to the eye and good for food. In the middle of the garden were the tree of life... (Genesis 2:9). Whoever has ears, let them hear what the Spirit says to the churches. To the one who is victorious, I will give the right to eat from the tree of life, which is in the paradise of God (Revelation 2:7). The parable reveals seven aspects of the Tree of Life: The ground. The seed. The

roots. The trunk. The branches. The leaves. The fruit. Each of these components brings seven life-changing conclusions to light that stimulate spiritual growth and maturity. The simple yet profound image is powerful and compels you to into self-examination to assure your spiritual health and growth in each of the areas God wanted the author to share with you.

Most people think of the kind of blessings they receive. But sometimes, blessings start coming to us-when we start blessing God first. But how do we bless God? In this groundbreaking work, insights into the ancient biblical practice of blessing God are offered clearly and practically. With examples from Scripture and Jewish tradition this book teaches the biblical formula used by the men and women of the Bible, including the Messiah, points to new ways and reasons to praise the Lord, and explains more about the Jewish roots of the faith. The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel

fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis
This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine

love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage "A battle manual for every Christian."
—Sinclair B. Ferguson **The Christian life is a battle. We are in a daily struggle against the world, sin, and Satan. But God didn't leave us to fend for ourselves. He gave us his own armor—armor that Jesus has already worn on our behalf all the way to the cross. The same power that raised Christ from the dead is now at work inside of us. This book unpacks each of the pieces of spiritual armor Paul describes in Ephesians 6, inviting us to take up the armor each day, all while resting in the finished victory of Christ and the assurance that our strength for the battle comes from him.**

Experiencing God Through Prayer

Readers of the New Testament can find its treatment of tradition confusing. Many of the customs in its pages are Jewish, and therefore foreign to non-Jewish believers. Yeshua (Jesus) sometimes corrected those observing religious customs, yet at other times he said they **SHOULD** have observed them. Paul appears to do the same in his letters, for twice he instructs non-Jewish believers to keep the Jewish customs he passed on to them. Is there some way to determine which customs are "good" and which are "bad"? The methods used by the prophets of the Older Testament (TANAKH) as well as the writers of the Newer Testament did leave readers guidelines to divide seeds of truth from tradition, and then to separate a tradition grown from truth from a "taredition" grown from a different seed. The most important consideration in the prophets', Yeshua's, and the apostles' instructions is the sincere heart that holds justice, mercy, and faithfulness as the weightier matters of any religious custom.

Do you sometimes feel that you are wandering in a wilderness of grief, confusion, and faltering faith? If so, you are not alone. Like the lost children of Israel, many have searched for a way through a personal wilderness. But just as those same Israelites followed God's leading to the Promised Land, you too can find the promised new life in the Spirit. Jamie Buckingham made such a journey – not only figuratively but literally. During a time of intense personal struggle, he traveled to the Sinai. There he found restoration and, in the solitude of a wilderness night, he learned ancient Bible truths that would alter his life forever. Of all the locations Jamie visited during his many

trips to Israel, he loved the Sinai desert the most. In this book he shares with you the simple, healing secrets that God first revealed to Moses at the dawn of faith.

NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

When I first became a believer I had a difficult time living for the Lord because there was so much I did not understand. I did not realize that I was a three part being and that when I gave my life to Jesus only one part of me experience immediate change, my spirit. According to our Lord Jesus that which is born of the Spirit is spirit. (John 3:1-6) However nothing happened with my mind nor my flesh. And I learned that I was responsible to get my mind renewed with the Word and bring my body under

subjection with the help of the Holy Spirit. (Romans 12: 1-2) Because I did not first understand these things I struggled. And there are many believers who are struggling in the walk with the Lord today. Perhaps you are one of them. When I was taught what really happens at the new birth and how to grow spiritually things changed and I began to experience change in my walk. I was encouraged by another minister to write a book which would share with others concerning how to grow in Christ, renew their minds to God's will and ways, how to meditate in the Word and how to bring their bodies under subjection and get past ungodly fleshy lusts which war against the soul. This minister felt it was very important to share what I had learned after thirty years of walking with the Master. This book was my attempt to do just that. I don't claim to know everything about living for the Lord. We are all still learning and growing. But perhaps you will find the key to your victory here. "How to Live The Christian Life Successfully.... Victoriously," A practical guide on living for Christ. Get your copy today and learn how to overcome as a believer. Bob and Rose Weiner present a series of Bible studies on foundational tenets of the Christian church, including atonement, repentance, baptism, the authority of the Bible, faith, the last days, and many other subjects.

Ever Before Me: Your Love is a meditation on the intersection of library science and the arts, particularly dance. This multi genre book encompasses poetry, theater, and religious studies. The author explores themes of love and inspiration in a pensive, philosophical, and comedic way. This book contains poems, monologues, articles and even tweets some never before published. The advent of the Internet has changed how humans access and organize information, requiring libraries to accept global technological shifts and to incorporate the use of social media to remain relevant and viable. Writing this book involved a soulful embrace of library science and the creative arts; it is very interdisciplinary in nature.

In recent years, a new form of Messianic Judaism has emerged that has the potential to serve as a bridge between Jews and Christians.

Giving voice to this movement, Mark Kinzer makes a case for

Download Free Growing To Maturity A Messianic Jewish Guide

nonsupersessionist Christianity. He argues that the election of Israel is irrevocable, that Messianic Jews should honor the covenantal obligations of Israel, and that rabbinic Judaism should be viewed as a movement employed by God to preserve the distinctive calling of the Jewish people. Though this book will be of interest to Jewish readers, it is written primarily for Christians who recognize the need for a constructive relationship to the Jewish people that neither denies the role of Jesus the Messiah nor diminishes the importance of God's covenant with the Jews.

The Road to God

Understanding leadership from a scriptural perspective is not a strong point in the American Christian community. This book is my attempt to put the experience of over twenty years of pastoring into written form for the benefit of others. Some lessons were learned through difficulties and mistakes. Some were learned by the teaching and example of others. I do believe that the pattern of congregational structure put forth in these pages is scriptural. It is a pattern that will work for large or small congregations. It has worked well in our congregations for many years. These are congregations planted especially to win the lost sheep of the house of Israel. If it can work in this

Download Free Growing To Maturity A Messianic Jewish Guide

contexta field known for its difficultyit can probably work in most other contexts.

Freddy is torn between her need for a normal adolescent dating life and the responsibility she has always felt for her mentally challenged Uncle Joey. When Joey is accused of the murder of a local 6 year old girl, Freddy works to clear his name. But can she accomplish this without alienating the man she loves? A real page-turner; you will be riveted to the mystery as well as the circuitous paths Freddy's love life takes on her way to maturity. An excellent choice for a book club!

This book is the go-to source for introductory information on Messianic Judaism. Editors David Rudolph and Joel Willitts have assembled a thorough examination of the ecclesial context and biblical foundations of the diverse Messianic Jewish movement. Unique among similar works in its Jew-Gentile partnership, this book brings together a team of respected Messianic Jewish and Gentile Christian scholars, including Mark Kinzer, Richard Bauckham, Markus Bockmuehl, Craig Keener, Darrell Bock, Scott Hafemann, Daniel Harrington, R. Kendall Soulen, Douglas Harink and others. Opening essays, written by Messianic Jewish scholars and synagogue leaders, provide a window into the on-the-ground reality of the Messianic Jewish community and reveal the challenges, questions and issues with which Messianic Jews
