The differences and connections between local and federal government? Enter How to Be an American. When author and illustrator Silvia Hidalgo began to study for her citizenship test, she quickly found that the materials provided by the government were lacking. To more easily absorb the information, Hidalgo started her own illustrated reference to civics facts and American history essentials. She's collected her findings in How to Be an American, a freshly designed and illustrated guide that will leave any reader a more savvy, informed citizen—or prepare them to take the citizenship test themselves.
