"I am hard pressed to think of another book that can match the combination of practical insights and reading enjoyment."—Steven Levitt Game theory means rigorous strategic thinking. It's the art of anticipating your opponent's next moves, knowing full well that your rival is trying to do the same thing to you. Though parts of game theory involve simple common sense, much is counterintuitive, and it can only be mastered by developing a new way of seeing the world. Using a diverse array of rich case studies—from pop culture, TV, movies, sports, politics, and history—the authors show how nearly every business and personal interaction has a game-theory component to it. Mastering game theory will make you more successful in business and life, and this lively book is the key to that mastery.

What if you thought you lived in a world that felt like a prison, full of slavery and oppression? That is the premise behind Persona 5, where the teenagers feel just that, with them being ruled by corrupted and twisted adults. In order to seek freedom, they live dual lives, being students during the day and Phantom Thieves at night. With the help of a mysterious smartphone app, they enter another world, where they "steal" the hearts of the corrupt adults in order to reform them. This guide contains the following: - A complete beginning-to-end walkthrough, with detailed boss strategies - A detailed look into all of the Confidants - Every single Request that takes you into the mysterious Mementos - Coverage of every single mini-game - The location of every single Persona in the game, including a detailed look into Fusion - A comprehensive trophy guide that will get you that elusive platinum trophy

A group known as the Tantalus Theatre Troupe visits the kingdom of Alexandria to celebrate the birthday of Princess Garnet. Unbeknownst to the royal family and the citizens of the city, the troupe is actually a band of thieves, who are aiming to kidnap the princess. However, to add a twist, the princess was planning on escaping the castle all along, even asking the troupe to "kidnap" her. This little event kickstarts many others, leading to a grand adventure. This guide is planned to have a beginning-to-end walkthrough of the main story, while simultaneously guiding you through all of the side quests and other goodies in the game. The side quests include Chocobo Hot and Cold, Tetra Master, and all of the smaller ones, like the jump rope mini-game, Friendly Monsters, Excalibur II, and much more. In addition to all
