*Guitar For Kids is a fun guide on
the first steps of learning to play
guitar with over 70 photographic
examples, purpose-made diagrams
and cartoons. Starting with advice
on buying your first guitar, how to
hold the guitar and how to tune it,
the music then begins with easy-to-
play melodies using only open
strings (open strings means only the
plucking hand is used), before
moving to simple pieces in which the
fretting hand is also used. The book
goes into detail for some basic
techniques because you're better off
getting it right from the start rather
than develop bad habits. kids can*

innovation, LearnToPlayMusic.com continues to set the standard for quality children's music education resources.

"A very comprehensive book containing chords from the beginning stages and beyond. Everything is very well explained with no stone left unturned. I'd highly recommend it to anyone who's starting out with the guitar."

-- Nigel Elliott, Guitarist & Tutor (N.Ireland) Guitar Chords for Beginners contains 65 different chords arranged in easy fingerings. Technique: Fretting hand technique for playing guitar chords is looked at in detail with diagrams. Where necessary, some chords are taught

Get Free Guitar For Kids First Steps In Learning To Play Guitar With Audio Video

incrementally because taking on only the harder aspects of a chord's fingering first means our hand is freer to adjust. Other chords are shown with different fingerings for you to choose which you prefer. Playing guitar chords may seem like a contortion for the hands of the beginner so there is some basic guidance on stretching to keep the hands flexible. Audio and More: Each guitar chord has a downloadable audio example enabling you to hear if you have played it right, or to hear what you need to work towards. There is an introduction to moveable power chords and barre chords, in which barre chords are shown as easier

Get Free Guitar For Kids First
Steps In Learning To Play
Guitar With Audio Video

cut-down versions of full barre chord shapes. At the back of Guitar Chords for Beginners there is a list of suggested songs that contain chords from within the book. Grab a copy today! "I like what's been put together! The information covered in technical issues for beginners especially explaining the difference between chords on piano and guitar is great. I think starting with the small position chords for C and G etc and building up to full position is also really important for beginners. The picture diagrams of hand position is a nifty feature, I know lots of beginners respond more to visuals and will often revert to looking at the hand pictures

Get Free Guitar For Kids First
Steps In Learning To Play
Guitar With Audio Video

rather than the chord diagrams.

*Also think the added audio clips are a great feature so students can compare the sounds of their chords with the audio for reference. There could be a couple of chord progressions at the end of each section (Apart from the song suggestions at the end of the book) and strumming patterns. That would be an added feature that I think could work nicely, although this would make for a larger book and it is only £1.99 for the eBook. Otherwise I think what's been put together is great :)" -- Anthony Bierman, Bmus(Hons)
Contemporary/Jazz Guitar (South Africa) "Looks fab. I particularly*

Get Free Guitar For Kids First
Steps In Learning To Play
Guitar With Audio Video

like the different ways of playing the A chord. The physical warm-up exercises for flexibility are also good. It is good that movable major and minor barre chords are shown as partial versions to make them initially easier, and beginners might find extra interest where near the back of the book easy open versions of other more exotic chords are shown, such as Dm(maj7), the "James Bond" chord." -- Campbell Murray, RGT & MU Registered Tutor (Scotland)

How to Play Guitar in 10
Easy Lessons**

A first guitar chord dictionary for children, featuring 336 of the most popular chord types in all twelve keys illustrated with large child-friendly chord window diagrams. Additional sections on chord theory, moveable chords and tuning the guitar are also included. A perfect starting point for a child (or grown-up child!) to learn the guitar.

Strumming the Guitar Book 1 is a detailed course for beginners and upward, focusing solely on the subject of guitar strumming.

Get Free Guitar For Kids First Steps In Learning To Play Guitar With Audio Video

Separate sections take on strumming, changing chords and coordinating chord changes while strumming, therefore maintaining a thorough approach throughout with components broken down at every level. With this incremental method, this guitar strumming book enables the beginner to absorb everything important from the start and progress consistently as the difficulty level increases. Guitar Strumming Techniques - Before anything else, the basics of strumming are covered from the ground up for the beginner, assisted with professional hand drawn illustrations. Learn how to

Get Free Guitar For Kids First Steps In Learning To Play Guitar With Audio Video

hold the plectrum for strumming, how to strum chords that require you to miss certain strings, preemptive chord changing, open strums and more. Guitar Strumming Patterns - There are 70 different guitar strumming patterns that can be used throughout the book, all written with easy to understand, graphical, strumming diagrams. Reading Rhythmical Notation - Understand the common language of music by becoming familiar with rhythmical notation. Learn whole notes, half notes, quarter notes, eighth notes and their equivalent rests, dotted notes, ties and the basics of time

Get Free Guitar For Kids First Steps In Learning To Play Guitar With Audio Video

signatures. All shown with clear charts and diagrams. Chord Changes - Seven groups of chord changes are included, made up almost entirely of open chords. The book starts with the easiest chord changes in which fretting finger locations can be shared, moving to chord changes in which fretting fingers relocate with the same shape, then more difficult chord changes where fretting fingers need to relocate in independent directions, such as C major to G major open chords or Aadd9 to Dmaj7 open chords. Strumming Exercises and Study Pieces - Every section includes

Get Free Guitar For Kids First Steps In Learning To Play Guitar With Audio Video

strumming exercises that combine chord changes with strumming, each section concluding with a musical study piece using the skills learnt and practised in styles of Slow Pop, Spanish style, Grunge and Country Pop. In total there are 85 strumming exercises and 10 musical study pieces, while more combinations can be found by selecting from the 70 given strumming patterns to use with them. Audio and Video - All exercises and musical study pieces are demonstrated with audio (downloadable 154 MB). All study pieces have a demonstration audio track and a

Get Free Guitar For Kids First Steps In Learning To Play Guitar With Audio Video

backing audio track in which the rhythm guitar part has been removed for you to play over.

Online videos (of which there are 21 in total size of 775 MB) are also used to enhance explanations. Please Note: The eBook includes musical pieces so is not suitable for smaller screens.

Music Professor Damon Ferrante guides children five and up through how to play the guitar with step-by-step lessons for beginners and streaming video lessons. This easy-to-follow method, used by thousands of guitar students and teachers, is designed to be interactive,

learn will be reading different notes from the musical staff. Audio Tracks - this Guitar Book For Kids comes with 47 downloadable audio tracks with musical pieces in styles such as Rock, Blues, Pop, Flamenco, Jazz and Reggae. Each piece has a full band demo track and accompanying backing track with guitar part removed for you to play over. What More? - EZ chords are covered (easy chords with less notes) and are accompanied with diagrams of the full versions for later on, or if you feel like a challenge. There's an introduction to Power chords with Rock pieces to play named after healthy greens "Broccoli Rockilly" and "Rocket Salad". There's a Blues and Rock duet with backing band tracks to play with a friend, and
