Gulzar Stories

At one level, Gulzar's Aandhi (1975) is a story of estranged love between two headstrong and individualistic

Where To Download Gulzar Stories

personalities; at another, it is a tongue-in-cheek comment on the political scenario of the country. Through a close textual analysis of the film, this book examines in detail

Where To Download Gulzar Stories

its stellar cast, the language and dialogues, and the evergreen songs which had a major role in making the film a commercial success. Gulzar's own insights into

Where To Download Gulzar Stories

the making of Aandhi (from an interview) further enhances the readers' understanding of the film. Saba Bashir's book will delight those wanting to savour the duality and

By the time Gulzar made *Ijaazat* (1987), action-packed potboilers had replaced the genteel romanticism of yore,

Where To Download Gulzar Stories

leaving few takers for a film about lost love and a broken marriage. And yet, three decades later, Ijaazat is a film that has endured.

Gulzar's interpretation

Where To Download Gulzar Stories

of a love triangle in Ijaazat - an evocative exploration of the strength and fragility of human relationships - was years ahead of its time. This book examines

Where To Download Gulzar Stories

that interpretation to show how, thematically, the film was possibly Gulzar's most daring. It highlights how his skill as a storyteller - at once romantic and

Where To Download Gulzar Stories

realistic - is exemplified by his complex characters. Contributing to that understanding is how the film's power also derived hugely from its

Where To Download Gulzar Stories

sublime musical score by R.D. Burman. Drawing on Gulzar's recollections of the making of the film, Mira Hashmi's book embraces the memory of the 'love' that for

Where To Download Gulzar Stories

This book examines the constructions and representations of male and female Sikhs in Indian and diasporic literature and culture through the consideration of the role of violence as constitutive of Sikh identity. How do Sikh men

Where To Download Gulzar Stories

and women construct empowering identities within the Indian nation-state and in the diaspora? The book explores Indian literature and culture to understand the role of violence and the feminization of baptized and turbaned Sikh men, as well

Where To Download Gulzar Stories

as identity formation of Sikh women who are either virtually erased from narratives, bodily eliminated through honor killings, or constructed and represented as invisible. It looks at the role of violence during critical junctures in Sikh history,

Where To Download Gulzar Stories

including the Mughal rule, the British colonial period, the Partition of India, the 1984 anti-Sikh riots in India, and the terror of 9/11 in the United States. The author analyzes how violence reconstitutes gender roles and sexuality within various cultural

and national spaces in India and the diaspora. She also highlights questions related to women's agency and their negotiation of traumatic memories for empowering identities. The book will interest scholars, researchers, and students of

This book is about the popular cinema of North India ("Bollywood") and how it recasts literary classics. It addresses questions about the interface of film and

Where To Download Gulzar Stories

literature, such as how Bollywood movies rework literary themes, offer different (broader or narrower) interpretations, shift plots, stories, and characters to accommodate the medium and the economics

Where To Download Gulzar Stories

of the genre, sometimes even changing the way literature is read. This book addresses the socio-political implications of popular reinterpretations of "elite culture", exploring gender issues and the perceived

Where To Download Gulzar Stories

"sexism" of the North Indian popular film and how that plays out when literature is reworked into film. Written by an international group of experts on Indian literature and film, the chapters in this book focus on these

Where To Download Gulzar Stories

central questions, but also cover a wide range of literary works that have been adapted in film. Each part of the book discusses how a particular genre of literature has been "recast" into film. The individual

chapters focus on comparisons and close studies of individual films or film songs inspired by "classics" of literature.

The book will be of interest to those studying Indian film and literature and
