

## H Rider Haggard Ultimate Collection 60 Works In One Volume Allan Quatermain Series Ayesha Series Lost World Novels Short Stories Essays Autobiography The People Of The Mist The Ghost Kings

*Maiwa and 's Revenge, or The War of the Little Hand is a short novel by English writer H. Rider Haggard about the hunter Allan Quartermain. The story involves Quartermain going on a hunting expedition, then taking part in an attack on a native kraal to rescue a captured English hunter, and avenge Maiwa, an African princess whose baby has been killed.*

*She and Allan is a novel by H. Rider Haggard, first published in 1921. It brought together his two most popular characters, Ayesha from She, and Allan Quatermain from King Solomon's Mines. Allan Quatermain, the swashbuckling adventurer who is H. Rider Haggard's best-remembered character, often faced down formidable adversaries in exotic lands around the globe. But in The Ancient Allan, the perilous journey that Quatermain undertakes is one that leads him into the murky depths of his own distant past, where he learns more about his adventures in a previous existence that took place long ago.*

*Renowned as one of the most skilled action-adventure novelists ever to set pen to paper, fans and critics alike love H. Rider Haggard's ability to concoct a perfect blend of romance and pulse-pounding suspense. In Love Eternal, Haggard is at the peak of his form, skillfully weaving fascinating questions about reincarnation and mortality into a thrilling action tale. Though H. Rider Haggard is today best remembered as one of the foremost figures in the action-adventure genre, he also produced several top-notch works of historical fiction in his time. Lysbeth unfolds in sixteenth-century Holland, where the Protestants in the region were subjected to brutal oppression and persecution at the hands of the Spanish. For an exhaustively researched account of this little-discussed period that will make you feel as if you'd lived through it yourself, give this gripping historical novel a read.*

*King Solomon's Mines (1885) is a popular novel by the English Victorian adventure writer and fabulist Sir H. Rider Haggard. It tells of a search of an unexplored region of Africa by a group of adventurers led by Allan Quatermain for the missing brother of one of the party. It is the first English adventure novel set in Africa, and is considered to be the genesis of the lost world literary genre.*

*H. RIDER HAGGARD Ultimate Collection: 60+ Works in One Volume - Adventure Novels, Lost World Mysteries, Historical Books, Essays & Memoirs*

*H. Rider Haggard Collection - the People of the Mist and When the World Shook*

*The Complete Adventures 1uKing SolomonÆs Mines and Allan Quatermain*

*H. RIDER HAGGARD (She: the Complete Collection) She, Ayesha: the Return of She, She and Allan, Wisdoms Daughter*

*H. Rider Haggard Collection - Moon of Israel and Morning Star*

Though best known for creating the series featuring the unforgettable adventurer Allan Quatermain, author Henry Rider Haggard's other action-adventure heroes are just as compelling and believable. The People of the Mist recounts explorer Leonard Outram's exploits in Africa. Haggard loyalists and other fans of the genre are sure to delight in this thrill-a-minute page-turner. A cantankerous trio of friends sets off on a grand nautical adventure, determined to see the world and shake off the lingering effects of the tragedies and disappointments that each of them have experienced in recent years. But when their boat voyage is thrown off course, they stumble across the vestiges of a mysterious lost civilization. Will the friends be able to escape its evil clutches and make it back home?

In the novel Child of Storm, H. Rider Haggard's most famous character, Allan Quatermain, continues to indulge his penchant for globe-trotting adventure in a tumultuous journey across Africa. Upon his arrival, he discovers that one of his closest friends has fallen head over heels in love with one of the most beautiful -- and dangerous -- women in the world, and he will stop at nothing to win this accused witch's affection. Will Quatermain be able to intervene before it's too late -- or will he succumb to the vixen's charms, as well? Get set for adventure with this rip-roaring tale from action-fantasy master H. Rider Haggard. The Ivory Child sees intrepid explorer Allan Quatermain venturing into unknown territory to rescue a kidnapping victim. Along the way, he inadvertently stumbles into an array of thorny situations, including a tribal civil war. Will Quatermain triumph and make it back alive?

Set sail for swashbuckling exploits with the author whose work inspired the creation of Indiana Jones. Fans of classic action fiction will love this collection of tales set in exotic locations around the globe, from Egypt to Tibet and beyond. This carefully curated group of stories will enthrall and engage adventure-loving readers. Raised in near-isolation in South Africa, a young Dutch girl named Swallow spends her days gazing upon the sea and dreaming of a happier life filled with friends, family and love. Soon, her daydreams begin to become reality in ways she could never have imagined possible. Ranking among H. Rider Haggard's best novels, Swallow deftly combines romance, historical detail, and adventure.

This volume collects the complete Collection (four novels) of the amazing saga of She, a saga related to the Allan Quatermain series (starting with the classic King Solomon Mines), written by Sir Henry Rider Haggard, English writer of adventure novels set predominantly in Africa, and a pioneer of the Lost World literary genre.She is a first-person narrative that follows the journey of Horace Holly and his ward Leo Vincey to a lost kingdom in the African interior. There they encounter a primitive race of natives and a mysterious white queen named Ayesha who reigns as the all-powerful "She", or "She-who-must-be-obeyed"(She: ) She Ayesha: The Return of SheShe and AllanWisdom's Daughter Beatrice The Wizard The Ancient Allan The Yellow God The Works of H. Rider Haggard

*The Ivory Child is another novel in Haggard'sAllan Quatermain series, featuring the title hero's quest to find his friend's kidnapped wife and his involvement in a tribal civil war.*

*Though he was best known as a writer of fantastic action-adventure tales, including the Allan Quatermain series from which the modern-day Indiana Jones films drew inspiration, H. Rider Haggard also worked in the genre of historical fiction from time to time. This novel is a fictionalized account of the Israelites' enslavement and eventual escape from Egypt. Storytelling genius H. Rider Haggard leads readers into the ancient past in the gripping historical novel Morning Star. Set in Egypt thousands of years ago, the tale follows the plight of a princess whose claim to the throne has been challenged. But this girl is not your typical damsel in distress. Will she be able to prevail over the usurpers who are clamoring for power?*

*If Haggard—one of the greatest adventure writers of all time—is remembered now, it is for his novels featuring Allan Quatermain, a hero whose exploits form the most important sequence of his books. Quatermain's life is chronicled in such novels as King Solomon's Mines, Allan Quaterman, She, and many others. However, despite the importance of the Quaterman books, many of Haggard's other novels are interesting in their own right. Nada the Lily is the first of four books about the Zulus, all of which are excellent. Eric Brighteyes is rich, fantasy-laden Icelandic saga. The World's Desire (written with Andrew Lang) is a fantasy about the characters in The Odyssey. And there are numerous other titles (many of them reprinted by Wildside Press as part of the Wildside Fantasy Classics series) which bring undeservingly lost Haggard books back into print. The Yellow Idol, originally published in 1908, is another of Haggard's African novels, and it features many elements of the fantastic, such as a magic mask and fetish objects, a lost race, reincarnation, and an immortal woman whose many husbands she has preserved as mummies! It certainly deserved a place alongside Haggard's other African novels and more than stands its own as a thrilling adventure novel. (less)*

*The World's Desire (1890) is a fantasy novel about the hero Odysseus. He return home after his second, previously untold journey, to find his home devastated. He then sets out on his last journey, during which he encounters Helen of Troy, to whom the title refers. His journey takes him to Egypt, where he witnesses the 'magician' Moses, and his power over the pharaoh.*

The dwarf saluted and went. "Ah!" he said to himself as he waddled down the hill where he hoped to find game, "ah! you do not fear men dead or living--overmuch; yet, Otter, it is true that you are better here in the sun, though the sun is hot, than yonder in the cave. Say, Otter, why does Baas Tom look so awful now that he is dead--he who was so gentle while yet he lived? Cheat did not look awful, only uglier. But then you killed Cheat, and the Heavens killed Baas Tom and set their own seal upon him. And what will Baas Leonard do now that his brother is dead and the Basutos have run away?

Jess

H. Rider Haggard Collection – Love Eternal & Lysbeth

The Complete Works of Henry Rider Haggard: Lost World Mysteries, Adventure Novels, Fantastical Stories, Historical Books, Essays & Autobiography

H. Rider Haggard Collection – She and Allan and the Ancient Allan

Wisdom's Daughter is a fantasy novel by British writer H. Rider Haggard, published in 1923. It is the final published book in the Ayesha series, but it is the first book in the series. The main character of this book, Ayesha, travels through Tibet, India, and Egypt to find the source of eternal wisdom. It is also implied that she was the model for the Aphrodite of Knidos. As the novel's plot develops, Ayesha meets different historical figures of the 4th century BC, including the Pharaohs Nectanebo I and Nectanebo II, Emperor Artaxerxes III, King Tennes of Sidon, Greek mercenary Mentor of Rhodes, and the Persian eunuch Bagoas.

In the novel Child of Storm, H. Rider Haggard's most famous character, Allan Quatermain, continues to indulge his penchant for globe-trotting adventure in a tumultuous journey across Africa. Upon his arrival, he discovers that one of his closest friends has fallen head over heels in love with one of the most beautiful -- and dangerous -- women in the world, and he will stop at nothing to win this accused witch's affection. Will Quatermain be able to intervene before it's too late -- or will he succumb to the vixen's charms, as well?

Though he was best known as a writer of fantastic action-adventure tales, including the Allan Quatermain series from which the modern-day Indiana Jones films drew inspiration, H. Rider Haggard also worked in the genre of historical fiction from time to time. This novel is a fictionalized account of the Israelites' enslavement and eventual escape from Egypt.

"An imaginative, entertaining adventure story."-E.F. Bleiler
“Enchantment is just what this writer exercised: he fixed pictures in our minds that thirty years have been unable to wear away.”-Graham Green
She and Allan is one of H. Rider Haggard's most exciting novels of adventure and romance. In bringing together two of his most compelling characters, Allan Quatermain, the quirky English Big-Game hunter and explorer, and the seductive and iconic supernatural African Queen Ayesha, or popularly known as “she-who-must-be-obeyed,” Haggard has created one of the most exciting stories in his body of work. When Allan Quatermain seeks out the Zulu witch-doctor Zikali in the south of Africa to determine if he can communicate with the dead, he is instructed to travel to a lost kingdom deep in the interior of Africa. Zikali reveals that the truth of his inquiry will only be revealed if Quatermain delivers a message to a mysterious and supernatural white sorceress who rules over a tribe living in the ruins of an ancient city. Quatermain sets out on a perilous journey through uncharted lands full of cannibals, wild beasts, and treacherous brushes with death. When he finally reaches the rubble of the lost kingdom of Kôr, he is summoned into the presence of the immortal Queen Ayesha, “she-who-must-be-obeyed”, and is requested to lead her army into battle against the dreaded kingdom of Rezu. A spellbinding tale of supernatural fiction, She and Allan is one of the most intriguing and exotic works of early 20th century Fantasy. With an eye-catching new cover, and professionally typeset manuscript, this edition of She and Allan is both modern and readable.

H. Rider Haggard Collection - the Mahatma and the Hare and the Virgin of the Sun

Nada the Lily

The Virgin of the Sun

Allan Quatermain Series, Ayesha Series, King Solomon's Mines, Ayesha, The Last Boer War, Cleopatra, The Witch's Head, The People of the Mist, The Ghost Kings, Queen of the Dawn...

Eric Brighteyes

**Reproduction of the original: Pearl-Maiden by H. Rider Haggard**

Another of Henry Rider Haggard's renowned action-adventure tales, **Nada the Lily** tells the story of revered warrior Umslopogaas, an illegitimate son of the Zulu monarch Chaka, who is forced into exile and must fight to defend his honor -- as well as to win the love of the sought-after and seemingly unattainable beauty Nada. With plenty of battlefield action and stirring romance, this rollicking tale has something to offer every reader.

Much of H. Rider Haggard's body of work focuses on the globetrotting adventures of grizzled explorer Allan Quatermain. The thought-provoking tale **The Mahatma and the Hare** finds the author in a more philosophical mood. Almost fable-like in its simplicity, this profound story probes questions of morality, fairness and life after death. Settle in for a thrill-a-minute journey to the land of the ancient Incans in H. Rider Haggard's novel **The Virgin of the Sun**. An antique dealer whose life is thrown into disarray by a sudden tragedy sets off for the adventure of a lifetime-and along the way finds a romance that begins to heal his hardened heart.

**Lost treasure, the roar of the lion and high adventure!** These are the first two adventures of H. Rider Haggard's famous character-Allan Quatermain. Quatermain is the ultimate white man in Africa the Great White Hunter, adventurer and guide. These are stories brim full of action, romance, big game hunting, hairsbreadth escapes from dangerous animals and the fierce peoples of the Dark Continent, fantastical landscapes and strange hidden cultures with lost cities from a time when vast expanses of this mysterious land remained untrodden by the feet of Western man and it seemed that anything was yet possible. In this first volume of the complete Quatermain novels and short stories available from Leonaur in hard and soft cover are the ever popular 'King Solomon s Mines' and 'Allan Quatermain'. These books will be a joy for all collectors who will relish the opportunity to own all the adventures in a coordinated collection.

**Dawn**

The Ghost Kings is a 1908 novel by H Rider Haggard, set on the borders of Zululand in Africa.In this story Mr. Rider Haggard returns to the manner of his earlierRomance-General-Generals to such good purpose that, despite its length and somewhat episodic character, interest is kept up from beginning to end

Ayesha, Reincarnated
“Think then what it is to live on here eternally and yet be human: to age in soul and see our beloved die and pass to lands whither we may not hope to follow; to wait while drop by drop the curse of the long centuries falls upon our imperishable being, like water slow dripping on a diamond that it cannot wear, till they be born anew forgetful of us, and again sink from our helpless arms into the void unknowable.” - H. Rider Haggard, Ayesha: The Return of She
Horace Holly and Leo Vincey are convinced Ayesha didn't die in Africa so they embark on a journey to Asia and Tibet where they meet the wife of an evil emperor, Khania Atene who claims to be the descendant of one of Alexander the Great's Hellenic generals. The two also find out that Atene has a rival, in the mysterious Princess of He's, Hesea. Both Atene and Hesea declare their love for Leo. Xist Publishing is a digital-first publisher. The People of the Mist

Adventure Classics, Fantastical Stories & Historical Works: King Solomon's Mines, Ayesha, The Last Boer War, Cleopatra, The Witch's Head, The People of the Mist, The Ghost Kings...

The Wizard is a novel by Henry Rider Haggard, first published by Longmans, Green, and Co., in 1896.[1] The Wizard is one of the many examples of imperialist literature. According to Rebecca Stott, author of the article "The Dark Continent: Africa as Female Body in Haggard's Adventure Fiction," Haggard's fiction is still popular today and attempts to expose a "cultural and historical definition of white masculinity at its most rugged and its most terrified." [2]The story is a third-person narrative that follows the journey of Reverend Thomas Owen as he seeks to carry out missionary work in south central Africa, specifically in the tribe of Amasuka. The novel starts in England in the parish of Reverend Thomas Owen and moves to South Central Africa, where the tribe of Amasuka (People of Fire) is located, which is where the majority of the novel takes place. While there, he encounters Hokosa, the chief of the Wizards who essentially wishes him to prove that his God is greater than their god through trials of lightning. The novel is placed in the imperialist literature of 19th-century England. Just like many of his other works, this novel is inspired by Rider Haggard's experiences of South Africa and British colonialism. The character Noma is meant to be representative of the theme of female authority and feminine behavior. Some scholars have called the novel "a tale of victorious faith." It has received both praise and criticism for its representation of the imperialist novel and of womanhood. The novel begins on a Sunday afternoon in summer at a church in the Midland county called Busscombe. Reverend Thomas Owen had a preacher for the day called a "Deputation," who was sent to arouse the indifferent to the duty of converting the savage tribes by collecting money. As the "Deputation" told about his experience with a south central African tribe called the "Sons of Fire," Reverence Owen became very interested in the mission to convert this tribe of Amasuka and converting them. Reverend Owen ultimately decides to take on this task and gives his old job to the "Deputation." Two years go by as Reverend Owen lives in a hut outside of the tribe's town and he sends his newly converted native of the tribe, John, to send a message to King Umsuka which is that Reverend Owen wants to learn their language so that he can administer the word of God to them. After being warned that the People of Fire have their faith too, John informs Rev. Owen that if he cannot perform the magic they want him to perform, he will be killed. Reverend Owen learns of Hokosa and Hafela's plot to kill the king with poison in order to gain the throne through a vision. Rev. Owen learns of the anecdote to the poison in another vision of the Tree of Death and uses this knowledge to his advantage by giving it to Umsuka to revive him at the Feast of the First-Fruit and therefore "proves" his God's power over the People of Fire's god. In the "First Trial by Fire," Hokosa and Umsuka show Rev. Owen their god - a oddly sized stone - and explain that the lightning god knows Hokosa and the other wizards so they won't harm them, but will harm Rev. Owen if he goes through the trial in the plain full of iron. When the lightning from the storm does not harm Rev. Owen, the People of Fire respect him but many are convinced it is magic, not the work of God....Sir Henry Rider Haggard, KBE, Kt ( 22 June 1856 - 14 May 1925), known as H. Rider Haggard, was an English writer of adventure novels set in exotic locations, predominantly Africa, and a pioneer of the Lost World literary genre. Escape into the ancient past with this spellbinding action-adventure tale from one of the masters of the genre, Henry Rider Haggard. This novel follows the exploits of Hamarchis, a brave fighter who is the last living descendant of a noble bloodline of holy men. On the orders of this mysterious group, Hamarchis must attempt to slay Cleopatra, who is regarded as a falsely enthroned imposter. Haggard fans will be pleasantly surprised by this unique departure from his more traditional action-adventure stories. Young missionary Rachel Dove has spent most of her life in the darkest depths of Africa, sacrificing her health and happiness to support her father's charitable initiatives on the continent. Little does she know that a nefarious villain and a renowned African warrior are scheming to whisk her away and make her the queen of a long-lost civilization. Will her beloved be able to rescue her in time?

Beatrice tells the story of a love affair between Beatrice Granger, an unmarried schoolteacher and Geoffrey Bingham, an unhappily married London lawyer.
