among scholars of public policy, among the general public. In light of the need to keep students, researchers, and other interested readers informed and up-to-date on status of U.S. immigration policy, this volume uses introductory essays followed by point/counterpoint articles to explore prominent and

perennially important debates, providing readers with views on multiple sides of this complex issue. While there are some brief works looking at debates on immigration, as well as some general A-to-Z encyclopedias, we offer more in-depth coverage of a much wider range of themes and issues, thus providing the only fully
