

## Hal Leonard Bass Method Complete Edition

(Musicians Institute Press). All you need to know about the bass fretboard, including: scales, intervals, triads, modal patterns, and fundamentals; keys, fingerings, position playing; arpeggios, turnarounds, walking bass lines; horizontal and vertical playing; and more! For all styles of playing!

(Book). This invaluable guide and accompanying CD give bass players both the musical background and training needed to get on with their grooving. With lessons guided by a metronome and presented in various musical styles and rhythmic applications, bassists increase their ability to internalize rhythm. The book also breaks down classic styles and grooves from rock, blues, R&B, jazz, Afro-Caribbean, and other traditions. Each example includes a notated version of the drum part and details how to program it into a drum machine.

Hal Leonard Bass Method Hal Leonard Corporation

The most widely-used introductory bass method available! Both Volumes I and II present a standard notation approach to reading solo and arpeggio studies for four string bass. Included in Volume I are the rudiments of playing, plus handy charts of arpeggios featuring major, minor, augmented, diminished, and seventh chords, plus upper harmonic extensions. Volume II continues with studies, scales, walking bass patterns, and more. Applicable to any style of music, this method has gained acceptance as the foundational text for electric bass study world-wide.

(Drum Instruction). Designed for anyone just learning to play the drumset, this comprehensive and easy-to-use beginner's method is based on years of teaching drum students of all ages. This compilation includes both Books 1 and 2, hours of audio tracks for demonstration and play-along, and video lessons by drum master Gregg Bissonette! Lessons in Book 1 include: drum setup & fundamentals \* tuning & maintenance \* basic music reading \* grips & strokes \* coordination & basic techniques \* basic beats for many styles of music \* 8th notes, 16th notes, dotted notes & triplets \* drum fills \* and more. Lessons in Book 2 include: limb independence \* half-time grooves \* syncopation \* funk grooves \* ghost notes \* jazz drumming \* chart reading \* drum soloing \* brush playing \* and much more.

(Bass Instruction). Scales are no stranger to the bass player. We practice them up and down, in different sequences, and in different keys to improve our chops. But how many people really know how to apply them in a musical way? With Bassist's Guide to Scales Over Chords, you'll learn how these two topics are intertwined in a logical and fundamental manner. This key concept is paramount in learning how to create and improvise functional and memorable bass lines or solos reliably time and again. If you're stuck in a root-note rut or find yourself always coming back to the same old tired patterns, this book is for you. It includes 136 audio tracks and 17

extended backing tracks for download or streaming online.
